RE: Approval of Fiscal Year 2014 Funding Recommendations - Human Services Department, Community Partnerships Division, Children's Services Administration Section: Funding Category – Behavioral Health in the amount of \$1,043,940

Dear Ms. Russo:

Please be advised that on August 27, 2013, the Broward County Board of County Commissioners approved Item No. 38 that included the above-referenced funding amount for Behavioral Health services to be provided by The School Board of Broward County through the Family Counseling Program effective October 1, 2013.

As you are aware, the development process for the aforementioned Agreement is well underway. Due to the length of time required to finalize the Agreement, it will not be available for approval by the School Board prior to the current Agreement expiring on September 30, 2013.

Upon execution, and regardless of the date of execution, the new Agreement will be effective as of October 1, 2013, and the County will pay for services provided under the Agreement on or after the effective date. Billing and reimbursement, however, must wait until the Agreement is fully executed.

If you need additional information, please contact Ms. Linda Raybin, Children's Services Administrator, at 954-357-7249 or [lraybin@broward.org](mailto:lraybin@broward.org).

Sincerely,

A handwritten signature in blue ink, appearing to read "Mandy Wells".
