EXECUTIVE SUMMARY

Recommendation to Approve Second Amendment, Renewal, and Additional Spending Authority 59-038N – SAT and PSAT Schools Days with College Board

Introduction

Responsible: Procurement & Warehousing Services (PWS)

This request is to approve the Second Amendment, Renewal, and Additional Spending Authority of the Agreement between College Entrance Examination Board (College Board) and The School Board of Broward County, Florida (SBBC). The agreement supports the academic and personal enrichment of students in Broward County Public Schools (BCPS) which includes PSAT School Day for Freshman, SAT School Day for Juniors, and SAT School Day for select Seniors.

The agreement was approved at the School Board Special Meeting on September 25, 2018, under Item 1, starting October 1, 2018 through August 30, 2020, with a renewal option for one (1) additional two (2) year periods, and an approved spending authority of \$1,504,302. A First Amendment to the Agreement was approved by the Superintendent on September 26, 2019. There was no financial impact with this Amendment.

The purpose of this Amendment is to renew for an additional year through August 30, 2021.

The additional spending authority being requested is \$569,000.

Goods/Services Description

Responsible: Student Assessment & Research

To provide equal and full access to the college admissions process and to establish a college going-culture and encourage more high school students to take the test and apply to college, BCPS proposes to implement a PSAT School Day for Freshman (9th grade), SAT School Day for Juniors (11th grade) and at-risk Seniors (12th grade). The College Board will assist the District in creating and providing strategic support to high schools to prepare students for the test, applying for potential scholarships and increase access to advanced placement and AP capstone programs.

The SAT School Day program has been reported by high school instructional leadership as successful in terms of providing equity to students in college application and enrollment. This initiative has provided access to college entrance exams for all 11th-grade students in BCPS High schools. It has virtually eliminated the participation gap between minority and non-minority students, Free and Reduced Priced Lunch and non-Free and Reduced Priced Lunch students, English Language Learners, and non-English Language Learners. Overall, participation increased from fifty (50) percent in 2015 (prior to SAT School Day) to eighty-nine (89) percent in 2020. Over three thousand (3,000) students who had not previously met graduation requirements for Reading achieved a concordance score on SAT School Day in 2020. Over 300 students who had not previously met the Algebra 1 EOC graduation requirement achieved a concordance score on SAT School Day 2020.

In conjunction with the State of Florida's initiative that provides access to the College Board PSAT National Merit Scholarship Qualifying Test (NMSQT) for all students in grade 10, this BCPS initiative will provide a comprehensive and standardized longitudinal support program for individual student's college readiness, an external set of data points to review the alignment of BCPS curriculum with national expectations and provide insight on how to support the elimination of achievement gaps among demographic subgroups. Additionally, the PSAT NMSQT and SAT were approved for use as alternatives to the current FSA-ELA (SAT only) and FSA-EOC Algebra (PSAT NMSQT and SAT) for graduation eligibility.

**PSAT 8/9 ASSESSMENT
EARLY PARTICIPATION PROGRAM
FIXED FEE SCHEDULE**

I. BACKGROUND

College Board owns and delivers its national standardized tests to students. College Board's Early Participation Program is an initiative to support the involvement of all students in the college-going process at an earlier age while there is still time to inform instruction and learning, and increase students' readiness for college expectations. College Board supports this initiative by providing clients with access to additional savings when clients pay to engage at least one entire grade of students in taking the PSAT 8/9* exam, as indicated on the Budget Schedule or elsewhere in this Schedule ('Participating Grade'). Shifting this financial obligation from the student to Client provides greater access for students to the PSAT 8/9 assessment and provides students early entry on the road to college. This Schedule outlines how a Client sponsors a PSAT 8/9 administration for students and what data and reports may be provided to Client through College Board's online data portal.

II. SCOPE

College Board shall furnish the following PSAT 8/9 materials and reports to the schools designated by Client in Section IV (List of Participating Schools).

