and having its principal place of business located at

WHEREAS, the Sponsor has the authority pursuant to Section 1002.33, Florida Statutes, to grant to a not-for-profit organization a charter to operate a charter middle and high school, grade levels (6-12) within the school district; and

WHEREAS, the School is a Florida not-for-profit organization and desires to operate a charter school within the school district for the purposes set forth in Section 1002.33, Florida Statutes, and in the School’s Charter School Application which is attached hereto as **Appendix 1** and incorporated herein by reference.

WHEREAS, the School is approved by the Sponsor to provide educational services in accordance with the terms of a charter school agreement; and

WHEREAS, it is the intent of the parties that this Charter School Renewal Agreement [hereinafter referred to as “Charter”] shall serve as the charter for the operation of the School.

NOW, THEREFORE, in consideration of the mutual covenants and terms herein set forth, the parties agree as follows:

ARTICLE 1: RECITALS

Section 1.A: **Recitals:** The foregoing recitals are true and correct and are incorporated within this Charter by reference.

ARTICLE 2: GENERAL PROVISIONS

Section 2.A: **Approved Application:** The School’s approved application to operate a charter school is appended hereto as **Appendix 1** and is incorporated herein by reference.

The Ben Gamla Preparatory Academy #5182

If any provision of this Charter is inconsistent with **Appendix 1**, the provisions of this Charter shall prevail.

Section 2.B: **Term of Charter**: Unless terminated earlier pursuant to Section 1002.33, Florida Statutes, or upon the terms contained herein, this charter shall cover a term of five (5) years commencing on July 1, 2020 and ending on June 30, 2025.

Section 2.B.1: **Effective Date**: This Charter shall become effective on July 1, 2020 or upon signing by both parties, whichever date is later.

Section 2.B.2: **Start-Up Date**: The initial start-up of the School shall be consistent with the beginning of the Sponsor's public school calendar for each school year. In all years of operation, the School will follow the public school calendar adopted by the Sponsor unless otherwise stated and approved in the Application (**Appendix 1**) or by an amendment to this Charter. The School shall provide instruction for at least one hundred eighty (180) school days or the number of days required by law for other public schools, and may provide instruction for additional days.

Section 2.B.3: **Pre-Opening Deadline**: The School shall be eligible to receive FTE funding from the Sponsor once it has secured and has provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority, but in no event shall such funds be disbursed to the School any earlier than July 1 of the school year in which the School will open. If the School has not secured and provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, and the School otherwise fails to provide notice of intent to defer the opening of the School's operations in accordance with Section 1002.33(6)(b)(5), Florida Statutes, then this Charter will automatically expire without any notice, hearing, right to appeal or further action required of the Sponsor. Notwithstanding the aforementioned, pursuant to Section 1002.33(6)(b)(5), Florida Statutes, the School may defer the opening of the school's operations for up to 3 years to provide time for adequate facility planning. The School shall not be entitled to enroll any students during a planning year and shall not be eligible to receive any FTE funding from the Sponsor during such planning year. The School shall secure and provide to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority prior to the start of the school year following the conclusion of any planning year(s) and/or deferral the School has elected pursuant to Section 1002.33(6)(b)(5), Florida Statutes. If the School fails to satisfy the requirement to provide such evidence and the School otherwise fails to provide notice of intent to defer the opening of the School's operations in accordance with Section 1002.33(6)(b)(5), Florida Statutes, then this Charter will automatically expire with notice to the School, but without any hearing, right to appeal or further action required of the Sponsor. The School understands that if the contract is not fully executed by both parties by April 30, 2020 that this can result in a failure to receive the state designated Master School Identification (MSID) in a timely fashion, which can impact student registration, enrollment and receipt of public funds.

Section 2.B.4: **Charter Modification**: This Charter may be modified during its term by mutual agreement of the parties, provided such modifications are agreed to in

writing and executed by both parties. Alteration of the grade levels served will require approval of a subsequent or supplemental charter school application to serve those additional grades. Furthermore, no modifications may alter student eligibility for enrollment except as permitted by applicable law.

Section 2.B.4.a: **High Performing Charter School:** As per Section 1002.331 Florida Statutes, a State designated high-performing charter school may increase its student enrollment, contract capacity, not to exceed the current facility capacity and expand grade levels within kindergarten through grade 12 to add grade levels not already served if any annual enrollment increase resulting from grade level expansion is within the limits established above. A high-performing charter school shall notify the Sponsor in writing by March 1 if it intends to increase enrollment or expand grade levels the following year. The written notice shall specify the amount of the enrollment increase and the grade levels that will be added, as applicable.

Section 2.B.5: **Charter Renewal:** This Charter may be renewed pursuant to Section 1002.33(7)(c)(1), Florida Statutes, for such duration as may be established by mutual written agreement of the parties. In order to facilitate long-term financing for charter school construction, charter schools operating for a minimum of 3 years and demonstrating exemplary academic programming and fiscal management are eligible for a 15-year charter renewal. Such long-term charter is subject to annual review and may be terminated during the term of the charter. The 15-year charter renewal that may be granted above, shall be granted to a charter school that has received a school grade of “A” or “B” pursuant to Section 1008.34, Florida Statutes, in 3 of the past 4 years and is not in a state of financial emergency or deficit position as defined by this section. Such long-term charter is subject to annual review and may be terminated during the term of the charter pursuant to subsection (8). In addition, pursuant to Section 1002.331(2), Florida Statutes, a high performing charter school is authorized to receive a modification of its charter to a term of 15 years or a 15-year charter renewal. The charter may be modified or renewed for a shorter term at the option of the high-performing charter school.

