THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

ADDITIONAL RECOMMENDATION  
BID 24-044X  
LIQUEFIED PETROLEUM GAS

It is recommended that the contract with Heritage Propane be renewed for an additional year from December 1, 2006 through November 30, 2007 in accordance with Special Condition 5 of the bid, authorizing contract renewal; and that the School Board authorize an additional expenditure of \$1,000,000 to the subject contract. The amount of the recommended spending authority is available from funds already included in the District budget. This recommendation will allow the Vehicle Maintenance Department to continue purchasing liquefied petroleum gas as required through November 30, 2007, and will provide for an approximate total expenditure of \$2,600,000 for the award period.

SUBJECT: **LIQUEFIED PETROLEUM GAS**  
**Bid 24-044x**

Recently, a meeting was held with our current propane vendor, Heritage Propane, to discuss and evaluate our District's needs and concerns regarding propane supply.

It was agreed that in an effort to protect the best interests of the District, we need to extend the current contract for an additional year.

Therefore, it will be necessary to request an additional \$1,000,000.00 to cover expenditures against this contract through 11/30/2007.

This total dollar amount being requested was calculated by adding the average annual usage-to-date, *plus* the estimated additional future usage, based upon costs incurred during last year's hurricane season, and factoring in price increases.

Thank you for your attention to this matter.
