Project Description	To provide educational & transition services for pre-adjudicated, adjudicated and delinquent youth in residential treatment programs, conditional release programs, detention centers, day treatment programs and intervention/prevention programs. The Department of Equity and Diversity is responsible for educational and administrative support services for juveniles who are under the supervision of the Florida Department of Juvenile Justice.
Evaluation Plan	Evaluation Plan SBBC will annually assess student achievement using district approved assessments such as the Florida Standards Assessment (FSA), End of Course Exam (EOC), Standard High School Diplomas, and High School Equivalency Diplomas as established by the Florida Department of Education. From the 2018/2019 Title 1 Mid-Year Report: 9 High School Diplomas awarded, 10 High School Equivalency Diplomas (GED) awarded, 15 students enrolled/accepted in post-secondary education, and 46 students obtained employment.
Research Methodology	Research Methodology Florida State Statutes 1003.27 and 1003.51 support the rationale of this program, which mandate that the Department of Juvenile Justice and local school district collaborate to provide a free and public education to all youth in juvenile justice settings.
