**TITLE:**

2024 Strategic Plan - Annual Recalibration Final Draft
--

**REQUESTED ACTION:**

Approve the updated 2024 Strategic Plan as part of our Annual Recalibration process.
--

**SUMMARY EXPLANATION AND BACKGROUND:**

Our 2024 Strategic Plan underwent Annual Recalibration over a year-long process facilitated by the Office of Strategic Initiative Management (SIM). This involved collaboration with stakeholders across the District, including students, teachers, school-based and District staff and administrators, families, community members, and local business and non-profit partnering organizations. The Superintendent's Cabinet then served as the Steering Committee for this recalibration process. In particular, the impact of the COVID-19 pandemic on the District was factored accordingly into the realignment of our high level Initiatives and Metrics, as the District now enters Year 2 of plan implementation. The proposed updates were presented and discussed in the 8/25/20 Board Workshop, and feedback received from the Board has since been integrated as appropriate into the final draft.
