Academic Solutions Academy, Inc.

Academic Solutions High School

Location Number 5028

The Venture Design Initiative was created to provide fee-supported premium services beyond those required by Section 1002.33, Florida Statutes, to charter schools in Broward County. This new initiative was strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Staff identified existing District models of strategic alignment with charter schools and developed a needs assessment to survey the charter school community. The results of such surveys revealed the need for premium services to be provided to these schools as permitted by Section 1002.33(20)(b), Florida Statutes.

As part of the District's Venture Design Initiative, the Innovative Programs Design/Support Department has negotiated the terms of an agreement with Academic Solutions Academy, Inc., for fee-supported voluntary participation in district-wide assessments for the following school:

School	Grades	Number of Tests Ordered	Location Number	School Address	Principal
Academic Solutions High School	9 - 12	200	5028	4099 N. Pine Island Road, Tamarac, FL 33321	Andrew Kinlock

The attached agreement delineates the negotiated terms as well as the structure and components that comprise the fee-supported assessments. The term of the agreement is from December 17, 2013, to June 30, 2014.
