The foregoing obligations and responsibilities of PLANT4 shall survive the expiration or earlier termination of this Agreement.

SBBC reserves the right, through its representatives, to eject any objectionable person or persons from SBBC property including, without limitation, the Leased Land, and in the event of the exercise of this authority by SBBC through its representatives, agents or through law enforcement personnel, PLANT4 hereby waives any right and all claims for damages against SBBC or any of its representatives or agents.

2.05 SBBC's Default. SBBC shall in no event be charged with default in the performance of any of its obligations under this Agreement unless and until SBBC shall have failed to perform such obligations within thirty (30) calendar days (or within such additional time as is reasonably required to remedy any such default) after written notice to SBBC by PLANT4 properly specifying and detailing the particulars of wherein and whereby PLANT4 claims SBBC has failed to perform such obligations. No default by SBBC under this Agreement shall give PLANT4 the right to terminate this Agreement or withhold or otherwise abate any sums payable or services deliverable to SBBC by PLANT4 under this Agreement.

2.06 PLANT4's Default. PLANT4 shall be in default of its obligations hereunder in the event that any of the following occurs:

The exercise by SBBC of this right shall not be deemed to preclude the exercise of any others herein listed or otherwise provided by statute or general law at the same time or in subsequent times or actions. No re-entry or retaking possession of the Leased Land by SBBC shall be construed as an election on its part to terminate this Agreement, unless a written notice of such intention be given to PLANT4, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any monies due to SBBC hereunder or of any damages accruing to SBBC by reason of the violations of any of the terms, provisions, and covenants herein contained. SBBC's acceptance of any monies following any event of default hereunder shall not be construed as SBBC's waiver of such event of default. No forbearance by SBBC of action upon any violation or breach of any of the terms, provisions, and covenants herein contained shall

SBBC has delivered a copy of this Agreement to PLANT4 for PLANT4's review only and the delivery hereof does not constitute an offer to PLANT4 or an option to lease or a reservation of or option for the Leased Land, and this Agreement shall become effective only when a copy executed by both SBBC and PLANT4 is delivered to and accepted by SBBC.

2.08 Construction Liens.

2.08.1 PLANT4 is prohibited from making, and agrees not to make, alterations upon the Leased Land, except as permitted by the approved site plan, and PLANT4 will not permit any construction lien or liens to be placed upon the Leased Land or improvements thereon during the term hereof or any renewal term thereafter, caused by or resulting from any work performed, materials furnished or obligation incurred by or at the request of PLANT4, and in the case of the filing of any such lien PLANT4 will promptly pay the same. PLANT4 shall and does hereby have an affirmative obligation to notify its agents, employees, principals, assigns, subtenants and invitees of the contents of such School Board Policies and of this Agreement and to assure their compliance therewith, and PLANT4's indemnification to SBBC under Section 3.24 hereof includes, without limitation, PLANT4's indemnity to SBBC for any claims, losses or damages resulting from PLANT4's breach or the breach by its agents, employees, principals, assigns, subtenants and invitees of School Board Policies.

2.10 Damage by Fire or the Elements.

2.10.1 In the event that the Leased Land should be totally destroyed by fire, hurricane, tornado or other casualty, or in the event the Leased Land should be so damaged that rebuilding or repairs cannot be completed within two hundred seventy (270) calendar days after the date of such damage, either SBBC or PLANT4 may, at its option, by written notice to the other given not more than thirty (30) calendar days after the date of such fire or other casualty, terminate this portion of this Agreement. In such event, the sums payable under this Agreement shall be abated during the unexpired portion of this Agreement effective with the date of such fire or other casualty.

2.10.2 In the event the Leased Land should be damaged by fire, hurricane, tornado, or other casualty covered by PLANT4's insurance but only to such extent that rebuilding or repairs can be completed within two hundred seventy (270) calendar days after the date of such damage, or if the damage should be more serious but neither SBBC nor PLANT4 elects to terminate this Agreement, then PLANT4 shall, within thirty (30) calendar days after the date of such damage or such election, commence to rebuild or repair the Leased Land and shall proceed with reasonable diligence to restore the Leased Land to substantially the same condition in which it was immediately prior to the happening of the casualty. SBBC shall, unless such damage is the result of the negligence or willful misconduct of PLANT4 or PLANT4's employees, agents, principals, contractors, consultants, assigns, subtenants or invitees, allow PLANT4 a fair diminution of any sums payable to SBBC under this Agreement during the time of such rebuilding or repairs. Any insurance which may be carried by SBBC or PLANT4 against loss or damage to the Leased Land shall be for the sole benefit of the party carrying such insurance and under its sole control.

