## Instructional Materials Adoption Process

1. Use a review tool that prioritizes content and standards-alignment.
2. Provide a rigorous and transparent reviewer selection process.
3. Train reviewers to have a top-of-the-class grasp of the instructional shifts and how to apply the tool to materials.
4. Inform stakeholders about our process and the rationale behind our decisions.
5. Manage publishers to emphasize the District's commitment to high quality content, standards alignment, and meeting IT technical requirements.
