Re: Bid 12-007R - Tire Recapping valid until 06/30/16

Dear Mr. Stevens:

I have reviewed your response dated June 13, 2013, requesting The School Board of Broward County, Florida, (SBBC), to allow one-half or, only a 9% increase in prices for the above-referenced bid for recapped tires. The second alternative offered in the same letter would be to release Boulevard Tire Center from the contract and rebid the products.

After consultations with the Student Transportation and Fleet Services Department, SBBC does not wish to accept the 9% increase in prices as a counteroffer but the District will accept the second alternative to release Boulevard Tire Center and cancel the contract with appropriate notice.

General Condition 57 states that the bid may be canceled with or without cause by SBBC during the term hereof upon 30 days written notice to terminate this bid. Accordingly, SBBC will exercise the provisions of General Condition 57 and terminate this bid without penalty to your company effective July 19, 2013. Products may be purchased up to the date of termination at the current contract prices.

When a new solicitation has been prepared, we hope your company will participate.

Cordially,

Mark Alan
Purchasing Agent III