2.11 Return of SBBC Properties. Upon the termination or expiration of this Agreement and prior to vacating from the Leased Land, PLANT4 shall return to the School Site Principal, all SBBC property or properties in his/her possession including but not limited to keys to the School Site's gate/fence. PLANT4 admits and agrees that should it fail to return SBBC property or properties in its possession including, but not limited to, the aforementioned keys, then PLANT4 shall be responsible and shall pay for the replacement of the property or properties and shall pay to have the lock(s) on the appropriate facility door(s), gate(s), box(es), etc. changed.

2.12 Inspection of PLANT4 Records by SBBC. PLANT4 shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All PLANT4 Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze and verify any and all invoices, billings, payments and/or claims submitted by PLANT4 or any of PLANT4 payees pursuant to this Agreement. PLANT4 Records subject to examination shall include, without limitation, those records necessary to evaluate and verify direct and indirect costs (including overhead allocations) as they may apply to costs associated with this Agreement. PLANT4 Records subject to this section shall include any and all documents pertinent to the evaluation, analysis, verification and reconciliation of any and all expenditures under this Agreement without regard to funding sources.

(a) PLANT4 Records Defined. For the purposes of this Agreement, the term "PLANT4 Records" shall include, without limitation, accounting records, payroll time sheets, cancelled payroll checks, W-2 forms, written policies and procedures, computer records, disks and software, videos, photographs, executed subcontracts, subcontract files (including proposals of successful and unsuccessful bidders), original estimates, estimating worksheets, correspondence, change order files (including sufficient supporting documentation and documentation covering negotiated settlements), and any other supporting documents that would substantiate, reconcile or refute any charges and/or expenditures related to this Agreement. Notwithstanding anything to the contrary in this Agreement, the term, "PLANT4 Records," as used in this Agreement, shall not include any items or information that is not directly related to the relationship between PLANT4 and SBBC as contemplated in this Agreement.

(b) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to PLANT4 Records from the effective date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to PLANT4 pursuant to this Agreement.

(c) Notice of Inspection. SBBC's agent or its authorized representative shall provide PLANT4 reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction.

(d) Audit Site Conditions. SBBC's agent or its authorized representative shall have access to PLANT4 facilities and to any and all records related to this Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section.

(e) Failure to Permit Inspection. Failure by PLANT4 to permit audit, inspection, examination, evaluation and/or reproduction as permitted under this Section shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for the denial of some or all of any PLANT4 claims for payment by SBBC.

(f) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this Section discloses overcharges or unauthorized charges to SBBC by PLANT4 in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by PLANT4. If the audit discloses billings or charges to which PLANT4 is not contractually

entitled, PLANT4 shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand under otherwise agreed to in writing by both parties.

(g) Inspection of Subcontractor's Records. PLANT4 shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by PLANT4 to include such requirements in any subcontract shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for the exclusion of some or all of any Payee's costs from amounts payable by SBBC to PLANT4 pursuant to this Agreement and such excluded costs shall become the liability of PLANT4.

(h) Inspector General Audits. PLANT4 shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.13 Notice. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. ARTICLE 3 – GENERAL CONDITIONS

3.01 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 No Third Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.03 Independent Contractor. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 Equal Opportunity Provision. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

3.05 Termination.

3.05.1 Termination for Cause. Following a PLANT4 default, and the expiration of any applicable cure period without resolution of such default in connection therewith. This Agreement may be terminated with cause by SBBC during the term hereof upon ninety (90) days written notice to PLANT4 of its desire to terminate this Agreement. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement pursuant to this Section 3.05.1. PLANT4 agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ninety (90) calendar days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate with any associated cost for removal/disposition to be charged to and payable by PLANT4.

