| Project Description | <p>The School Board of Broward County, Florida is partnering with DaVita Dialysis Contracting LLC which provides internship experiences necessary to meet the Florida Department of Education student performance standards for Health Science Education programs. This agreement benefits students from Atlantic Technical College, by allowing them the opportunity to apply content classroom theory to relevant clinical experiences at these facilities. This agreement allows for Atlantic Technical College students enrolled in a Hemodialysis Technician Program to benefit from the approval of this agreement.</p> <p>This agreement addresses the requirements of regulatory agencies for students to qualify for certification/licensure examinations upon program completion.</p> |
| Evaluation Plan | Surveys to be completed by students, Health Science Education teachers and select staff of the facility to measure the effectiveness of the clinical experience. |
| Research Methodology | Curriculum Frameworks and Program of Study as delineated by the Florida Department of Education for program completion. |
