Directions: Use the scoring rubric identified for each standard to indicate the performance of the Superintendent. Indicate the rating by placing a ✓ in the box under the appropriate column. The definition of each rating is found in the *Guidelines and Timeline for the 2018-2019 Superintendent's Evaluation*. Use space associated with each standard, as needed, for specific comments.

Goals/Indicators	Scoring Rubric			
Goal 1: Leadership/Management (40%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Ensure a high-functioning school system through quality leadership and collaboration with the School Board, staff, and stakeholders. Create conditions that result in strategically reimagining the district's vision, mission, and goals to ensure that every student graduates from high school globally competitive for work and postsecondary education and prepared for life in the 21st century.		3.5		
Maintain a climate that promotes open dialog with school administrators, teachers, students, and staff on issues of teaching and learning.	<p>Comments:</p> <p>The Superintendent's collaborative management style along with his sincere compassion to help all students has continued to assist the District through extremely challenging times. The unprecedented COVID pandemic required the District to quickly pivot to an E-learning model. The E-learning model progressively improved with the assistance of dedicated teachers and other staff. Students received continuous quality instruction. Although other Districts had serious challenges with Distance Learning, BCPS managed the situation well in addressing issues.</p> <p>The Superintendent continues to work with the Board on ways to best meet the needs of all students. The Superintendent needs to continue to ensure our updated Strategic Plan is consistently implemented by his staff.</p> <p>The Superintendent must continue to hold staff accountable and ensure Board policies and District procedures are consistently followed throughout the School District. Checks and balances and oversight must be in place to avoid any potential mismanagement and audit issues.</p>			
Provide vision and strategic direction to district.				
Lead in an encouraging, participatory, and team-focused manner.				
Leverage talent of newly appointed staff in key roles to build effective leadership capacity in our schools and district departments.				
Demonstrate an understanding of organizational and educational leadership.				
Demonstrate an understanding of current legal, regulatory, and emerging issues and trends affecting education.				
Improve public trust and confidence in the institution and strengthen the focus on our core mission – student achievement.				
Delegate appropriate authority to staff and monitor their follow-through.				
Accurately evaluate senior staff performance to include ongoing commendations and constructive suggestions, and where appropriate, disciplinary measures.				
Respond timely and appropriately when faced with unforeseen events.				
Promote acquisition of grants, innovation and technological advancements that enhance student achievement, employee performance and effective operations.				
Keep Board informed of issues, needs, and operation of the school system in a timely manner.				
Appropriately interpret and execute the intent of Board policy.				
Create and maintain professional working relationship with Board.				
Continue collaboration with union and employee groups.				
Suggested Evidence and Artifacts:				
<ul style="list-style-type: none"> • Strategic Plan and progress of the plan, including the articulation, implementation, stewardship and promotion of the strategic plan • Development and attainment of partnerships, grants and other resources to support initiatives • Results from outreach and collaboration with employees and their respective union/meet and confer groups • Presentations to internal and external stakeholders • Involvement in state and national organizations to provide input and influence local, state and national policy decisions • Development and refinement of Board Policies • Consistent and regular one-on-one meetings with Board members • Consistent communication apprising Board Members of critical issues at Board Workshops, Board Meetings and through emails and memoranda

Goal 2. High Quality Instruction (25%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Improve student performance by focusing on raising academic rigor in teaching and learning among staff and students, and preparing students and staff for global competitiveness.		3		
Implement the transition to the Common Core State Standards and academic rigor that focuses on learning and excellence for schools and students.	<p>Comments:</p> <p>This year presented tremendous challenges as some students who benefit from face to face instruction struggled with the E-Learning model. The Superintendent needs to continue to ensure the necessary support and essential services are being provided to all students regardless of the instruction model in place. This is critically important so students learning gains can progress in a positive manner.</p>			
Apply effective methods of providing, monitoring, evaluating, and reporting student achievement to improve the learning process.				
Promote instructional strategies that include cultural diversity and differences in learning styles.				
Implementation of instructional and administrator evaluation systems focused on improving instructional and leadership practice.				
Support a broad range of academic and enrichment opportunities for all students focused on the development of well-rounded students.				
Analyze available instructional resources and assign them in a cost effective and equitable manner to enhance student outcomes.				
Promote the success of all students by ensuring management of the organization, operations and resources for a safe, efficient and effective learning environment.				
Improve outcomes for all students while reducing achievement gaps among subgroups, especially young Black male students.				
<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Student Achievement/Performance Data • Implementation plan for Common Core State Standards • Implementation plan for instructional and administrator evaluation systems • Development and implementation of professional learning opportunities, plans and support systems to improve instruction and implement Common Core State Standards and Marzano instructional practices • Development and implementation of initiatives/programs that support a well-rounded education that meet the social, cultural, and academic needs of students • Utilization of quality assessments and interventions to enhance achievement

