**SUMMARY EXPLANATION AND BACKGROUND:**

Items submitted for renewal approval have been evaluated by user departments and schools, and determined that satisfactory service is provided, and that the contract prices are currently the best value based on current vendor prices, comparable prices from other agencies, and/or the Consumer Price Index (CPI) data. Recommendations are being made for additional expenditures on previously approved term contracts. These recommendations are requests for additional expenditures only, and the amount is available from funds already included in the District budget. These recommendations authorize additional expenditures until the expiration date of each contract, at which time the contract will be re-bid according to Board Policy, unless the contract is renewed per the terms and conditions of the bidding documents.
