

EXECUTIVE SUMMARY

Contract for Use of Facilities between the Professional Facilities Management and The School Board of Broward County, Florida, for Use of Coral Springs Center for the Arts to Hold the Sawgrass Springs Middle School Concert

Additional Background Information:

The Sawgrass Springs Middle School Band has a very large following due to success in Music Performance Assessments, many "Best Band" trophies in parades, and large concerts in which all band students participate in smaller groups as well as large groups that involve every student. Sometimes professional or outstanding high school students are featured with the band as soloists. Audiences tend to exceed any capacity that the Sawgrass Springs Middle School cafeteria has, along with exceeding the capacity of local high school auditoriums.

The Coral Springs Center for the Arts is a great venue for band concerts and the parents and other fans appreciate having the concerts there.