Section 2.C: **Educational Program and Curriculum:** The School shall deliver an educational program and curriculum as described in its Application which is attached hereto and incorporated herein as **Appendix 1**.

Section 2.D: **Non-Renewal/Cancellation and Termination:** Any non-renewal, cancellation or termination of the Charter shall be subject to Section 1002.33(8), Florida Statutes, and the terms of this Charter.

The hearing shall be conducted using the procedure selected by the Sponsor from those alternatives specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.1.c: **Notice of Renewal/Non-Renewal from the School:** The School shall notify the Sponsor in writing at least ninety (90) days prior to the expiration of the Charter as to the School's intent to renew or not to renew.

Section 2.D.2: **90-Day Termination:** This Charter may be terminated upon ninety (90) calendar days' written notice pursuant to Section 1002.33(8)(b) and (c), Florida Statutes, for any of the grounds listed in the foregoing Non-Renewal Section, Grounds for Good Cause Section, or ground specified elsewhere in this Charter or provided under applicable law. Section 2.D.2.a: **Notice from the Sponsor; Appeal:** Except when immediately terminated pursuant to this Charter, the Sponsor shall provide written notification to the governing body of the School of the proposed termination of a charter at least ninety (90) days in advance of the proposed action. Said request must be made within fourteen (14) calendar days of receiving the notice. The hearing shall be conducted using the procedure selected by the Sponsor from those alternatives specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.3: **Immediate Termination**: This Charter may be terminated immediately by the Sponsor pursuant to Section 1002.33(8)(d), Florida Statutes, if it determines that there is exigent good cause or if the health, safety or welfare of the students is threatened. In making the determination as to whether good cause exists for immediate termination, the Sponsor will consider whether the totality of the circumstances warrant a decision to forego the procedures for a ninety (90) day termination. The Sponsor shall notify in writing the School's governing body, the School's principal, and the Florida Department of Education if the Charter is immediately terminated. The Sponsor shall clearly identify the specific issues that resulted in the immediate termination and provide evidence of prior notification of issues resulting in the immediate termination when appropriate.

Section 2.D.3.a: **Immediate Termination – Operations During Appeal**: Upon receipt of notice of immediate termination, the School shall immediately provide the Sponsor access to the School's facilities, and shall immediately make accessible all educational and administrative records of the School so the Sponsor may immediately take any appropriate actions. Moreover, within five (5) business days, the School shall turn over to the Sponsor all records and information regarding the accounts of all of the public funds held by the School and shall turn over to the Sponsor all of the School's public property and public funds. If the School prevails in an appeal to the State Board of Education, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's governing board shall resume operation and oversight of the School.

Section 2.D.3.a.1: **Immediate Termination – Assets and Property During Appeal**: Any unencumbered public funds from the School, and district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal status is resolved.

Section 2.D.3.a.2: **Immediate Termination – School Debts and Term of Lease During Appeal**: However, nothing herein shall be construed as an obligation on the part of the Sponsor to secure the extension of a lease term during the pendency of an appeal or to pay with Sponsor's fund any debts incurred by the School in order to avert a foreclosure or eviction.

Section 2.D.3.a.3: **Immediate Termination – Correspondence During Appeal**: During the pendency of any appeal, the Sponsor shall forward to the chair of School's governing board copies of any correspondence or other written communications related to the School's leases and mortgages or to the extension or termination of any of the School's contracts or business relationships.

Section 2.D.3.a.4: **Immediate Termination – Non-Renewal or Termination During Pendency of Appeal**: Since the issues on appeal shall be limited to whether there existed grounds for the immediate termination of the Charter, this Charter may still be

terminated upon ninety (90) days' notice or non-renewed in accordance with its terms during the pendency of an appeal in accordance with Section 1002.33(8), Florida Statutes.

Section 2.D.3.a.5: **Immediate Termination – Retrieval of Personal Items by School Personnel:** If the School appeals to the State Board of Education and is unsuccessful in the appeal (or if the School fails to timely file an appeal), the School shall be dissolved pursuant to Section 1002.33(8)(e), Florida Statutes. In such event, the Sponsor shall allow the School's governing body and its employees, agents and assigns to retrieve any of their respective personal belongings from the School's facility. However, all property and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the Sponsor, subject to complete satisfaction of any lawful liens or encumbrances.

Section 2.D.3.b: **Hearing Process:** A charter may be terminated immediately if the sponsor sets forth in writing the particular facts and circumstances indicating that an immediate and serious danger to the health, safety, or welfare of the charter school's students exists. The Sponsor's determination is subject to the procedures set forth in paragraphs 1002.33 (8)(b) and (c), except that the hearing may take place after the charter has been terminated. The Sponsor shall notify in writing the charter school's governing board, the charter school principal, and the department if a charter is terminated immediately. The sponsor shall clearly identify the specific issues that resulted in the immediate termination and provide evidence of prior notification of issues resulting in the immediate termination when appropriate. Upon receiving written notice from the sponsor, the charter school's governing board has 10 calendar days to request a hearing. A requested hearing must be expedited and the final order must be issued within 60 days after the date of request. The Sponsor shall assume operation of the charter school throughout the pendency of the hearing under paragraphs (b) and (c) unless the continued operation of the charter school would materially threaten the health, safety, or welfare of the students. Failure by the Sponsor to assume and continue operation of the charter school shall result in the awarding of reasonable costs and attorney's fees to the charter school if the charter school prevails on appeal.

