

**Recommendation to Reject All Bids
FY20-136 – Mail Processing Equipment & Supplies
January 14, 2020 Board Agenda**

There was no previous awarded Invitation to Bid (ITB) for these services but a piggyback to the Florida State Contract # 44102100-17-1. The one (1) vendor that submitted a bid did not commit to the District's terms and conditions but committed to the terms and conditions of the State contract. Pursuant to Section 3, General Condition 6 of ITB FY20-136: "In the best interest of The School Board of Broward County, Florida (SBBC), SBBC reserves the right to: ... 2) to reject any or all bids received when there are sound documented business reasons that serve the best interests of SBBC". The bidder was considered non-responsive.

After this rejection, Procurement & Warehousing Services will proceed with a new piggyback to the State contract for two (2) years, aligning the expiration date of such contract.
