REQUESTED ACTION:	
Approve establishment of a community-based committee to look into any and all opportunities.	
SUMMARY EXPLANATION AND BACKGROUND:	
<p>The school system continues to grow at a significant rate. While 11 schools are scheduled to open during the next year, additional new schools, school renovations, expansions and athletic facilities are also needed. Many of these are not currently covered under the district's 5-year capital plan.</p> <p>To study the need for funds, a committee comprised of community leaders will evaluate the district's current strategies for funding school and determine funding needed for future facility construction. It is anticipated that the committee would report its recommendations back to the School Board at a November Retreat.</p>