3.05.2 Termination for Convenience.

3.05.2.1 This Agreement may be terminated for convenience if determined to be in the best interest of SBBC. If terminated for convenience prior to December 31, 2028, written notice shall be provided to PLANT4 to terminate in accordance with this provision no less than three-hundred and sixty-four (364) days prior to termination. In such an event, SBBC shall provide another location for PLANT4 to relocate facilities and services. Both parties agree that within five (5) working days of receiving such written notice, PLANT4 shall cease paying to SBBC, any outstanding annual lease payments and SBBC's portion of the shared revenue until PLANT4 successfully relocates the Pods to the mutually agreed upon location, reconstructs the Pods, becomes operational, and recoups the cost of relocating the Pods to the new location and reconstruction of the Pods; and if applicable, any remaining portion of its investment. Thereafter, PLANT4 shall commence paying SBBC its portion of the shared revenue. If PLANT4 and SBBC have entered into subsequent agreements for the leasing of SBBC-owned lands, then payment for such other lease(s) may cease until PLANT4 successfully relocates the Pods to the mutually agreed upon location, reconstructs the Pods, becomes operational, and recoups the cost of relocating the Pods to the new location and reconstruction of the Pods; and if applicable, any remaining portion of its investment.

3.05.2.2 If terminated after January 1, 2029, SBBC shall not be obligated as outlined in Section 3.05.2.1 and PLANT4 shall be responsible to remove all structures to return the Leased Land to its original condition. PLANT4 agrees that any property left on the Leased Land shall be considered abandoned, and may be disposed of at the sole discretion of SBBC without any recourse by PLANT4. PLANT4 shall be responsible at its sole cost and expense for all costs associated with removal of said property and shall promptly reimburse SBBC for any such costs upon receipt of an invoice for same. It is agreed that no bailor/bailee relationship shall be construed to

exist between SBBC and PLANT4 with regard to any property left by PLANT4 at the Leased Land at times other than the period permitted under this Agreement.

3.06 Default. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon ninety (90) calendar days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.2.

3.07 Public Records. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. PLANT4 shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, PLANT4 shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. PLANT4 shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if PLANT4 does not transfer the public records to SBBC. Upon completion of the Agreement, PLANT4 shall transfer, at no cost, to SBBC all public records in possession of PLANT4 or keep and maintain public records required by SBBC to perform the services required under the Agreement. If PLANT4 transfer all public records to SBBC upon completion of the Agreement, PLANT4 shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If PLANT4 keeps and maintains public records upon completion of the Agreement, PLANT4 shall meet all applicable requirements for retaining public records. All public records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC 's information technology systems.

IF PLANT4 HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, REQUEL.BELL@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

3.08 Student Records. Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; FERPA, and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

3.09 Compliance with Laws. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.10 Place of Performance. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.11 Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida.

3.12 Entirety of Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.13 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.14 Assignment. Neither this Agreement or any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party which shall not be unreasonably withheld. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.15 Incorporation by Reference. Exhibits A - F attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

3.16 Captions. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.17 Severability. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.18 Preparation of Agreement. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.19 Amendments. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.20 Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.21 Force Majeure. 3.22 Survival. All representations and warranties made herein, indemnification obligations, obligations to reimburse, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.24 Liability. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

A. By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence.

CONTROLLED ENVIRONMENTAL AGRICULTURE PROJECT

WHITE PAPER

An Innovative Concept in Re-Imagining Middle School Education

In partnership with Plant4, Controlled Environmental Agriculture (CEA) program is a unique opportunity which is aligned with the District's Strategic Plan goal of ensuring high quality instruction for students. The CEA project will include a computer managed facility that integrates engineering and plant science through controlled technology. This innovative program will provide students with the opportunity to participate in research-based activities and problem-solving strategies to learn the principles and practices of sustainable commercial food crop production.

Plantation Middle School was selected for the pilot site, since it is centrally located in the District. As of the 2016- 2017 school year benchmark enrollment, there were 738 students attending and the school has capacity for 1,345 students. Plantation Middle is currently under-rolled at 54.9% of its capacity. In review of the school's enrollment, 22% of the students assigned to the school attend a charter school, 4.7% attend other Magnet programs, and 15.5% selected reassignment to another school.

Research demonstrates that students are more engaged and able to retain skills and concepts through problem based learning. Plantation Middle School will provide students with an environment that integrates the International Baccalaureate, International Business, Entrepreneurial, Language, and Leadership Academy (IBELLA) and Applied Learning real- world experiences revolving around hydroponically-based agriculture thus ensuring student success.