1. Materials for Students:

- a. PSAT 8/9 test materials (test booklets).
- b. Student Paper Score Report (one copy sent to Participating School).
- c. Student Online Score Report, delivered via College Board website.
- d. Access to Official SAT Practice on Khan Academy; students ages 13 and older can link their College Board and Khan Academy accounts to receive free personalized practice recommendations based on their performance.
- e. If Client is administering digital testing ('Digital Testing'), students will receive online access to a digital test preview to demonstrate the navigation and tools available to students in the Digital Testing platform.

2. Materials for Schools:

- a. PSAT 8/9 test materials (test booklets).
- b. If Client is administering digital testing, Participating Schools will receive online access to the digital testing platform and download applications.
- c. Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website. In order for the Participating Schools to receive all reports on the data portal, answer sheets must be returned as soon as possible after testing.
 - d. Access to AP Potential™ for students in 9th grade, via College Board website.
 - e. SAT Suite of Assessment Educator Guide (one copy sent to each school).
- f. PSAT 8/9 Coordinator Manual (copies sent to schools based on their test book order; one per 25 tests ordered).
- g. If Client is administering Digital Testing, PSAT 8/9 Digital Testing Coordinator Manual (copies sent to schools based on their order in the Test Ordering Site; one per 10 tests ordered).

3. Reports for District:

- a. Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website.
- b. Access to AP Potential, delivered via College Board website.

4. Required Information. Client shall furnish College Board with: (a) a list of participating schools as prescribed in Section IV (List of Participating Schools); (b) a review of estimated student enrollment from a public data source as prescribed in Section V (Fee Calculation); and (c) Client's contacts as prescribed in Section VI (Client Contact Information). Client will review the pre-populated enrollment data from public data sources and send any adjustments as prescribed in Section V (Fee Calculation). Changes to the list of Participating Schools must be made no later than **one month prior to Client's selected administration date**. Participating Schools without a valid six-digit College Board school code should apply for their school code at **least six weeks before they plan to order test books**.

In the event that: (i) any of Client's schools are omitted from the List of Participating Schools or listed without valid school codes, then such schools shall not be covered under this Agreement and (ii) students in Participating Schools who incorrectly enter a grade or fail to enter a grade on their answer sheets will be incorrectly depicted in reports furnished under this Schedule, and no adjustments can be made to the reports furnished to Client under this Schedule.

III. PSAT 8/9 TERMS AND CONDITIONS

1. Ownership of Intellectual Property. Client agrees and acknowledges that the PSAT 8/9 exam, and all items (questions) contained therein, including all copies thereof, all exam materials (including publications and reports) and all data, including but not limited to student scores derived from the exam and collected under this Schedule are at all times owned by College Board, which is the exclusive owner of all rights in and to the PSAT 8/9 exam, including, without limitation, copyrights, trademarks, trade secrets, patents, and other similar proprietary rights, and all renewals and extensions thereof (collectively 'College Board Intellectual Property'). Nothing in this Schedule shall be interpreted to indicate that College Board is passing its proprietary rights in and to College Board Intellectual Property to Client or that its normal security procedures for national assessments will be altered in any way.

2. PSAT 8/9 Student Reports. College Board hereby grants Client a limited, nonexclusive, nontransferable, non-assignable right to use the score reports and individual student data for the legitimate educational purposes of internal analysis, which includes Client-wide training sessions, as long as the data used during training preserves the confidentiality of students. Client may not use or distribute the score reports externally or to third parties without the express written consent of College Board.

3. PSAT 8/9 Test. College Board hereby grants to Client during the Term of this Agreement a limited, non-exclusive, non-transferable, non-assignable, revocable license to use the PSAT 8/9 test booklets and the digital platform for Digital Testing for the sole purpose of administering the PSAT 8/9 exam on behalf of College Board and reviewing the scores with students within the classroom of a Participating School. Unless otherwise directed by College Board in advance, Client shall destroy PSAT 8/9 test booklets upon termination of this Agreement.

Except as expressly provided herein, Client is prohibited from copying, disseminating, publishing, displaying or distributing in any form, or reproducing the PSAT 8/9 test booklets or any questions from the Digital Testing in whole or in part, without the prior written consent of College Board. Client does not gain any ownership interest in the PSAT 8/9 test booklets or Digital Testing.