Section 2.D.3.c: **Sponsor Operation of School Pending Appeal:** Unless the School has already ceased operations, the Sponsor shall, assume operation of the School upon immediate termination and shall continue operating the School throughout any timely appeal by the School to the State Board of Education or, if no appeal is filed, until the time for filing an appeal has expired. The feasibility of continuing the School's operations is a matter within the sole judgment of the Sponsor. The Sponsor shall hold and conserve all School property and assets, including cash and investments, in trust until the School has exhausted all appellate rights to the State Board of Education. The Sponsor shall only disburse School funds in order to pay the normal expenses of the School as they accrue in the ordinary course of business. Normal expenses shall include, but not be limited to, the payment of employee salaries and benefits.

Section 2.D.3.d: **School Employees After Immediate Termination:** The School's instructional and operational employees may continue working in the charter school until such time as the School exhausts its appellate remedies. Notwithstanding the general policy of employees continuing to serve in their regular capacities during that time, the Sponsor reserves the right to take any appropriate personnel action as to such employees if cause should arise or be discovered during the Sponsor's assumed operation of the charter school (after the Sponsor

provides any required due process to such employees if they are not terminable at-will). Sponsor shall notify the School prior to any adverse personnel action at the address provided in section 14.K.

Section 2.D.4: **Post Termination Provisions**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the disposition of financial and operational records, student records, property and assets, debts and leases shall be in accordance with the provisions of this Charter and applicable law.

Section 2.D.4.a: **Financial & Operational Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, all administrative, operational and financial records of the School shall be turned over to the Sponsor along with necessary access to the School's facilities on the date the expiration, non-renewal or termination takes effect.

Section 2.D.4.b: **Student Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, student records shall be turned over to Sponsor on the date the expiration, non-renewal or termination takes effect.

Section 2.D.4.c: **Property/Assets of the School**: The parties acknowledge that both the Sponsor and the School are public entities. In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor and except as otherwise provided by law; all assets, supplies and equipment purchased with public funds by the School or which would otherwise be due and payable to the School shall instead be delivered to, retained and owned by the Sponsor and all school property and improvements, furnishings and equipment and any unencumbered public funds shall automatically revert or transfer, as the case may be, to full ownership by the Sponsor (subject to any lawful liens and encumbrances) following the School's exhaustion of its appellate remedies. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds or non-public funds, then it shall be presumed that it was purchased with public funds and ownership of the asset shall automatically revert to the Sponsor. Property and assets purchased with public funds shall be defined as all property, whether real or personal, purchased directly with grants and funds provided by a governmental entity. Funds provided by the School and used by an Education Services Provider (ESP) company to purchase property and assets for the School are considered public funds. Any property and improvements, furnishings and equipment purchased without Article 12.0 funds for the School which have not been reimbursed by public funds shall be the property of the School should the Charter terminate or not be renewed. Any assets existing at the time of expiration, termination or non-renewal of this Charter School Agreement, which have been funded by both Article 12.0 funds and non-public funds, shall be equitably divided between the parties. Any disputes concerning such equitable division of assets shall be addressed through the dispute resolution provisions available through Section 1002.33, Florida Statutes, or as specified in this Charter. Property and assets purchased by an educational management organization in conjunction with operating the School shall not be deemed to have been purchased with public funds. The financial and auditing personnel and staff of the Sponsor and the School shall cooperate in and coordinate the proper identification and sources of funding for the property and improvements, furnishings, and equipment purchased for the School and the appropriate

record keeping of same, during the term hereof or any extensions of this Charter School Agreement.

Section 2.D.4.d: **Debts of the School:** In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the Governing Board of the School shall be responsible for all the debts of the School. The parties acknowledge that the Sponsor may not assume the debt arising from any contract for services made between the governing body of the School, the management company (if applicable), and/or third parties, except for a debt that is previously detailed and agreed upon (in writing and executed with the same formalities as this Charter) by both the Sponsor, the governing body of the School and/or the management company (if applicable), and that may not reasonably be assumed to have been satisfied by the Sponsor.

Section 2.D.4.e: **Leases of the School:** In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, any and all leases existing between the Sponsor and the School shall be automatically cancelled. However, in no event shall the Sponsor be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

Section 2.D.4.f: **Dissolution of the School:** Upon expiration, non-renewal or termination of the Charter and exhaustion of any rights to appeal, the School shall be dissolved under the provisions of the statute under which the School was organized.

Section 2.D.4.g: **Student Enrollment Upon Non-Renewal:** Any student enrolled in the School at the time of the expiration, termination or non-renewal of this Charter may apply to and be enrolled in a public school operated by Sponsor or another charter school in accordance with the Sponsor's or the recipient charter school's normal application and enrollment procedures.

Section 2.D.5: **Voluntary Termination:** The School's governing board may elect to voluntarily terminate this Charter by sending to the Sponsor a written notice of voluntary termination executed by the chair of the governing board. In the event of a voluntary termination, the School shall be deemed to have waived any right to notice, hearing or appeal of the termination of its Charter. The school shall inform the Sponsor no later than 15 days prior to the date specified in the notice of voluntary termination. Any such voluntary termination shall be effective as of the date specified in the governing board's notice. Upon receipt of notice of the intent to voluntarily terminate the contract, the governing board's right to notice, hearing or appeal shall cease. In the event of a voluntary termination, all post-termination provisions stated in this Charter shall apply other than the provisions for notice, hearing or appeal.

The School agrees that the Sponsor will perform psychoeducational evaluations of students initially referred for placement within exceptional student education without fee. The School will be billed for those services not covered by the administrative fee at the actual cost of these services. The School may obtain independent evaluations of students at the School's expense. These evaluations may be considered in determining eligibility but will not necessarily substitute for an evaluation conducted by the Sponsor's district personnel in a manner and timeframe consistent with that of all other schools in the district. The Sponsor will monitor the School for ESE compliance with applicable federal, state and local policies and procedures.

