Goods/Services Description

Responsible: Special Investigative Unit (SIU)

The SRO Program is a joint venture between The School Board of Broward County, Florida (SBBC), and the Town of Davie law enforcement agency in Broward County. The SRO Program serves to enhance the relationship between law enforcement and the students of Broward County Public Schools by assigning law enforcement officers to serve as resource officers at schools. The SRO performs multiple duties within a school including, without limitation to:

- the performance of law enforcement functions within the school setting;
- the provision of assistance to SBBC in protecting and securing the school plant and its occupants;
- the enhancement of student knowledge of the law enforcement function and the fundamental concept and structure of law;
- the development of positive student concepts of the law enforcement community and promotion of positive interaction and enhanced relations between students and law enforcement officers;
- the provision of assistance and support for crime victims (including victims of abuse) identified within the school setting;
- the presentation of educational programs concerning crime prevention and the rights, obligations, and responsibilities of students as citizens;
- the SRO shall participate as a Behavioral Threat Assessment Team Member at a behavioral threat assessment meeting located at the respective Participating School. As a Behavioral Threat Assessment Team Member, the SRO may assist the school in gathering information, evaluating facts, and helping to make institutional determinations, such as whether a health or safety emergency exists, and how the school should respond.

The SRO Program is a great benefit to the School Administration, the Student Body, and the Community as a whole and desire to enter into this School Resource Officer Agreement (hereafter referred to as "Agreement") to accomplish the purposes expressed.

Procurement Method

Responsible: PWS
