**TITLE:**

**Policy 6000.1: Student Progression Plan**

**REQUESTED ACTION:**

**Adopt revisions to Policy 6000.1: Student Progression Plan at this final reading.**

**SUMMARY EXPLANATION AND BACKGROUND:**

There have been amendments to Florida Statutes 1003.4156 and 1003.42, as well as newly adopted legislation from Senate Bill 4. The School Board previously decided that all legislative changes are not required to follow the traditional process for policy adoption (i.e., Workshops), as they are legally required elements of our policies and therefore discussion is not necessary. These policy changes must be enacted immediately as they impact students who have already begun the 2010-11 school year. Therefore, Policy 6000.1 is being amended to align with the legislative changes. This language will be added to the Policy.

**SCHOOL BOARD GOALS:**

- Goal One: Raise achievement of all students to ensure graduation from high school and readiness for post-secondary education.
- Goal Two: Improve the health and wellness of students and personnel.
- Goal Three: Provide a safe and secure physical and technological environment for all students and employees.
- Goal Four: Promote innovation which focuses on best practices and quality efforts that improve our best-in-class position.
- Goal Five: Recruit, develop, retain, and recognize high performing and diverse faculty and personnel.
- Goal Six: Build strong partnerships with family, business, community and government at the classroom, school, area, and district level.
- Goal Seven: Ensure district's leadership as an environmental steward through innovative ecology and energy conservation programs.

**FINANCIAL IMPACT:**

There is no financial impact to the District.