Section 4.H.3: **The School's Responsibilities:** The School shall make a continuum of alternative placements available to students with disabilities. Students with disabilities enrolled in the School shall be provided, at the School's expense, with programs implemented in accordance with federal, state and local policies and procedures, (or other State approved procedures) and, specifically, the Individuals with Disabilities Education Improvement Act (IDEIA), Section 504 of the Rehabilitation Act of 1973, 1000.05, 1003.57, 1001.42(4)(1), and 1002.33, Florida Statutes, Chapter 6A-6 of the State Board of Education Administrative Rule and Sponsor's Special Policies and Procedures for Exceptional Students. The School will be responsible, at its expense, for the delivery of all educational and related services indicated on the student's Individual Education Plan (IEP). Related services (e.g., speech/language therapy, occupational therapy, physical therapy, and counseling) must be provided by the School's staff or paid for by the School through a separate contract. Gifted students shall be provided with programs implemented in accordance with state and local policies and procedures, federal and state laws, and Chapter 6A-6 of the Administrative Rules adopted by the Florida Board of Education. The School will be responsible for the delivery of all educational services indicated on a student's educational plan.

Section 4.H.3.a: **IEP Meetings.** The School will develop an Individual Education Plan (IEP) and conduct an IEP meeting with the student's family for each exceptional student enrolled in the School. The School will utilize all of the Sponsor's forms and procedures related to ESE eligibility, IEP and placement process procedures. The School will invite the Sponsor to participate in all IEP meetings (including initial staffing and annual IEP review meetings) at the School and will provide the Sponsor at least two (2) weeks prior notice of such meetings accompanied by a copy of the Parent Participation Form, by mail or given in person. If it is determined by an IEP committee that the needs of a student with disabilities cannot be met at the School, the School and Sponsor will take steps to secure another placement for the student in accordance with federal and state mandates. The School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. The School's staff will work closely and as early as possible in the planning/development stages, with Sponsor staff to discuss the services needed by the School's students with disabilities.

Section 4.H.3.b: **Least Restrictive Environment:** Except as otherwise provided by the provisions of Section 2.E contained hereinabove, students with disabilities enrolled in the School will be educated in the least restrictive environment and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. As it is the School's goal to place students in an environment where they can best flourish, those students

whose needs cannot be adequately addressed at the School will be appropriately referred; and the School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. However, it is the School's obligation, and not that of the Sponsor or student's boundaried school, to provide all appropriate services to ESE students.

Section 4.H.3.c: **Procedural Measures:** As early as possible in the planning/development stages, the School's staff will work closely with the Sponsor's staff to discuss the needed services (including all related services and programs) of the School's students with disabilities. Parents of students with disabilities will be afforded procedural safeguards in their native language, which safeguards will include the areas of notice and consent, independent educational evaluations, confidentiality of student records, due process hearings, and surrogate parents.

Section 4.H.3.d: **Federal and State Reports:** Unless otherwise exempted by Chapter 1002, Florida Statutes, the School will complete federal, state and any other reports deemed necessary in accordance with the time-lines and specifications of the Sponsor and the State Department of Education.

Section 4.H.3.e: **504 Students:** The School will provide reasonable accommodations to students with a physical or mental impairment which substantially limits a major life activity, if and to the extent required to enable such students to have an opportunity to be successful in their educational program equal to that of their non-disabled peers. The School shall prepare a 504 Accommodation Plan for all such students who do not have an IEP, in accordance with Section 504 of the Rehabilitation Act and its implementing regulations.

Section 4.H.4: **Due Process Hearings:** The School shall be liable to Sponsor for all damages, attorney's fees and costs awarded against the Sponsor relating to an alleged violation by the School of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 and School shall be liable for all attorney's fees and costs incurred by the Sponsor in its defense of any claims. The School shall not be obligated to Sponsor under this subsection for any damages, attorney's fees and costs awarded in favor of a student with disabilities due to Sponsor's violation of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 or for any costs and attorney's fees incurred by Sponsor in defending a claim that resulted in such an award. All expenses, cost and attorney's fees owed to the Sponsor based on this Section shall be reimbursed by the School within thirty (30) days of the submission of a written invoice to School by the Sponsor.

Section 4.H.5: **English Language Learners:** Students enrolled at the School who are identified as limited English proficient, will be provided with primary instruction in English by personnel who will follow the Sponsor's District Plan for English Language Learners and who either (a) hold a currently-valid State of Florida educator's certificate showing the ESOL subject area or the ESOL endorsement or (b) hold a currently-valid State of

Florida educator's certificate in another area of certification, have been approved by the School's Board of Directors to teach in this capacity, and who complete the required in-service training in ESOL in the prescribed time frame per the State Department of Education rules and regulations provided by the school district in compliance with the *LULAC, et al. v. State Board of Education* Consent Decree. The School will meet all the requirements of the Consent Decree entered in *LULAC, et al. v. State Board of Education* and related rules of the State Board of Education in Chapter 6A-6. The School will comply with the Sponsor's current ELL plan, as approved by the State Board of Education, including the utilization of all forms and documents in—both the Sponsor's current ELL plan, which may be amended from time to time, as well as any district department handbooks, manuals and guidelines used for the process of identifying and classifying ELL students and for the provision of implementation of ESOL services to meet the needs of English Language Learners (ELLs).