4. PSAT 8/9 Assessment Administration. If Client wishes to administer the test twice to the same Participating Grade, Client should select its first testing date between September 2020 and March 2021, and its second testing date in April 2021. Client agrees to administer the PSAT 8/9 to students in the Participating Grade(s) during the testing period(s) noted in the List of Participating Schools table below.

Client shall comply with the published security and administration guidelines for College Board's national test assessments set forth in the PSAT 8/9 Coordinator Manual. For the Digital Testing, Client shall also comply with the guidelines as published in the PSAT 8/9 Digital Testing Coordinator Manual, PSAT 8/9 Digital Testing Accommodated Manual and all relevant supplemental system requirements, installation manuals and guides.

5. Digital Testing Requirements (If Client is administering digital testing):

- a. The PSAT 8/9 Coordinator at each Participating School will complete all required College Board Digital Coordinator Training and provide training access to other supporting staff. Client will ensure compliance with training requirements for all testing staff.
- b. The PSAT 8/9 Coordinator at each Participating School will ensure the successful and accurate completion of all digital preadministration and technology setup activities. These include: a dedicated device for test coordinator(s) to monitor test activities, a proctor computer to administer the digital test in each testing room, and school-owned devices for each test-taking student with College Board Secure Browser installed. Additional information on the computers required for test day, including recommendations on battery and power source, can be found here: <https://digitaltesting.collegeboard.org/digital-preparedness/computer-requirements>. Client must further ensure that each school can meet College Board Digital Testing Requirements as outlined on the digital testing website, in the following areas:

- **Supported Operating Systems for Student Testing:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/supported-operating-systems>, for guidance on supported desktops, laptops and tablets for student testing.
- **Supported Web Browsers by Operating System:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/supported-browsers>, for information on supported operating systems and corresponding web browsers for each application.
- **Network Configuration:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/network-configuration>, for guidance on network configuration including: required bandwidth, ports and protocols, and URLs to whitelist for optimal testing experience.

Client understands that updates to the Digital Testing requirements will be posted on the Digital Testing website links outlined above.

- Client agrees and understands that seating policies for Digital Testing are different from those for paper and pencil testing and will ensure that Participating Schools consult College Board manuals and training and adhere to the most up-to-date Digital Testing room seating policies.
 - Bulk Registration is required for Participating Schools electing to Digital Testing.
6. There is always a risk of disruption during paper or digital testing, including, without limitation, computer issues. College Board has endeavored to put in place procedures to allow administrators and students to recover from such disruption and complete testing. Despite such efforts, Client understands that there are situations where College Board's only option is to schedule a makeup test. This is Client's sole remedy in relation to such disruption.
7. If Client is administering the test with accommodations requiring the use of an approved assistive technology device, students should pre-test the device in the Student Digital Test Preview prior to test day to ensure operational functionality. If the digital accommodation supports within the Digital Test preview do not meet the students testing needs, Client shall arrange for alternate accommodation supports.

V. FEE CALCULATION

1. **Program Pricing.** The fee calculation for this Schedule depends solely on the total enrollment figures for the Participating Grades as indicated in the College Readiness Agreement Budget Schedule ("Budget Schedule") and Client's official National School Lunch Program (NSLP) and the assessment(s) sponsored by Client. Client acknowledges that successful implementation of the Early Participation Program is contingent on Client requiring 100% of their schools¹ to participate under this Schedule. If, during the term covered by this Schedule, College Board is furnishing other assessments to Client in addition to PSAT 8/9, or if multiple grades are being tested under this Schedule, Client shall receive the fee calculation for testing under this Schedule represents a greater discount as set forth on the Budget Schedule. The table below details the discounts available ('Suite pricing' and 'Multi-Assessment Pricing'). For purposes of Suite pricing under this Schedule, the PSAT/NMSQT ('PN') and PSAT 10 ('P10') are considered one assessment.

National School Lunch Program (NSLP) Percentage	Suite Pricing: PSAT 8/9 with SAT School Day, and PN and/or P10	Multi-Assessment Pricing: • PSAT 8/9 with either PN or P10 or SAT School Day • At least <u>two</u> grades testing for PSAT 8/9
≥ 0% and <50%	\$9.00	\$9.50
≥ 50% and < 75%	\$8.00	\$9.00
≥ 75%	\$7.00	\$8.00

Client will be charged a fixed fee based on the enrollment as noted above, regardless of how many students actually take the PSAT 8/9 assessment. The enrollment and total cost indicated in the Budget Schedule are estimates; Client will be given an opportunity to adjust and review the enrollment in the fall to determine their final fee.

