THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

THE CITY OF DEERFIELD BEACH
(hereinafter referred to as "CITY"),
whose principal place of business is
150 N.E. Second Avenue, Deerfield Beach, Florida 33441.

WHEREAS, SBBC is the controlling body of the Public Schools of Broward County, Florida, and does own certain school sites and other real estate parcels located in Deerfield Beach, Broward County, Florida, hereinafter referred to as "school grounds".

WHEREAS, by reason of the heavy demands existing in Deerfield Beach as a result of the increase of the population of school children, SBBC is required to expend all of the available money for the operation of classrooms and thus is greatly limited in funds which can be made available for the development and improvements of the school grounds as parks and well-equipped playgrounds; and

WHEREAS, it is the purpose and policy of CITY to develop, operate and maintain parks and community recreational facilities; and

WHEREAS, Whereas, the City and SBBC are desirous of providing a mechanism whereby the City can undertake improvements to the recreational facilities on a portion of the school grounds for recreational purposes, upon the City's determination that it has the funds available to construct such improvements; and

WHEREAS, SBBC and CITY believe that such an arrangement will be of mutual benefit to all parties and will fill a great need in that area of the community and that cooperation between the parties hereto will result in great benefit to the citizens of Deerfield Beach:

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals.** The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 - CONDITIONS

2.01 **Leased Property.** SBBC does hereby lease to CITY a five (5) acre parcel on Quiet Waters Elementary School, as shown on Exhibit "A" attached hereto and made a part hereof under the terms and conditions hereinafter set forth.

2.02. **Lease Term.** The term of the lease of said premises is forty (40) years from the date of the execution of this lease agreement by both parties.

2.03 **Rental.** The rental shall be One Dollar (\$1.00) per year payable to SBBC on the yearly anniversary of the lease agreement.

2.04. **Uses Permitted.** The uses and purposes to which CITY shall put said premises to use shall be for playground and recreational purposes available to the citizens of the area. The land herein leased shall be preserved as open space and for recreational use in perpetuity. Uses permitted, but not limited to these uses are: improved recreational fields (baseball, soccer, football, etc), ball courts (tennis, basketball, etc.), wet or dry water retention areas, reforestation, agricultural use, educational earth science uses, lighting, scoreboards, fencing, walkways, boardwalks, restroom facilities, field house, maintenance facilities, and parking spaces. No use of the property shall be allowed which is inconsistent with the intent and purpose of the Declaration of Restrictive Covenants recorded in the Official Records Book 45951, Page 1611 of the Broward County Records. No advertising or food concessions, or the renting of same, shall be permitted unless specifically approved by SBBC in writing.

2.05. **Conflict of Uses.** The uses of said premises by CITY shall be limited and restricted so as not to conflict in any way with the use of said property by SBBC in its Public Education Program, and the use of said property by CITY shall at all times be in compliance with the laws of the State of Florida concerning the use of school property.

2.06 **Improvements.** The proposed design and location of any and all improvements to be constructed or placed on the leased premises shall be consistent with those listed within the Declaration of Restrictive Covenants recorded in the Official Records Book 45951, Page 1611 of the Broward County Records, including but not limited to baseball diamonds, buildings, lights, etc., and must be approved in writing by SBBC prior to placement or construction., The approval by SBBC shall not be unreasonably withheld.

A. The City shall cause certain improvements, substantially as depicted on Exhibit B attached hereto, to be constructed on the leased property. It is understood that the ultimate, actual design and extent of such improvements may differ from those as depicted on Exhibit B, and the design and any improvements actually constructed or placed on the leased property must be approved by both the City and the SBBC or its designee. The purpose of the exhibit is to provide evidence of the general intent of the parties. The specific improvements contemplated and as shown on attached Exhibit "B: shall hereinafter be referred to as "The Improvements".

B. No improvements of any kind shall be constructed or placed on the premises without the written approval of SBBC or its designee. Any improvements constructed or placed without such written approval shall be immediately removed by the City or relocated within ten (10) days of receipt of written demand by SBBC or its designee, unless the parties agree that such improvements should remain, whereby this agreement will be amended to reflect the use and responsibility for such improvements.

C. The City shall be solely responsible for the construction of The Improvements on the leased grounds. SBBC's designee shall prepare construction documents for City's review and issuance of all required building permits. SBBC's designee shall develop and provide to City a list of site investigations, analyses or reports ("Reports") necessary to design The Improvements. The City shall timely procure and pay the cost for all such Reports. The parties agree to cooperate in good faith to implement the parties' respective obligations herein and the parties shall be obligated to take all necessary actions required to fulfill the spirit and intent of this agreement including, but not limited to the obligation to execute documents necessary to obtain permits.