KEY GOALS

- Design and implement a whole school Controlled Environmental Agriculture Program that connects students, families, and the community with a greater understanding of global resources and needs.
- Provide students with the opportunity to participate in research-based activities and problem-solving strategies to learn the principles and practices of sustainable commercial food crop production.
- Ensure teachers are provided essential professional development aligned with the curriculum and problem-based instructional strategies.
- Create a learning environment for all students that integrates the International Baccalaureate, IBELLA and Applied Learning real-world experiences revolving around hydroponically-based agriculture.

What is Controlled Environmental Agriculture (CEA)?

CEA is an advanced form of hydroponically-based agriculture. Plants are grown within a controlled environment to ensure that agriculture practices operate at optimum efficiency. Hydroponics is a technology that provides for the nutritional needs of crops and plants. The foundation of CEA is an intelligent greenhouse, “a sophisticated, precision engineered, solid-state controlled climate”, as stated by Ned Madden in the Future of Farming, Part 1: Controlling the Environment article of the Emerging Technology publication. The use of a controlled climate in the greenhouse provides optimum conditions for the growth of specific crops and plants. The combination of the intelligent greenhouse and the hydroponics system offers the best of both worlds in crop production.

A Meaningful Collaborative Partnership

Plant4, a non-profit organization under the direction of Karim Giscombe is the collaborating partner and will be responsible for funding the entire CEA project on the school site. Plant4 will cover the expenditures of professional development, curriculum development, delegated district staff, construction, operation, security, and maintenance. Plant4 will continue operation of the

facility with a subcontractor once self-sufficient. Crops will be utilized on-site for student consumption with the remaining crops sold commercially to wholesale distributors for resale within the local communities. In addition, the school will receive the revenue based upon the cost for crop production and the maintenance of the facility. The project will be rolled-out over a period of three years. In addition, a planning year will begin in 2017-2018 that includes the construction of the facility at Plantation Middle School.

A Project Design That Engages Students

CEA focuses on a computer managed facility that integrates engineering and plant science through control technology. This is a unique innovative program that will provide students with the opportunity to participate in research-based activities and problem-solving strategies to learn the principles and practices of sustainable commercial food crop production. According to the College of Agriculture and Life Sciences at Cornell University, there will be more than nine billion people inhabiting the earth by 2050. Feeding a booming global population means that agriculture must respond with increased food production for all. Students will develop an understanding of ways to produce healthy foods for the future and meet the needs of the growing global population.

Plantation Middle School curriculum will revolve around the Plant4 project while aligning with the International Baccalaureate (IB)/Middle Years Program (MYP) and IBELLA. This project aligns with the IB philosophy of international-mindedness. MYP projects promote inquiry by developing conceptual understanding within a global context. Students will explore key and related concepts through MYP including: Individuals & Society, Orientation in Space & Time, Personal & Cultural Expression, Scientific & Technical Innovation, Globalization, and Sustainability. The curriculum will be developed in collaboration with the STEM+CS Curriculum Supervisor, Civic Engagement Curriculum Supervisor from the Applied Learning Department, the school leadership team, Innovative Programs Department, and other related departments to ensure that instructional units fully integrate CEA into the core subjects aligned with the International Baccalaureate/Middle Years Project subject areas in alignment with the second tier, Reimagining Middle School, of the first goal, High Quality Instruction of the Strategic Plan.

Next Steps for Program Development and the Facility

District staff will work with key departments including but, not limited to: Applied Academics, Building Department, Information Technology, Risk Management, Facility Planning & Real Estate, Public Information Office, Innovative Programs, Teacher Professional Learning & Growth, and Safety on the logistics for the development of this project. The actual building construction will take approximately ten weeks to complete, per information received from Plant4 staff. A timeline will be developed by staff to ensure high quality planning of all aspect of this project. In addition, staff will collaborate with the City of Plantation and the school administration to ensure that community stakeholders are part of the communication and planning process.

Teachers will participate in professional development overseen by the Applied Learning Department on integration of Geo-hydroponic curriculum, agriculture in the classroom and global education. In addition, teachers will be trained in accessing and evaluating data from the Plant4 program for classroom instruction by Plant4 staff.
