RE: **Broward County Climate Change Task Force
Request for Stakeholder Nominations**

Dear Chair Bartleman:

I am writing to advise that on June 24, 2008 the Broward County Board of County Commissioners approved the attached Resolution 2008-442 to create the Broward County Climate Change Task Force (Task Force). The purpose of the Task Force will be to develop recommendations for a coordinated county-wide strategy in addressing the local implications of global climate change.

The Task Force will consist of twenty-two individuals representing a broad cross-section of governmental, business, academic, and environmental interests. The School Board of Broward County has one nomination to the Task Force, and at this time, I am requesting that you please submit the name of the individual the School Board will be nominating for appointment. My goal is to have nominations received by August 8th if possible. Please submit the name of your nominee to:

Dr. Jennifer Jurado, Director
Natural Resources Planning and Management Division
One North University Drive, Suite 201
Plantation, FL 33324

Thank you for your interest and support for this Task Force. If you have any questions or comments, please do not hesitate to contact me or my colleagues.

Sincerely,

Lois Wexler
Mayor