D. Subject to the provisions as set forth above, the parties further agree that City will prepare and submit plans to SBBC or its designee, for review and approval of all subsequent proposed improvements. All proposed design documents shall meet or exceed the requirements of The Florida Building Code, including compliance with the State Requirements for Educational Facilities ("SREF). Within ninety (90) days of receipt of proposed design documents, SBBC shall either approve or reject such proposed design documents. All design documents must be approved by SBBC or its designee prior to submission to the Department of Education, if applicable. The City agrees to obtain all necessary permits and approvals and to contract with a contractor for the construction of the improvements. SBBC shall cooperate with City and City's contractors to make the leased premises reasonably available for necessary

construction activities to complete construction pursuant to any construction contract.

E. The City shall be solely responsible for all contracts or obligations to the contractor hired to construct improvements.

F. **Payment and Performance Bonds.** Before commencement of construction or placement of any improvements, the City shall require its contractor to furnish surety payment and performance bonds, naming both City and SBBC as Obligees, that guarantee the completion of the improvements and the performance of the work necessary to complete such improvements, and guarantee full payment of all suppliers, materialmen, laborers and subcontractors providing materials, labor or services used to complete such improvements. The City shall require its contractor to deliver a copy of the surety bonds to the City. The City shall require that such bonds remain in full force and effect for one year after completion and acceptance of the improvements by both City and SBBC or its designee. The City shall require its contractor to promptly correct any and all defective or faulty work or materials that appear after the completion and acceptance of the improvements within the applicable warranty periods for such work.

G. The City shall provide the SBBC or its designee copies of all requests for payment from its contractors, and shall provide documentation of all payments made to such contractors. SBBC may make periodic visits to the site to observe the progress of the work. Prior to issuance of Final Payment by the City to its contractors, City and SBBC shall jointly inspect the work to identify incomplete or unacceptable work under the applicable construction contract which would preclude the making of Final Payment. The City shall be responsible to seek redress from the contractor for failure to comply with the construction contract, or for contractor's failure to remedy any defective or warranty items.

H. The City agrees that it will obtain all necessary permits and commence construction of The Improvements within seven (7) years of the effective date of this agreement, and shall complete construction of The Improvements with twelve (12) months after a construction contract is executed for The Improvements except to the extent it is unable to do so due to acts of god or other matters beyond its control. Should The Improvements not commence or be completed in accordance with this paragraph, the sole and exclusive remedy of SBBC shall be termination of this agreement.

I. Upon completion of construction of The Improvements, the City will notify the SBBC of the proposed Final Inspection date, and shall permit the SBBC to participate in the inspection process. SBBC shall also participate in reviewing the progress of the construction during construction.

J. The City will provide SBBC with documentation of the actual cost of each improvement to be constructed on the leased property. The City is solely responsible to obtain and pay the costs for any and all testing required during construction of any improvements.

K. The City agrees to pay for the installation of separate meters, and utility costs for all utility services provided to the constructed improvement.

L. The parties recognize that the decision to undertake the improvements will require the City to identify a funding source which it deems appropriate and in its best interest. The decision to commence any plans and improvements shall rest solely in the discretion of the City. In the event the City does not, for any reason whatsoever, commence construction during the time period set forth herein, the sole and exclusive remedy of SBBC shall be to terminate this Lease

2.07. Termination.

(a) SBBC has the option to terminate the agreement if the provisions of Section 2.06 H are not met.

(b) It is specifically agreed between the parties hereto that at any time SBBC desires to cancel any designated portion of the leased area which SBBC determines is needed exclusively for school purposes or terminate the entire lease, it shall have conclusive right to do so. In the event SBBC so elects, CITY shall be

given ninety (90) days' written notice prior thereto and in the event of cancellation, SBBC shall reimburse CITY for the then remaining value of CITY installed recreational facilities within the effected lease area. In the event the parties hereto cannot mutually agree on said value, same shall be appraised by three (3) appraisers; one selected by SBBC; one selected by CITY; and the third appraiser selected by the two appraisers appointed to cancel this lease as to. SBBC's determination in this regard shall be conclusively binding upon all parties.

(c) In the event of such appraisal of the value, the average of the three (3) appraisers shall be the amount SBBC shall pay. It is further agreed that SBBC shall be obligated to pay the fee of the appraiser selected by SBBC; CITY shall be obligated to pay the fee of the appraiser selected by CITY; CITY and SBBC shall each pay fifty percent (50%) of the fee of the appraiser selected by the two aforementioned appraisers.

(d) CITY shall likewise have the unqualified right of cancellation of this lease, in whole or as to any designated portion or area of property subject hereto upon ninety (90) days' written notice of cancellation to The School Board of Broward County, Florida. If CITY shall properly exercise its option to cancel this lease agreement, as to the whole or part of the leased premises, CITY shall have the right, subject to SBBC's purchase option described below, to remove any and all such fixtures and improvements to the property as CITY had placed thereupon, except that CITY shall not remove sod, landscaping, sand or earth placed upon the premises (except as incidental to removal of other fixtures and/or improvements) and CITY shall, in the case of removal of fixtures and improvements, reestablish the normal grade of the premises to the condition which the same was found upon CITY's first entering the premises hereunder. If, upon cancellation by CITY SBBC wishes to purchase CITY installed recreational fixtures and/or improvements, then CITY shall sell the same to SBBC at a mutually agreed price. However, if CITY and SBBC cannot mutually agree upon such a price (the value of the property to be purchased) then the appraisal method, above-described in Section 2.08(b) hereof, shall be used to arrive at a binding price.

