Introduction

Responsible: Procurement & Warehousing Services (PWS)

This request is to approve the First Amendment to the Dual Enrollment Agreement between The District Board of Trustees of Broward College, Florida, and The School Board of Broward County, Florida (SBBC). The Agreement was approved at the Regular School Board Meeting on August 20, 2019, under item EE-2, starting August 20, 2019 through July 31, 2021, with an approved spending authority of \$7,778,000. Dual enrollment is an acceleration program that allows students in grades 6-12 to take postsecondary coursework and simultaneously earn credit toward a high school diploma, a career certificate, an industry certification, or an associate or baccalaureate degree at a Florida public or eligible private postsecondary institution.

The purpose of this Amendment is to include provisions based on the Florida Department of Education (FLDOE) Emergency order.

There is no additional financial impact to the District with this Amendment.

Goods/Services Description

Responsible: Secondary Learning

The Dual Enrollment Articulation Agreement between Broward College and SBBC will provide the opportunity to shorten the time necessary for eligible college-ready students to complete the requirements needed to obtain a degree or certificate. This Amendment to the Dual Enrollment Articulation Agreement between Broward College and SBBC will meet the provisions of the FLDOE Emergency order, 2020-EO-2, dated May 13, 2020. This Emergency order mandated that the PERT, SAT, ACCUPLACER, and ACT could not be used to determine initial Dual Enrollment eligibility. The Emergency order also mandated that Florida College System schools, in collaboration with their local school district, establish alternative eligibility requirements, which are detailed in this amendment.