2. **Changes to Enrollment.** If Client determines, after signing this Agreement, that the enrollment figures provided herein are incorrect by more than 5% (up or down), Client must promptly provide College Board with the adjusted enrollment figures and identify how and where College Board may confirm this information. Client shall send the updated enrollment figures and an official enrollment report or references, on official letterhead, via email (preferred method) to AssessmentsProgram@collegeboard.org or mail to: PSAT/SAT Assessments, College Board, 250 Vesey Street, New York, NY 10281 no later than:

Administration Date	Deadline to submit updated enrollment
Sept. 2020 – Jan. 2021	October 30, 2020

¹ College Board acknowledges that certain schools are excluded from this requirement, which include without limitation and by way of example, schools for the severely disabled, charter schools excluded from the administrative authority of Client, and schools primarily possessing students not enrolled to obtain a standard high school diploma.

Feb. 2021 – Mar. 2021	January 29, 2021
April 2021	

Notwithstanding the foregoing, after the administration of the exam, College Board may request a verification of enrollment by Participating Grade from Client. If enrollment figures provided by Client based on such request, differ from those provided herein, College Board will adjust the total cost of the Schedule to account for either increases or decreases in enrollment. Additionally, in the event actual participation in a Participating Grade exceeds Client's enrollment figures indicated herein, Client shall remit payment to College Board for any additional students at the full test fee of \$13.00 per student.

3. Restrictions. No student participating under this Agreement will be assessed an individual fee for taking the PSAT 8/9 exam.

4. Unused Tests (paper and pencil). Participating Schools will not incur unused test fees for Participating Grade(s); however, unused test fees will apply for all other grades ('non-Participating Grades'). A fee of \$4 per test booklet will be charged if a Participating School is calculated to have unused tests greater than 20% of their test booklets ordered by non-Participating Grade(s). Participating Schools that use at least 80% of the tests ordered for non-Participating Grade(s) will not incur an unused test fee.

**SAT SCHOOL DAY PROGRAM
FIXED FEE SCHEDULE**

I. BACKGROUND

College Board owns and delivers its national standardized SAT test to students. Under this Schedule, 'SAT' will be used to refer to both the SAT (without essay) and the SAT with Essay, as applicable. Allowing students to take the test during a school day and shifting the financial obligation from the student to Client provides greater access for students to the SAT. College Board will assist Client in administering the SAT exam during a school day. This Schedule outlines how a Client sponsors a SAT School Day administration for students and what SAT data and reports may be provided to Client through our online data portal (the 'Program'). College Board supports this initiative by providing clients with access to additional savings when clients pay to administer the SAT to at least one entire grade of students ('Participating Grade'). Students who take the SAT exam in accordance with the provisions of this Schedule are herein referred to as 'Participants'.

II. SCOPE

College Board shall furnish the following SAT School Day materials and reports to the schools designated by Client in Section IV (List of 'Participating Schools').

1. **Materials for Students:**
 - a. **SAT Student Guide.**
 - b. **SAT test materials (test booklets).**
 - c. **Student Online Score Report, delivered via College Board website.**
 - d. **Ability to send scores to colleges, scholarship programs and other designated score recipients, via College Board website.**
 - e. **Access to Official SAT Practice on Khan Academy; students can link their College Board and Khan Academy accounts to receive free personalized practice recommendations based on their performance.**

2. **Materials for Participating Schools:**
 - a. **Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website.**
 - b. **Materials to support test administration.**
 - c. **If Client is administering Digital Testing, schools will receive online access to the Digital Testing platform and download applications, Client will have access to a digital test preview to demonstrate the navigation and tools available to students in the Digital Testing platform, and SAT SD Digital Testing Coordinator Manual (copies sent to schools based on Client's bulk registration file; one per 10 students registered).**
3. **Reports for District:**
 - a. **Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website.**
4. **Delivering SAT Practice Tools and Support.** In addition to the free practice tools available at <http://sat.collegeboard.org/practice>, all students will have access to free, personalized, and focused practice resources through College Board's collaboration with Khan Academy. Practice materials for the SAT exam are available at the Khan Academy website (<http://satpractice.org>). Client and Participants shall use the Khan Academy practice tool and materials in accordance with Khan Academy's guidelines.

