TITLE:

Support of the Florida School Board Association's Resolution on High Stakes Testing

REQUESTED ACTION:

Approve support of the Florida School Board Association's Resolution on High Stakes Testing.

SUMMARY EXPLANATION AND BACKGROUND:

On June 13, 2012 the Florida School Boards Association Board of Directors approved a Resolution on High Stakes Testing. This resolution was presented to the Florida School Boards Association General membership meeting for approval. After some minor amendments the FSBA Resolution on High Stakes Testing was approved by the FSBA membership on June 14, 2012.
On May 30, 2012 the School Board of Broward County, Florida unanimously approved a "Resolution Opposing Overemphasis on High-Stakes Testing."
The FSBA Resolution does not contradict the School Board Resolution. The FSBA chose to adopt a resolution that was more detailed and Florida-specific.
School Districts throughout Florida are in the process of adopting the FSBA resolution.
