Dear Mr. Dougniaux,

The consultant has analyzed the bid packages received May 27, 2008 and per the bid opening meeting with the School Board of Broward County on June 3, 2008, we recommend the aforementioned project be awarded to SA Consultants, LLC for the total base bid price of *Five Hundred Seventy- Nine Thousand Dollars* (\$579,000.00), with a total contract time of 160 calendar days.

We have reviewed the bids for the project referenced above and the prices appear fair and reasonable and are within standard market rates for the type of work being performed.

Should you have any questions or need additional information do not hesitate to contact our office.

Sincerely,  
Edwards and Kelcey