Section 4.I: **Dismissal Policies and Procedures:** The School agrees to dismiss students as described in Sponsor's School Board Policy, within this Charter, and in the appropriate Section of the School's Application (**Appendix 1**). The School agrees to maintain a safe learning environment at all times. The School shall comply with Florida state law and will adopt and follow the Sponsor's Code of Student Conduct, as may be modified by the Sponsor from time to time, for the School's students of the same grades promulgated by Sponsor. Any policies developed by the School to implement the Code of Student Conduct shall be in accordance with the Florida State Board of Administration Rules, federal and state laws and regulations, and federal and state court decisions. The School's board of directors, in coordination with the Principal, shall recommend expulsions to the Sponsor. However, the Sponsor has the ultimate authority in cases of student expulsion. If the School is considering removal of a student from attendance, the School will inform the Sponsor of its intention and share information concerning the basis for considering removal. If the student's actions lead to recommendation for assignment to an alternative school or expulsion from the Sponsor's district, the School will cooperate in providing information and testimony needed in any legal proceeding. Students will be assigned to an alternative school only through the process established by the Sponsor's Board Policy, and will be expelled from the Sponsor's district only if approved by the Sponsor's School Board. Students with disabilities will be disciplined only in accordance with requirements of the Individuals with Disabilities Education Improvement Act and Rehabilitation Act and the Sponsor's Exceptional Student Education Policies and Procedures (SP&P). If a student has been recommended for expulsion for commission of an expellable act as defined by the Sponsor's policy and the student is withdrawn from the School by a parent/guardian, the student may be denied enrollment in a district school by Sponsor or may be assigned to an appropriate expulsion abeyance program in accordance with Sponsor's policies. The School may not withdraw or transfer a student involuntarily unless the withdrawal or transfer is accomplished through established procedures mutually agreed upon in this Charter or through the Sponsor's applicable policies for student withdrawal.

Section 4.I.1: **Corporal Punishment:** The School agrees that it will not engage in the corporal punishment of its students.

Section 4.J: **Extracurricular Student Activities:** Students at the School shall be eligible for participation in extracurricular activities and athletic opportunities at the School in the same manner as other schools in the school district to the extent such programs or sports are

offered. Nothing herein prohibits the School from imposing stricter requirements for participation in extracurricular activities. Students at the School will be eligible to participate in interscholastic extracurricular activity at the district school to which the student would be assigned according to Sponsor's policies and the rules of the Florida High School Athletic Association (FHSAA), unless such activity is provided at the School, so long as the School student meets the requirements of 1006.15, Florida Statutes. All such students will be assigned to a district school for extracurricular activities through the Sponsor's student assignment office. The Sponsor agrees to support the School in its efforts to recognize student accomplishments. Such support shall include, but not be limited to, district competitions, district recognition programs and district scholarship programs. If there are any costs not paid for or reimbursed by the State, then the School shall pay its pro rata share of the costs of such recognition programs.

Section 4.K: **Enrollment - Health, Safety & Welfare:** Enrollment at the school is subject to compliance with the provisions of Section 1002.33, Florida Statutes, concerning school entry health examinations and immunizations. The school agrees to comply with the Federal Gun Free Schools Act of 1994 and any other applicable state and/or federal law pertaining to the health, safety and welfare of students.

ARTICLE 5: FINANCIAL ACCOUNTABILITY

Section 5.A: **Revenue - Basis for Student Funding:** The Sponsor agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a school in the Sponsor's district. The basis for the funding shall be the sum of the Sponsor's operating funds from the Florida Education Finance Program (FEFP) as provided in Section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the Sponsor's district current operating discretionary millage funds, divided by the total funded weighted full-time equivalent students (WFTE) in the Sponsor's district, multiplied by the WFTE of the School, less the statutory five percent administrative fee. The School shall receive one hundred percent (100%) of the Merit Award Program funds awarded to the School pursuant to Section 1012.225, Florida Statutes.

Section 5.A.1: **Student Reporting:** The School agrees to report to the Sponsor its student enrollment as provided in Section 1011.62, Florida Statutes, and, in accordance with the definitions contained in Section 1011.61, Florida Statutes, at the agreed-upon intervals and using the method used by the Sponsor's district when recording and reporting cost data by program. The Sponsor agrees to include the School's enrollment in the Sponsor's district report of student enrollment. In addition, for each year of the term of this charter, the School will submit the projected full-time equivalent student membership of the School to the Sponsor by the day required by the Sponsor in April prior to the new school year. The Sponsor will also provide training for the School's personnel in the use of designated district applications necessary to respond to the legislative requirements of Section 1008.345, Florida Statutes, including the annual report and the state required assessment program.

Section 5.A.1.a: **Retention of Attendance Records:** The School will retain the records documenting students' attendance, absences, and tardiness as required by applicable laws. These documents may include, but not limited to, teachers' daily attendance records, the absentee record, documentation of any changes to the absentee record, absentee slips, and any

electronic absentee records. These records should be retained in accordance with the retention schedule published by Florida Department of State, Division of Library and Information Services, “General Records Schedule GS7 For Public Schools, Pre-K-12 and Adult and Career Education”.

Section 5.A.2: **Distribution of Funds Schedule:** The Sponsor shall disperse the funds specified in this Article to the School in a timely and efficient manner. Timely distribution of funds to the School shall begin in July (insert year) on a monthly basis. Until the Sponsor has conducted an official enrollment count, the monthly payments will be based on the School’s prior year FTE student membership. Thereafter, the results of student enrollment counts and FTE membership surveys will be used in adjusting the amount of funds distributed monthly to the School for the remainder of the fiscal year. The Sponsor shall pay the School one-twelfth of the available funds less administrative fee as defined in Section 1002.33(20)(a), Florida Statutes within ten (10) working days of receipt by the Sponsor of a distribution of State or local funds. If payment is not made within ten (10) working days after receipt of funding by the Sponsor, the Sponsor shall pay to the School, in addition to the amount of the scheduled disbursement, interest at the rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration for the ten (10) day period until such time as the payment is made.

