AGREEMENT

THIS AGREEMENT is made and entered into as of this
____ day of _____, 2012,

Between

AMERICAN SOCIETY OF TRANSPORTATION AND LOGISTICS

(hereinafter referred to as "ASTL"),

a professional organization that facilitates education and certification in the fields of
transportation, logistics, and supply chain management,
whose principal place of business is

4567 St. Johns Bluff Road, S.

University Center DOCE

Jacksonville, Florida 32224

And

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

(hereinafter referred to as "SBBC"),

a body corporate and political subdivision of the State of Florida,

whose principal place of business is

600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

For support to the grant entitled, "Florida's International Trade and Logistics, (FIT&L)"; The said parties do agree as follows:

ASTL and SBBC have reached agreement in principle to cooperatively develop a Global Logistics and Supply Chain or Advanced Manufacturing Career Academy for the grant Florida International Trade and Logistic (FIT&L) synergistic outreach program for the logistics and supply chain management disciplines in Broward County, Florida.

Each FIT&L grant awardee will receive one-time start up funding in the amount of \$13,500.00 directly allocated for use in the logistics and advanced manufacturing career academies. In addition, the Advanced Manufacturing academy will receive grant approved curriculum for up to 40 students in the Advanced Manufacturing Academy and the Global Logistics academy will receive curriculum for up to 80 Global Logistics students.

The objective of this grant is for the following:

- 1) Establishment, expansion and sustainability of International Trade and Logistics and Integrated Logistics and Advanced Manufacturing Career Academies throughout the state with a geographic focus on the deepwater seaports, inland ports and air cargo transportation hubs of the state;

- 2) To provide technical assistance and support to the newly established district secondary school career academies;
- 3) To expand efficient, effective, relevant International Trade and Logistics and Advanced Manufacturing Career Academies within Florida's secondary schools;
- 4) Provide analysis of students attending and preparing for industry-recognized certifications and the impact the academies will have on the state's talent development;
- 5) Develop service agreements with secondary schools should be implemented with Employ Florida Global Logistics Banner Center and the Employ Florida Banner Center for Advanced Manufacturing; and
- 6) Create a mentoring partnership with subject matter experts from the industry to achieve the goal of building relationships with their ports, manufacturers, and the workforce board.

Each Florida International Logistics Career Academy and Advanced Manufacturing Career Academy will be customized to meet the training needs of each port (inland and sea) and/or hub and the long term workforce talent needs of the geographic region and tied to national certifications and work experience such as internships and externships. Training within the academies should include but are not limited to, foreign language, international culture, safety, finance, international trade regulations, the how-to of exporting, entrepreneurship, marketing, manufacturing processes, supply chain management, and other offerings, depending on the needs of the geographic region and its port/hub and businesses.

This Agreement is to serve as a foundation for the relationship of the parties established hereby and as a point of entry to further discussions on the matters of substance identified by the parties hereinafter or as may be later identified as follows:
