

SUMMARY OF RECOMMENDED CHANGES

POLICY #: 7003

DATE: 3/13/02

POLICY TITLE: Selection of Engineers and Architects

Page (Item)	Recommended Change/Addition/Deletion	Rationale
Throughout	Change from Consultants' to Consultants.	Proper grammar.
3.a(3) and 3.a(6)	Eliminate school principal or designee as a voting member.	New selection process does not require project specific input from principals. Elimination of requirement to vote will reduce time demands on the principals.
4.c	Eliminate term limit for CRC membership.	Ensure full membership on the CRC.
5.d	Define the term location and eliminate the "tie breaker."	Determine criteria for scoring proposals and respond to a recent Attorney General opinion.
5.d	Retain the "tie breaker" as Broward.	Recommended by the Policy Review Committee March 13, 2002.
5.j	Revise M/WBE terms.	Update the language.
6.a through 6.d	Clarify the selection process, adjust the scoring threshold and align staff/CRC activities.	Based upon completion of the first selection round under the revised process was approved 8/14/01.
6.f	Add commas as follows "The committee will, by a majority vote, approve..."	Recommended by the Policy Review Committee March 13, 2002.