Section 5.A.2.a: **Disbursement at Start of New Charter School** Pursuant to Section 1002.33(17), Florida Statutes: “For the first 2 years of a charter school’s operation, if a minimum of 75 percent of the projected enrollment is entered into the sponsor’s student information system by the first day of the current month, the district school board shall distribute funds to the school for the months of July through October based on the projected full-time equivalent student membership of the charter school as submitted in the approved application. If less than 75 percent of the projected enrollment is entered into the sponsor’s student information system by the first day of the current month, the sponsor shall base payments on the actual number of student enrollment entered into the sponsor’s student information system. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year.” In no event shall monthly payments begin until the School has secured at least temporary facility approval from the appropriate licensing authority and has presented the same to the Sponsor. The Sponsor will determine the School’s actual state fundable FTE using Florida Department of Education FTE reports and will make monthly payments to the School based on those reports and the most recent calculation of FTEP revenue, less payments received, less the district administrative fee, with the balance due divided by the remaining months in the fiscal year. Payment shall be on a monthly basis.

Section 5.A.3: **Adjustments:** Total funding for the School shall be recalculated during the year to reflect the revised calculations under the FTEP by the State and the *actual* unweighted and weighted FTE students reported by the School during the full-time equivalent survey periods designated by the Commissioner of Education. If the School submits data relevant to FTE funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State arising as a result of any errors or omissions for which the School is responsible. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same. Should the Sponsor receive notice of an FTE funding adjustment which is attributable to error, misreporting or substantial noncompliance by the charter school, the sponsor shall deduct the

The Ben Gamla Preparatory Academy #5182

amount of such adjustment from the charter school's FTE funding until the total amount of the FTE funding adjustment is recovered by the Sponsor. Such adjustment shall not exceed the fiscal year.

Section 5.A.4: **Millage Levy:** In accordance with the provisions of Section 1002.33(9)(1), Florida Statutes, the School agrees that it shall not levy taxes or issue bonds secured by tax revenues. However, nothing in this provision shall preclude a municipality from levying municipal taxes during a period in which the municipality is operating a charter school.

Section 5.A.5: **Holdback/Proration:** In the event of a state holdback or a proration which reduces funding, the School's funding will be reduced proportionately. In the event that the Sponsor's district exceeds the state cap for WFTE for any expenditure category of programs established by the Legislature, resulting in unfunded WFTE for the Sponsor's district, then the School's funding shall be reduced to reflect its proportional share of any unfunded WFTE and the School's funding will be reduced to reflect its proportionate share of any unfunded WFTE. In addition, should the Sponsor receive notice of an FTE funding adjustment which is attributable to error or substantial noncompliance by the School, the Sponsor shall deduct such assessed amount from the next available payment otherwise due the School. In the event that the assessment is charged near the end of or after the term of this Charter where no further payments are due the School, the Sponsor shall provide prompt notice to the School which shall refund the Sponsor the amount of the assessment within thirty (30) calendar days. The School will be responsible for an additional fee of one percent (1%) per month on the unpaid balance after thirty (30) days from the date of notice of such assessment.

Section 5.A.5.a: **Payment Withholding:** Distributions of FTE funds may be withheld without penalty of interest, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) calendar days overdue:

- i. the School's monthly or quarterly financial statements, or
- ii. the School's annual financial audit.

The Sponsor shall release, in full, any funds withheld under this provision within 10 (ten) calendar days of receipt of the documents whose absence resulted in the withholding of funds.

Section 5.A.6: **Categorical Funding:** If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of the categorical program funds included in the total funds available in the FEFP by the Legislature, including transportation, the research-based reading allocation, less the administrative fee permitted under Section 1002.33(20)(a), Florida Statutes. The School shall provide the Sponsor with documentation that categorical funds received by the School were expended for purposes for which the categoricals were established by the Florida Legislature. The School shall reimburse the Sponsor for any impermissible expenditure, as established by State criteria, within thirty (30) days of notice of such expenditures.

Section 5.A.7: **Federal Funding:** In any programs or services provided by the Sponsor which are funded by federal funds and for which federal funds follow the eligible

student, the Sponsor agrees, upon adequate documentation that verifies student eligibility (e.g. approved free-and-reduced price meal applications) from the School, to provide the School with equivalent federal funds per eligible student if the same level of service is provided by the School, provided that no federal law or regulation prohibits this transfer of funds.

Section 5.A.7.a: **Title I:** Pursuant to provisions of 20 U.S.C. 8061 Section 10306, the Sponsor will always provide all federal funding for which the School is otherwise eligible, including Title I funding, not later than five (5) months after the School first opens or after a subsequent expansion of enrollment. Any Title I funds allocated to the School must be used to supplement the reading/language arts and mathematics services for eligible students participating in the Title I program and shall be spent in accordance with federal regulations. These students will be identified utilizing the Survey 3 conducted annually during the prior fiscal year. Any capital outlay item purchased with Title I funds must be identified and labeled for Title I property audits. Any equipment purchased with Title I funds, which is classified as Capitalized Audio Visual or Equipment, remains the property of Title I, and must be identified and labeled for Title I property audits. If the School accepts Title I funds, at least one percent (1%) the Title I funds budget must be spent in support of parental involvement activities. The School will ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The district and regional Title I staff will provide technical assistance and support in order to ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The Sponsor agrees to timely notify the School of all dates and other information regarding reporting of student data, calendar of district in-service opportunities, and other dates and information pertinent to the School's compliance with this Charter.