Additional SAT Readiness products (e.g., publications) and services (e.g., Professional Development Workshops) are not included as part of the Program. Client may purchase these products and services separately.

5. **Providing Accommodations to Participants with Disabilities.** Accommodations for Participants with disabilities will be granted and administered according to College Board's standard eligibility and administration procedures. Participants must apply for accommodations under College Board's Services for Students with Disabilities (SSD) program and must follow the SSD program's published procedures, which can be found at <https://www.collegeboard.org/students-with-disabilities>. Only College Board-approved accommodations are permitted. Any provided accommodations not previously and explicitly approved by College Board's SSD program will result in scores that are not valid, and that cannot be reported to colleges, scholarship programs and other designated score recipients. Client will be responsible for ensuring that an appropriate accommodations coordinator ('SSD Coordinator') is designated for each school to facilitate the application for and administration of approved accommodations. The 'SSD Coordinator Form' (used to establish an SSD

Coordinator) is available at the above-referenced websites. Participants with accommodations previously approved by College Board, and who have a College Board-issued SSD code, do not need to reapply for accommodations under this Program.

6. **Required Information.** Client shall furnish College Board with: (a) a list of Participating Schools as prescribed in Section IV (List of Participating Schools); (b) a review of estimated student enrollment from a public data source as prescribed in Section V (Fee Calculation); and (c) Client's contacts as prescribed in Section VI (Client Contact Information). Client will review the pre-populated enrollment data from public data sources and send any adjustments as prescribed in Section V (Fee Calculation).

Changes to the list of Participating Schools must be submitted by the deadline as noted below. Participating Schools without a valid six-digit College Board school code should apply for their school code **at least six weeks** prior to the order deadline for their Primary Test Date for SAT School Day.

In the event that: any of Client's schools are omitted from the List of Participating Schools or listed without valid school codes, such schools shall not be covered under this Schedule. Additionally, information relating to Participants who incorrectly enter a grade or fail to enter a grade on their answer sheets, will be incorrectly depicted in reports furnished under this Schedule, and Client acknowledges that no adjustments can be made.

7. **Training of Designated Personnel at the Participating Schools.** College Board will provide all necessary training and/or instructional materials to designated Client personnel who will act as SAT School Day Coordinators, SSD Coordinators, Proctors, and Monitors (collectively "Designated Personnel"). Designated SAT School Day Coordinators are required to adhere to all of College Board's procedures, policies, and protocols related to national test administrations as specified in the SAT School Day Coordinator training and instructional materials, and may be required to complete SAT School Day staff agreements. Client is responsible for ensuring compliance with all required Designated Personnel training. College Board reserves the right to cancel the administration of the Program at any Participating School where any Designated Personnel fail to complete such training prior to the scheduled test administration.

8. **SAT Student Guide distribution to Students.** Client shall ensure that copies of the SAT Student Guide are distributed to all Students **at least two weeks before test administration date.**

III. SAT SCHOOL DAY TERMS AND CONDITIONS

SAT Program

1. **SAT Ownership.** Client agrees and acknowledges that the SAT exam, and all items (questions) contained therein, including all copies thereof, all exam materials (including publications and reports) and all data, including but not limited to student scores derived from the exam and collected under this Schedule are at all times owned by College Board, which is the exclusive owner of all rights in and to the SAT exam, including, without limitation, copyrights, trademarks, trade secrets, patents, and other

similar proprietary rights, and all renewals and extensions thereof (collectively 'College Board Intellectual Property'). Nothing in this Schedule shall be interpreted to indicate that College Board is passing its proprietary rights in and to College Board Intellectual Property to Client or that its normal security procedures will be altered in any way.

