TITLE:

Purchase, Installation, and Site Adaptations
for Ten (10) Portable Classrooms
Coconut Creek High School, Coconut Creek
Project No. 1681-2601

REQUESTED ACTION:

Approve the purchase, delivery, installation, and site adaptations for ten (10) new portable classrooms at Coconut Creek High School, and approve an appropriation of \$1,150,000 from the capital projects reserve.

SUMMARY EXPLANATION AND BACKGROUND:

The closure of North Lauderdale Charter School requires that its students be relocated to Coconut Creek High School for the 2006-07 school year. As classroom space is not available at Coconut Creek High School, ten (10) portable classrooms will be required to accommodate the students from the charter school. New portable classrooms must be purchased since there are no existing portable classrooms available. The purchase, delivery, and installation of the ten (10) portables at a cost of \$650,000 will be from Mobile Modular utilizing the piggyback option of the Suwannee County RFP approved by the School Board under item JJ-6 in the April 18, 2006 Board Meeting. The site adaptation work will be performed under RFP 2002-02-FC at a cost of \$500,000.

The funds required for this project are estimated at \$1,150,000.

SCHOOL BOARD GOALS:

- ☐ Goal One: All students will achieve at their highest potential.
- ☒ Goal Two: All schools will have equitable resources.
- ☐ Goal Three: All operations of the school system will support and align with student achievement.
- ☐ Goal Four: All stakeholders will work together to build a better school system.

FINANCIAL IMPACT:

Financial Impact is \$1,150,000. The funds for this project are not included in the Adopted District Educational Facilities Plan, Fiscal Years 2005-2006 to 2009-2010. This Financial Impact will come from the capital projects reserve.
