TITLE:	<b>Revisions to School Board Policy 1341</b> <b>Use of Broward County School Facilities for Non-School Purposes</b>
--------	--

REQUESTED ACTION:	Adopt the Revisions to School Board Policy 1341, Use of Broward County School Facilities for Non-School Purposes at this final reading.
-------------------	---

SUMMARY EXPLANATION AND BACKGROUND:	<p>The existing Use of Broward County School Facilities for Non-School Purposes Policy 1341 addresses School Board rules for the use of school facilities by other groups or organizations. The changes proposed in the Revised Policy 1341 were brought forward primarily to clarify provisions in the existing Policy, define commonly used terms, automate the application process by using a central database to store information and produce the lease agreement, adjust the fees to today's reality, and add a matrix to identify requirements and clarify the type of charges to be applied to the four (4) categories of users.</p> <p>The amendment before the Board was reviewed by Executive Leadership Team (ELT) and presented to the School Board at a Workshop on October 26, 2010.</p> <p>The revised Policy was approved as to form and legal content by the School Board Attorney.</p>
