This item is for Board Authorization to Advertise for Bids seeking a qualified contractor for the construction of improvements at Country Isles Elementary School, as approved in the 2019-2020 Adopted District Educational Facilities Plan (September 4, 2019). Project scope includes, but is not limited to, fire alarm, HVAC improvements, and media center improvements.

A Letter of Recommendation to Issue a Permit has been received, and upon approval by the Board, staff will advertise the bidding of this project in the newspaper and place an Invitation to Bid on DemandStar.com. The advertisement will solicit competitive, lump sum bids and is expected to result in obtaining the lowest cost for this work from a construction contractor who is pre-qualified to bid SBBC construction work.