2.08. Maintenance.

(a) It shall be the responsibility of CITY to keep the grounds herein leased, including retention areas, clean, sanitary and free from trash and debris, the grass mowed to prevent unsightly accumulation of weeds and other vegetation, and the recreational fields shall be properly maintained. Upon failure of CITY to comply with the provisions of this section, SBBC shall give written notice to CITY of such failure to comply, by Certified Mail, Return Receipt Requested. If, after a period of ten (10) days of such mailing, CITY has not commenced to complete the cleaning and/or mowing of said recreational area, SBBC shall have the right to enter upon the premises, remove trash and debris from the area, or mow the area and charge CITY the cost to SBBC for such services. Billing for trash and debris removal or mowing shall be on a per-cleaning or per-mowing basis and shall be due and payable within fifteen (15) days after receipt of said billing by CITY.

(b) Notwithstanding any of the provisions of the foregoing paragraph, the parties further agree that CITY, in addition to the above, will clean up the premises after each and every event it sponsors or after its use of the premises, and SBBC will be responsible to clean after each and every event it sponsors or after its use of the premises.

(c) The CITY shall maintain and/or repair all other improvements placed within the leased areas to include restroom facilities, field house facilities, maintenance facilities, dugouts, fencing, bleachers, scoreboard, lighting, sidewalks, parking lots and wet or dry retention areas. CITY agrees at all times to keep the improvements placed on the areas herein leased and the equipment placed on said areas properly maintained.

(d) Notwithstanding anything to the contrary set forth herein, during the time that SBBC is in control of the premises, SBBC shall assure that no actions are undertaken which would cause the leased property to be unsafe or that any of the property thereon be damaged or destroyed. To the extent that any such conditions are caused, or the extent that any damage is caused during the time that SBBC is in control of the premises, SBBC shall immediately undertake remedial measures as necessary to cause the premises to be safe, or to cause the repair of any part of the property, facilities or improvements. If in the course of the SBBC's use SBBC becomes aware of any damage or dangerous condition in or upon the leased property or equipment caused during the time of the City is in control of the premises, SBBC shall, immediately, notify the CITY'S Director of Parks and Recreation or his/her designee of such damage or dangerous condition. The leased property may be deemed unusable until such time as the responsible party to this agreement corrects or remedies the condition. To the extent that the failure of either

party to undertake such measures results in any claim, cause of action, penalty, judgment or other liability, that party shall be fully responsible and shall indemnify and hold the other party harmless from any liability in connection therewith. After use of the premises by SBBC or its permittees, SBBC shall cause all trash to be removed, and to return all fields, facilities and equipment to their original condition, minus normal wear and tear.

2.09 **Hours of Operation.** This entire area will be under the control of SBBC during the hours the school on the property adjacent to the leased area is in session and the School Board shall take full responsibility for the property. During off-school hours, when the leased area is officially open by CITY, control and use of the area will be under the jurisdiction of CITY and the CITY shall take full responsibility for the property.

2.10 **Ownership of Improvement at Lease Expiration.** At the expiration of this lease, in the event the same is not canceled by SBBC or CITY prior thereto, all permanent recreational facilities such as baseball diamonds, lighting facilities, permanent backstops, etc., shall become the property of SBBC and CITY shall have the right to remove all moveable (non-permanent) recreational facilities.

2.11 **Indemnification.** Each party agrees to be fully responsible for its acts of negligence or its agent's acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence, to the extent permitted by law and without any waiver of sovereign immunities.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity.** Nothing contained in this Agreement is intended to serve as a waiver of sovereign immunity by any agency to which sovereign immunity may be applicable or as a waiver of any rights or limits to liability provided under Section 768.28, Florida Statutes.

3.02 **No Third Party Beneficiaries.** The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any manner arising out of any contract.

3.03 **Non-Discrimination.** The Parties shall not discriminate against any employee or participant in the performance of the duties, responsibilities and obligations under this Agreement because of race, age, religion, color, gender, national origin, marital status, disability or sexual orientation.

3.07 **Preparation of Agreement.** The Parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.08 **Waiver.** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

3.09 **Compliance with Laws.** Each party shall comply with all applicable federal and state laws, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.12 **Assignment.** Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party.

3.13 **Force Majeure.** Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.14 **Place of Performance.** All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.15 **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not effect any other provision and this Agreement shall be considered as if such invalid, illegal, unlawful, unenforceable or void provision had never been included herein.
