

## **EXECUTIVE SUMMARY**

### **Facility Use Letter Agreement by and between Miami Beckham United and The School Board of Broward County, Florida**

The School Board of Broward County, Florida would like to continue to utilize the facility located at the Northeast corner of the Inter-Miami Stadium and Training Facility at Lockhart. In the past, the District has secured a lease with the City of Fort Lauderdale to host home football games for Fort Lauderdale and Stranahan High Schools, both of which do not have an on-campus football stadium. In addition, Lockhart Stadium has been utilized by the District for special events, as the stadium is the largest in the county.

There will be no rental fee for the use of any facilities on the Inter-Miami Stadium and Training Facility at the Lockhart site. The School Board will be responsible for the direct costs associated with police/security for the games, EMT/Fire (ambulance), game operations, field painting, and portable restroom rentals. The direct costs of \$9,200 will be paid from game ticket revenue by the Office of Athletics and Student Activities. The Department of Athletics and Student Activities is currently collaborating with the City of Fort Lauderdale and Miami Beckham United on an additional agreement that will secure future use of this facility for sporting and special events.
