Project Description	The School Board of Broward County, Florida is partnering with Walgreen Co. which provides internship experiences necessary to meet the Florida Department of Education student performance standards for Health Science Education programs. This agreement benefits students from the three Broward Technical Colleges and Technical High Schools by allowing them the opportunity to apply content classroom theory to relevant clinical experiences at their facilities.
Evaluation Plan	Surveys to be completed by students, Health Science Education teachers and select staff of the facility to measure the effectiveness of the clinical experience. The results of the surveys are used to make recommendations for modifying clinical agreements that will strengthen the student's job-site experience and the overall Health Science Education Program.
Research Methodology	Curriculum Frameworks and Program of Study as delineated by the Florida Department of Education for program completion.