SAT Data License

2. **SAT Data and Reporting.** College Board hereby grants Client a limited, nonexclusive, nontransferable, non-assignable right to use the score reports and individual student data for the legitimate educational purposes of internal analysis, which includes training sessions, as long as the data used during training preserves the confidentiality of students, and to incorporate it into educational data warehouse systems to improve college readiness. Client may not use or distribute the score reports externally or to third parties without the express written consent of College Board.

For the April 13, 2021 paper and pencil administration, SAT question content and answer explanations will be provided in the online system, for the Primary Test Date only.

2.1 College Board grants Client a non-exclusive, limited and revocable license to use the questions and answers explanations for the sole purpose of classroom teaching and internal reporting purposes. Client understands and acknowledges that the questions and answers explanation include College Board copyrighted content and may also include third party copyrighted content for which Client may only use for the aforementioned purposes. Client acknowledge and agrees that it has no right to upload or post online, cache, reproduce, modify, display, edit, alter or enhance any portion of the SAT questions and answers or the third party content in any manner unless it has express written permission from College Board and the owner of the third party content.

2.2 College Board reserves the right to revoke the above license grant if Client violates the terms of the license. In addition, College Board shall not be liable to Client nor any third party for Client's use of the question and answers explanation (including but not limited to, any copyright infringement claims) beyond the scope of the license.

SAT Administration

3. **SAT Test Dates and Participating Grade.** Client agrees to administer the SAT to the following Participating Grade(s) on the Primary and Makeup Test Dates noted below:

Participating Grade(s)	Primary Test Date	Makeup Test Date
12	October 14, 2020	October 28, 2020
11, 12	March 03, 2021	April 13, 2021

Participants who are absent from the Primary Test Date are eligible to take the test on the Makeup Test Date mentioned above. Client acknowledges that there are no designated or national administration makeup test dates associated with the April 27, 2021 Primary Test Date.

4. **Administering the SAT.** The SAT will be administered to students under standard College Board national test administration and security protocols as specified in the SAT School Day Test Coordinator Manual and SAT School Day Test Coordinator training and instructional materials, unless otherwise stated in this Schedule, and will result in scores that are reportable to colleges for admissions purposes. In accordance with College Board policies, any test irregularity, including mis-administrations or security breaches, will be thoroughly investigated and may result in score cancellations. Client is responsible for making all necessary arrangements to ensure that the testing environment and the security of all test materials satisfy College Board requirements as specified in the SAT School Day Coordinator training and instructional materials. The test will be administered by Client-employed personnel, who will not receive additional remuneration by College Board. All Participants must test on either the designated test day or, when available, designated makeup test day. This Agreement does not guarantee that all Students targeted by Client for the Program will actually test. It is the responsibility of Client to encourage Participants to complete the Program. Participants will follow the guidelines on the SAT website and in student materials sent by College Board. For Digital Testing, Client shall also comply with the guidelines as published in the SAT School Day Digital Testing Coordinator Manual, SAT School Day Digital Testing Accommodated Manual and all relevant supplemental system requirements, installation manuals and guides.

5. **Digital Testing Requirements** (If Client is administering Digital Testing):

- a. The SAT School Day Coordinator at each Participating School will complete all required College Board Digital Coordinator Training and provide training access to other supporting staff. Client will ensure compliance with training requirements for all testing staff.
- b. The SAT School Day Coordinator at each Participating School will ensure the successful and accurate completion of all digital preadministration and technology setup activities. These include: a dedicated device for test coordinator(s) to monitor test activities, a proctor computer to administer the digital test in each testing room, and school-owned devices for each test-taking student with College Board Secure Browser installed. Additional information on the computers required for test day, including recommendations on battery and

power source, can be found here: <https://digitaltesting.collegeboard.org/digital-preparedness/computer-requirements>. Client must further ensure that each school can meet College Board Digital Testing Requirements as outlined on the digital testing website, in the following areas:

- **Supported Operating Systems for Student Testing:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/supported-operating-systems>, for guidance on supported desktops, laptops and tablets for student testing.
- **Supported Web Browsers by Operating System:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/supported-browsers>, for information on supported operating systems and corresponding web browsers for each application.
- **Network Configuration:** Review this webpage: <https://digitaltesting.collegeboard.org/digital-preparedness/network-configuration>, for guidance on network configuration including: required bandwidth, ports and protocols, and URLs to whitelist for optimal testing experience.

