TITLE:

Charter Application Approval – Academic Solutions Academy, Inc. (Academic Solutions High School)

REQUESTED ACTION:

Approve the application for Academic Solutions Academy, Inc. (Academic Solutions High School) to open a charter school serving grades 9-12 for the 2012-2013, school year and authorize the Superintendent to issue a notice of approval. Subsequent School Board approval shall be required prior to the signing of a written charter school agreement (contract) establishing the operation of the charter school.

SUMMARY EXPLANATION AND BACKGROUND:

Section 1002.33, Florida Statutes authorizes the establishment of charter schools in Florida. An application for a new charter school may be submitted by an individual, teachers, parents, a group of individuals, a municipality or a legal entity organized under the laws of this state. Academic Solutions Academy, Inc. submitted a formal application to start a public charter school for the 2012-2013 school year. A district school board may sponsor a charter school in the county over which the board has jurisdiction. The district school board shall receive and review all applications for a charter school.

The Superintendent of Schools appointed a Charter School Review Committee to review and analyze the application from Academic Solutions Academy, Inc. The committee is comprised of representatives from curriculum, budget, facilities, district administration, transportation, Exceptional Student Education, ESOL and other areas of the organization. Utilizing the Model Florida Charter School application format, the committee reviewed the application in detail.

Based on our review, the application is recommended for approval. The mission and academic design of the application meets the minimum requirements of state law and state standards. The school shall open as a public charter school serving a total of **300** students, grades **9-12**. The maximum capacity of the school will be **500** students. The final updated budget and insurance documents will be required prior to approval of the charter school agreement. The charter agreement shall address any issues identified by district staff, which require revision or further explanation. The charter school has adopted the same 180-day student calendar in place for the Broward County Public School System.
