BOARD MEETING: SEPTEMBER 19, 2006

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

ADDITIONAL RECOMMENDATION
RFP 24-043N
RESEARCH AND PROGRAM EVALUATION CONSULTANT SERVICES

In accordance with the provisions of the above RFP, which was approved by the School Board on March 2, 2004, additional providers of research and program evaluation consultant services may be added to the pool of currently approved providers for these services during the term of this contract. As a result of this provision and the recommendation of the Evaluation Committee, consisting of Dr. Cary Sutton, Research and Evaluation; Dean Vaughan, Research and Evaluation; and Ray Santos, ETS, it is recommended that Dr. Joyce V.W. Warner be added to the list of providers. Dr. Joyce V.W. Warner has experience developing research designs to examine literacy, and evaluating the impact of curriculum and instruction. Specific experience includes conducting professional development programs on literacy, assessing the impact of reading programs, and developing needs assessment instruments. This recommendation is not a request for an additional expenditure. This recommendation will allow the schools, departments and centers to continue purchasing research and program evaluation consultant services through February 28, 2007.