Client understands that updates to the Digital Testing requirements will be posted on the digital testing website links outlined above.

- c. Client agrees and understands that seating policies for Digital Testing are different from those for paper and pencil testing and will ensure that Participating Schools consult College Board manuals and training and adhere to the most up-to-date Digital Testing room seating policies.
 - d. Bulk Registration is required for schools electing Digital Testing.
6. There is always a risk of disruption during paper or digital testing, including, without limitation, computer issues. College Board has endeavored to put in place procedures to allow administrators and students to recover from such disruption and complete testing. Despite such efforts, Client understands that there are situations where College Board's only option is to schedule a makeup test. This is Client's sole remedy in relation to such disruption.
7. If Client is administering the test with accommodations requiring the use of an approved assistive technology device, students should pre-test the device in the Student Digital Test Preview prior to test day to ensure operational functionality. If the digital accommodation supports within the Digital Test preview do not meet the students testing needs, Client shall arrange for alternate accommodation supports.

V. FEE CALCULATION

1. **Program Pricing.** The fee calculation for this Schedule depends solely on the total enrollment figures for the Participating Grade(s) as indicated in the College Readiness Agreement Budget Schedule ('Budget Schedule') and Client's official National School Lunch Program (NSLP) percentage. If, during the term covered by this Schedule, College Board is furnishing other assessments to Client (under separate agreements), or if multiple grades are being tested under this Schedule, Client shall receive a greater discount as set forth on the Budget Schedule. The table below details the discounts available ('Suite Pricing' and 'Multi-Assessment Pricing'). For purposes of Suite pricing under this Schedule, the PSAT/NMSQT ('PN') and PSAT 10 ('P10') are considered one assessment.

National School Lunch Program (NSLP) Percentage	Suite Pricing: SAT School Day with PSAT 8/9, and PN and/or P10		Multi-Assessment Pricing: <ul style="list-style-type: none"> • SAT School Day with either PN • or P10 or PSAT 8/9 • At least <u>two</u> grades testing for • SAT School Day 	
	SAT With Essay	SAT Without Essay	SAT With Essay	SAT Without Essay
≥0% and <50%	\$42.00	\$32.50	\$45.50	\$35.50

≥75%	\$34.00	\$26.50	\$41.50	\$32.50

Client will be charged a fixed fee based on enrollment as noted above, regardless of how many students actually take the SAT. The enrollment and total cost indicated in the Budget Schedule are estimates; Client will be given an opportunity to adjust enrollment by the following deadlines:

Administration Date	Deadline to submit updated enrollment
September 23, 2020	October 30, 2020
October 14, 2020	
March 3, 2021	January 29, 2021
March 24, 2021	
April 13, 2021	March 5, 2021
April 27, 2021	

2. **Changes to Enrollment.** If Client determines, after signing this Agreement, that the enrollment figures provided herein are incorrect by more than 5% (higher or lower), Client must promptly provide College Board with the adjusted enrollment figures and identify how and where College Board may confirm this information. Client shall send the updated enrollment figures and an official enrollment report or references, on official letterhead, via email (preferred method) to AssessmentsProgram@collegeboard.org or mail to: PSAT/SAT Assessments, College Board, 250 Vesey Street, New York, NY 10281, as noted above.

Notwithstanding the foregoing, after the administration of the assessment, College Board may request a verification of enrollment by Participating Grade from Client. If enrollment figures provided by Client based on such request, differ from those provided herein, College Board will adjust the total cost of the Schedule to account for either increases or decreases in enrollment. Additionally, in the event actual participation in a Participating Grade exceeds Client's enrollment figures indicated herein, Client shall remit payment to College Board for any additional students at the then-current rate per student as indicated on College Board's website currently located at <https://collegereadiness.collegeboard.org/sat/register/>.

3. Restrictions. No Participant will be assessed an individual fee for testing under this Schedule if Client has chosen SAT with Essay. If Client has chosen SAT (without Essay) and its Participating Schools have opted in for student purchased essay, such fees will be billed directly to the Participating Schools. The Budget Schedule reflects the option Client chose. SAT Subject Tests are not offered under this Agreement. Furthermore, there is no additional discount under this Schedule provided for Participants who are using fee reduction benefits.

