Dear Dr. Jurado:

I am writing in response to the attached letter from Mayor Wexler inviting The School Board of Broward County's participation on the newly created Broward County Climate Change Task Force.

Please be advised that The School Board of Broward County intends to participate on the task force and we wish to submit the name of Michael Garretson, Deputy Superintendent for Facilities/Construction Management, as our nomination to this committee. The official selection will occur at the August 19, 2008 Regular School Board Meeting.

Thank you for your inclusion of Broward Schools.