Section 5.A.7.b: **IDEA:** The IDEA portion of the IDEA appropriation will remain with the Sponsor to provide training as required by IDEA guidelines. The School may participate in IDEA training offered by the Sponsor at no cost. The Sponsor agrees to timely notify the School of all dates and other information regarding reporting of student data, calendar of district in-service opportunities, and other dates and information pertinent to the School's compliance with this Charter.

Section 5.A.8.c: **Federal or Other Grants:** The Sponsor agrees to support the School in its efforts to secure grants by timely processing and submitting all documentation prepared by the School and necessary for the Schools competition for grants and other monetary awards, including but not limited to Federal Start-up Grant and Dissemination Grant. When the funding source requires that the Sponsor serve as the fiscal agent for a grant, the School shall, prior to generating any paperwork to the funding agency, notify the Sponsor in writing of its intent to submit a grant application and attach grant application guidelines. If the Sponsor develops a district-wide grant, the School may be included in the district proposal, if mutually agreed to by the School and the Sponsor. The Sponsor shall not agree to such participation unless the School specifically agrees to all terms, conditions, and requirements of the grant. If the School fails in any material respect to comply with said terms, conditions, and requirements, the School shall be solely responsible and liable for any consequences. When a charter school elects to participate in a district-wide grant prepared by the Sponsor's staff or when grant proposals are developed by district staff using student or School counts that include the

students of the School, dollars and/or services distributed via grant funds will be provided to charter schools in the same manner as traditional public schools.

Section 5.A.9: **Other Funding Sources:** The Charter School may secure funding from private foundations, corporations, businesses and/or individuals.

Section 5.A.10: **Charter School Capital Outlay Funds:** Section 1013.62, Florida Statutes, provides procedures and guidance for the distribution of capital outlay funds appropriated to Florida's public charter schools. Capital Outlay plans must be submitted to the FLDOE in the format and manner prescribed by the state. The Sponsor will review and verify the information uploaded to the FLDOE. The state determines approval of the School's Capital Outlay Plan. Each Capital Outlay plan must contain a written list specifically enumerating the proposed capital expenditures. Sales contracts, construction contracts, purchase orders, leases, lease-purchase agreements, rental agreements or bills of sale will be accepted by the Sponsor to document the School's expenditure of capital outlay funds. A copy of the previous year's annual audited financials must be submitted with a Capital Outlay plan as well as any other supporting documentation that verifies that the charter school qualifies for capital outlay funds. Conversion charter schools are ineligible for capital outlay funding allocations. After the Sponsor's certification of a Capital Outlay plan submitted by the School, the Sponsor shall deliver any public capital outlay funds [hereafter "CO Funds"] that are allocated and prorated to the School by the Commissioner of Education within ten (10) days of the delivery of such funds to the Sponsor by the Commissioner of Education. The property and/or improvements purchased by the School using the CO Funds and any unencumbered CO Funds shall be subject to reversion to the Sponsor pursuant to Sections 1002.33(8)(e) and 1013.62(3), Florida Statutes, and shall automatically revert to full ownership by Sponsor, subject to complete satisfaction of any other lawful liens and encumbrances, upon: (a) the termination or non-renewal of this Charter, or (b) the material breach of this Charter by the School. Any property and improvements, furnishings and equipment purchased without CO Funds or public funds for the School which have not been reimbursed by CO Funds or public funds shall be property of the School should the Charter terminate or not be renewed. However, ownership of an asset shall revert to the Sponsor in the event of termination or non-renewal of this Charter if the School's accounting records fail to clearly establish whether a particular asset was purchased with CO Funds or public funds or from another funding source. Except as otherwise provided herein and except for any interest conferred upon the Sponsor by applicable law or this Charter and except for other lawful liens or encumbrances, the School shall not rent, hire, or lend any of the property and/or improvements purchased with CO Funds. The Sponsor acknowledges that the facilities leased with CO Funds may be leased by the School for community and educational services for use when School is not in session. If the School leases such facilities to third persons as provided herein, any funds paid pursuant to such lease shall be the property of the School. The parties agree that a failure to satisfy the obligations imposed by this section shall constitute a material breach of this Charter and good cause for its termination. The School shall provide Sponsor's Accounting Department copies of invoices for the property and/or improvements purchased with CO Funds. The School shall provide Sponsor's Accounting Department lists of any property and/or improvements purchased with CO Funds that the School may subsequently propose to dispose of as surplus property. The property and/or improvements purchased by the School using CO Funds shall not be sold, transferred or encumbered, other than as provided herein, or disposed of by the School without obtaining the prior written consent of the Sponsor.

Section 5.A.11: **Information:** The Sponsor shall be entitled to inspection of the School's financial and pupil records upon request and reasonable notice. The School agrees that it will submit in a timely manner to the Sponsor all information pertaining to the charter school that is necessary for Sponsor to comply with Section 1010.20, Florida Statutes.

Section 5.A.12: **General Fixed Assets and Tangible Personal Property:** The School shall comply with all the requirements set forth in Florida Statutes and in the Florida Commissioner of Education's publication entitled *Financial and Program Cost Accounting and Reporting for Florida Schools* pertaining to general fixed assets and tangible personal property.

Section 5.A.13: **Access to Inventory:** The School agrees to allow the Sponsor reasonable access and the opportunity to review the inventory of public assets and records of such inventory. The inventory records should include; at minimum, the date of purchase, description of purchase, serial number of asset, cost of asset, funding source and current location of item.

