**TITLE:**

**Continuation of Rental or Maintenance of Data Processing Software and Hardware**

**REQUESTED ACTION:**

Approve the continuation of the rental or maintenance of data processing software and hardware.

**SUMMARY EXPLANATION AND BACKGROUND:**

The Education Technology Services department utilizes business systems of software from various publishers rather than developing such software itself. As a part of the renewal with these publishers and vendors, they agree to provide maintenance and new releases to the school district for an annual fee. Therefore, towards the end of each fiscal year, an agenda item listing each of the major business systems software and hardware is brought to the School Board for approval in order to provide maintenance support for the next fiscal year (06-07).

**SCHOOL BOARD GOALS:**

- ☐ •Goal One: All students will achieve at their highest potential.
- ☐ •Goal Two: All schools will have equitable resources.
- ☒ •Goal Three: All operations of the school system will demonstrate best practices while supporting student achievement.
- ☐ •Goal Four: All stakeholders will work together to build a better school system.

**FINANCIAL IMPACT:**

The total projected expenditure for FY 06-07 is \$10,459,098. The funding Source for this item is the ETS Operating Budget, Activities 72179 and 79113.