4. Unused Tests. Participating Schools will not incur unused test fees for Participating Grade(s); however, unused test fees will apply for all other grades ('non-Participating Grades'). The unused test fee is 50% of the retail test fee for each unused test booklet and will be charged if a Participating School is calculated to have unused tests greater than 20% of their test booklets ordered by non-Participating Grade(s). Participating Schools that use at least 80% of the tests ordered for non-Participating Grade(s) will not incur an unused test fee.

Client is responsible for making all necessary arrangements to ensure that the testing environment and the security of all test materials satisfy College Board requirements as specified in the SAT School Day Coordinator training and instructional materials. The test will be administered by Client-employed personnel, who will not receive additional remuneration by College Board. All Participants must test on either the designated test day or, when available, designated makeup test day. testing. Despite such efforts, Client understands that there are situations where College Board's only option is to schedule a makeup test. This is Client's sole remedy in relation to such disruption.

7. If Client is administering the test with accommodations requiring the use of an approved assistive technology device, students should pre-test the device in the Student Digital Test Preview prior to test day to ensure operational functionality. If the digital accommodation supports within the Digital Test preview do not meet the students testing needs, Client shall arrange for alternate accommodation supports.

COVID-19 Pandemic Contingency Plans. The parties agreed and understand that due to the Covid-19 pandemic and for reasons beyond the reasonable control of either party, either party may be prohibited from delivering its obligations and/or fulfilling its responsibilities. College Board shall solely determine whether it shall be able to fulfill its obligations to offer the assessments which are the subject of this Agreement, and Client shall solely determine whether it can administer the assessment which are the subject of this Agreement. If Client immediately notifies College Board in writing (with email to suffice) of its inability to administer the assessment(s) in schools in accordance with this Agreement, Client shall be relieved of its obligation to pay College Board for any assessment(s) which it cannot administer because of the COVID-19 pandemic. If Client can administer an assessment to a portion of its students but not the full cohort, College Board shall provide a revised budget schedule; provided, that Client immediately notifies College Board in writing (with email to suffice) of its inability to administer the assessment(s) in accordance with this Agreement. Any notification to College Board of Client's inability to administer College Board assessments must be provided in advance of the schedule test date(s).

If Client has received secure test material, Client agrees to safeguard such material (including by way of example, to store in a locked office and/or cabinets, to maintain the packaging seal on the boxes) and, if requested, to return such material to College Board. Client is prohibited from administering the assessment(s) on any day, or in any manner, that is not permitted by College Board and/or to use the assessment(s) for any other purpose.

College Board will work with Client to mutually agree on a back-up administration plan and date, to the extent possible; provided, that the parties failure to agree on a backup plan shall permit the parties to immediately terminate this Agreement. Client must notify College Board in writing (with email to suffice) of its request to use a published back-up administration date in advance of the originally scheduled test date. For a SAT School Day administration, the back-up administration shall be an available make-up date. For the PSAT/NMSQT, the back-up administration shall be the Alternate Test Day – Wednesday, October 28, 2020. However, if the Client had chosen to use the PSAT/NMSQT Alternate Test Day as their primary test date, there will be no available back-up administration date. If the parties agree to administer the assessment(s) on an available back-up date, College Board shall determine in its sole discretion whether to ship Client replacement tests or whether Client shall use previously shipped unused tests. College Board reserves the right to deny a change of test date if, in its sole opinion, the additional work will endanger its vendors or its employees, agents, consultants, or if Client has failed to immediately notify College Board of the need for a test day change in time to allow delivery of test materials one week prior to the back-up administration. College Board shall use commercially reasonable efforts to timely deliver such material; provided, however, College Board shall not be responsible for the failure of any third-party shipping company to deliver such material because of delays caused by COVID-19.

College Board will assume any additional costs associated with rescheduling and delivering tests to Participating Schools impacted by such delay up to one week prior to the alternate administration.

College Board reserves the right to decline to offer additional administrations beyond the published testing dates or testing windows, as may be amended by College Board.
