# Teacher Interest in BESTinBCPS

This form serves to allow teachers to express interest in participating in BCPS efforts to adjust policies, procedures and practices as a consequence of the State of Florida moving from "Florida Standards" to "Benchmarks in Excellent Student Thinking (BEST) Standards". The transition to BEST Standards will begin in Spring 2020 and be complete by August 2022. There will need to be revisions in curriculum, adoption of new instructional materials in ELA (2021) and math (2022), changes in student graduation requirements, and other related changes.

BCPS needs teacher participation in these processes to ensure a smooth transition and an outcome that best serves teachers and students in the learning process. Processes for providing stipends for the work streams are under development and further information is forthcoming. The opportunity to join discussions on this work exists in the BCPS Yammer group BESTinBCPS which is accessible from Office365 from your launch page. Additionally, Yammer groups exist for many grade levels and subject areas which you are encouraged to participate in for professional peer dialogue.

Apps

Your interest and contact information will be forwarded to the appropriate Office of Academics Director to initialize your formal engagement in BESTinBCPS processes. Please address any questions beyond the scope of this survey to the Office of the Chief Academic Officer at [CAO@BrowardSchools.com](mailto:CAO@BrowardSchools.com) (<mailto:CAO@BrowardSchools.com>). Thank you in advance for your contributions.
