

## **Executive Summary**

The agreement with College Summit provides material and support services to allow implementation of the U.S. Department of Education High School Graduation Initiative Grant.

This agreement is aligned with U.S. Department of Education High School Graduation Initiative Grant awarded to the District in October 2010 in excess of \$4.5 million over five years. The Agreement acknowledges that College Summit is the source of the material and support services(s) available to meet the parameters of the grant. The program provides standards-aligned lessons, transformational activities designed to create a college-going culture at schools with large populations of low-income students. College Summit partners with public schools to shift the focus from high school graduation to college success by training principals, teachers, and the most influential students in the school to put every student on the path to higher education.

The College Summit strategy utilizes a team approach, and includes the implementation of a classroom-based college and career planning curriculum (with full online portal) for all students, professional development for high school educators, training for student influences (“peer leaders”) to create college-going culture with their peers and in their community, as well as customized performance management reports..

The grant supports teacher training, teacher guides, instructional materials, student training, as well as a weekend emersion experience on college campuses for student participants.

The methods for increasing college enrollment among low-income and minority students utilized by College Summit has been recognized by the United States Department of Education and recommended in its “Doing What Works” website for “Helping Students Navigate the Path to College,” and their annual report on initiatives to diversify higher education. Therefore, the partnership with College Summit strengthened the grant proposal. College Summit participants enroll in college at a rate 22% higher than students who do not participate. Also, students who participate in the College Summit program have a 65% college persistence rate, which is on par with persistence rates for U.S. students from all income levels. The College Summit curriculum is currently being implemented in all ten of the Educational Transformation Office (ETO) high schools in Miami-Dade.

3.01 **No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries.** The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.03 **Independent Contractor.** The parties to this agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Equal Opportunity Provision.** The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.21 **Amendments.** No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

### DATA SHARING AGREEMENT FOR FULL MODEL SCHOOLS ONLY

2013-2014 Academic Year

**THIS AGREEMENT**, made as of the 1st day of August, by and between The School Board of Broward County, Florida, located at 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301 and College Summit a nonprofit corporation located at 1763 Columbia Road, NW, 2nd Floor, Washington, DC 20009, establishes the content, use, and protection of data required by College Summit to verify the college enrollment of district graduates as described in the partnership agreement

1. **STUDY PURPOSE.** College Summit seeks to make college enrollment information actionable by sharing it with education partners so that they can make adjustments in resources, curricula, and scheduling in order to improve the college enrollment rates of our partner high schools. College Summit also uses this outcome data to study the efficacy of its own programs so that it can better serve its partners across the country.
2. **STUDY SCOPE.** College Summit, on behalf of SBBC, will verify post-secondary college enrollment of SBBC graduates via the National Student Clearinghouse or similar college enrollment verification services. College Summit analyzes externally-verified college enrollment, rather than relying on output data (i.e. college applications sent and/or college admissions offers) or on self-reported outcome data. Analysis is dependent on the quality and availability of data and may include:
  - College enrollment trends over time or compared to a pre-partnership baseline
  - Factors influencing college enrollment (demographics, college planning activity, etc.)
  - College persistence
  - Types and locations of colleges attended
  - Other factors, as available and consistent with the purpose of the study
3. **STUDY DURATION.** College Summit will verify the first-year college enrollment of SBBC graduates annually throughout the life of the partnership agreement. **SUMMARY EXPLANATION AND BACKGROUND:**
