TITLE:

Final Adoption of Policy 6000.6 - Head Start/Early Head Start Major Program Policies

REQUESTED ACTION:

Adopt Policy 6000.6 Head Start/Early Head Start Major Program Policies.

SUMMARY EXPLANATION AND BACKGROUND:

The Head Start/Early Head Start Policy Council convened on September 12, 2019 to review and approve proposed changes to Policy 6000.6. The changes reflect new proposals in the approved Head Start/Early Head Start grant and some grammatical and wording changes. District staff and Head Start parents of the Policy Council participated in the review and revision. The policy was revised to include a new proposal to include parent scholarships for Head Start parents to obtain their Child Development Associate (CDA) or Associate of Science in Early Childhood. The language around the Home-based Early Head Start option was removed as the home-based seats were changed into center-based seats based on parent demand. The revisions were discussed at the four advisory meetings held on October 16, October 23 and October 24, 2019. The revisions were also discussed at the October 8, 2019 and February 11, 2020 School Board Workshops. This Policy was advertised on January 22, 2020 and February 17, 2020.