Section 5.B: **Sponsor Administrative Fee:** The administrative fee calculated by the Sponsor shall be as defined in Section 1002.33(20)(a), Florida Statutes, not including capital outlay funds, federal and state grants, or any other funds, unless explicitly provided by law. The Sponsor shall not withhold an administrative fee from federal or state grants unless explicitly authorized by law. Funds from the reimbursement of any portion of the administrative fee to the school shall be used only for capital outlay purposes as specified in Section 1013.62(2), Florida Statutes. The Sponsor shall not withhold an administrative fee from capital outlay funds unless explicitly authorized by Florida law. The Sponsor shall provide those administrative and educational services specified in Section 1002.33(20)(a), Florida Statutes, to the School at no additional fee. These services shall include contract management services, FTE and data reporting, exceptional student education administration services, services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the School, are provided by the school district at the request of the School; test administration services, including payment of the costs of state-required or district required student assessments; processing of teacher certificate data services, and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located as provided in Section 1002.33(20)(a), Florida Statutes. Access by the School to other services not required in Section 1002.33(20)(a), Florida Statutes, but available through the Sponsor, may be negotiated separately by the parties. Services requiring separately negotiated contract with Sponsor are unique to each charter and must be negotiated between the School and the Sponsor. Charges for such services under those contracts will be assessed upon reasonable notice at the following rate:

Hourly rate + proportional benefits of the Sponsor's personnel performing the service, times the number of actual hours beyond services that are regularly regarded as district level administrative services.

The Sponsor will invoice the School monthly for these services. The School shall issue payment no later than thirty (30) working days after receipt of an invoice. If a warrant for payment of an invoice is not issued within thirty (30) working days after receipt by the School, the School shall

The Ben Gamla Preparatory Academy #5182

pay to the Sponsor, in addition to the amount of the invoice, interest at a rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration of the thirty (30) day period until such time as the warrant is issued.

Section 5.C: **Restriction on Charging Tuition:** In accordance with the provisions of Section 1002.33(9)(d), Florida Statutes, the School agrees that it shall not charge any tuition or fees to students enrolled in an FEFP funded program in any grade through Grade 12.

Section 5.D: **Allowable Student Fees:** The School further agrees that it shall not charge fees except for those fees normally charged by other public schools.

Section 5.E: **Annual Budget:** The School shall provide the Sponsor with annual preliminary and official budgets in the format prescribed by the Sponsor. The budgets must include a revenue projection sheet, a detailed budget worksheet, and a summary budget.

Section 5.E.1: **Governing Board Approval Required:** Pursuant to Section 1002.33(9)(h), Florida Statutes, the School's Governing Board shall annually adopt and maintain an operating budget.

Section 5.E.2: **Date to Submit Budget to Sponsor:** During each year of this Charter, the tentative budget must be submitted to the School's Governing Board during the preceding school year. The official approved budget is to be submitted to the Sponsor by July.

Section 5.E.3: **Amended Budget:** In the event that the School's Governing Board approves an amended budget, a copy of the amended budget shall be provided to the Sponsor within ten (10) days of its approval by the School's Governing Board.

Section 5.F: **Financial Records, Reports and Monitoring:** The School shall utilize the standard state codification of accounts as contained in the most recent issue of the publication titled "Financial and Program Cost Accounting and Reporting for Florida Schools" (the "Red Book") as a means of codifying all transactions pertaining to its operations.

Section 5.F.1: **Access to Financial Records:** Upon reasonable request, the School will provide access to inspect and copy any and all financial records and supporting documentation including, but not limited to, the following items: monthly financial reports, cash receipts journals, cash disbursement journals, bank reconciliations, payroll records, general ledger account summaries and adjusting journal entries.

Section 5.F.2: **Fiscal Monitoring:** The parties agree that the Sponsor, upon ten (10) business days' notice, may make reasonable requests and the School shall provide, documents, including releases, on the School's financial operations beyond the monthly reports required by this Charter. Such reports shall be in addition to those required elsewhere in this Charter and be signed and approved by the chair of the School's Governing Board.

Section 5.G: **Maintenance of Funds:** Federal, state, and local funds shall be maintained by the School according to existing federal and state mandates and practices including, without limitation, any FEFP Guidelines pursuant to Section 1011.62, Florida Statutes. Separate

funds and bank accounts shall be maintained where required for federal funds and state and local funds.

Section 5.H: **Monthly Financial Reports:** Pursuant to Section 1002.33(5)(b)(1)(b), Florida Statutes, the School shall provide monthly financial reports to the Sponsor in the format as prescribed by the Sponsor, to be delivered to the Sponsor no later than the 25th day of the following month. Section 1002.33(5)(c) and (d), Florida Statutes, require the Sponsor to monitor the progress of the School towards meeting the goals established in the Charter and to monitor the revenues and expenditures of the School. The School shall provide a monthly financial statement to the Sponsor. The monthly financial statement shall be in a form and contain data as prescribed by the Department of Education as amended from time to time. The monthly financial statements shall be prepared in accordance with generally accepted accounting principles (GAAP) in the same manner as the School's annual financial reports, and presented along with the function/object dimensions prescribed in the Florida Department of Education publication titled *Financial and Program Cost Accounting and Reporting for Florida Schools*, the "Red Book." At the discretion of the charter school's governing board, a charter school may elect to follow generally accepted accounting standards for not-for-profit organizations. The monthly reports shall include a Balance Sheet, Statement of Revenue, Expenditures and Fund Balance, and Budget to Actual Report. The monthly financial reports shall specifically include, but not be limited to, an accounting of all public funds received and an inventory of the School's property purchased with such public funds as required by Sections 1002.33(9)(g), 274.02(1), and 69I-73.002, Florida Statutes, or successor statutes and rules. These monthly financial reports shall be cumulative. The statements shall have individual designations for each fund, including:

- Section 5.H.1: assets, liabilities, and fund balances for each fund type;
- Section 5.H.2: the original budget as approved by the School's Governing Board;