Goal 3. Continuous Improvement (20%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Align resources and develop an organizational structure that supports operational effectiveness and efficiency to implement the District priorities focused on improving student achievement and business processes.		3		
Update and implement the District vision, mission, priorities and strategic plan that will serve as a system framework focused on comprehensive outcomes and measures.	<p>Comments:</p> <p>Inadequate public education funding from the State continues to present numerous challenges. During this pandemic, it was evident that lack of direction and guidance from the State left this and other Districts on their own to resolve the extensive challenges associated with delivery of educational services and ensuring the health and safety of staff and students. The Superintendent and staff had to overcome considerable amount of obstacles. They should all be commended for their efforts. The Superintendent and his staff must continue to work collaboratively with all employee groups to ensure the vision of our District is achievable and educational opportunities and services are provided.</p>			
Assess programs and organizational functions to redirect resources to maximize school improvement and focus on critical functions.				
Continue a quality strategic planning process that will forge critical partnerships, community and District relationships, translating the strategic plan into reality.				
Implement appropriate leadership and performance management techniques to define roles, assign functions, and to determine accountability for attaining organizational goals.				
Work collaboratively with the Board and appropriate staff to determine priorities for balancing the budget and for effective allocation of resources.				
Demonstrate budget management including financial forecasting, planning, cash flow management, account auditing, and monitoring.				
Develop, implement, promote, and monitor continuous improvement processes.				
<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Strategic Plan and progress of the plan, including the articulation, implementation, stewardship and promotion of the strategic plan • Development and implementation of a performance management system • Improved budget process incorporating enhanced planning, communication and resource distribution • Development and implementation of innovative and entrepreneurial programs • Analysis and recommendations for improvements to the organizational structure • Redirection of resources to support schools • Use of audits to improve practices and accountability

Goal 4: Effective Communication (15%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
<p>Increase the effectiveness of internal and external communication with stakeholders to improve the District's image, as well as marketing initiatives that will lead to greater understanding and trust among and between, all facets of the District, community, and the School Board.</p>		3		
<p>Promote stakeholder involvement while establishing a communication system that effectively conveys District successes.</p>	<p>Comments:</p> <p>The Superintendent continues to be a constant visible presence in our schools and within our community. Although challenging at times, the Superintendent has maintained his focus on sharing information with all stakeholders including during these challenging times. His ability to connect on a national and local level has helped the District in a multitude of ways. The Superintendent and his staff must continue to find ways to share progress of District measures while also noting challenges routinely faced by our District in a transparent manner.</p>			
<p>Develop formal and informal techniques to obtain external and internal perceptions of the District by means of surveys, listening tours, and personal contacts.</p>				
<p>Promote and communicate system priorities using a variety of communication tools.</p>				
<p>Design and implement a comprehensive communications plan.</p>				
<p>Solicit opinions/feedback from stakeholder groups and individuals and adjust actions as appropriate.</p>				
<p>Develop and maintain meaningful, respectful and cooperative relationships with the media, municipality, county, community and legislative representatives.</p>				
<p>Provide a visible presence throughout the district and the community.</p>	<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Climate Surveys • Comprehensive communications plan • Outreach efforts to increase parent input and involvement • Outreach efforts to engage the community and businesses • Outreach efforts and collaboration with municipalities, universities, and legislative groups • Communication tools that enhance communication and customer service • Newsletters and public engagement documents designed to strengthen connections to the community
