(i) The Series 2014A Certificates are issued in the aggregate principal amount of \$[PAR AMOUNT], mature on July 1, 2029, subject to prepayment prior to maturity as described herein and subject to modification of the maturity date pursuant to Section 202(d)(ii). The Series 2014A Certificates are being issued as Index Floating Rate Certificates for a period ending on [_____], subject to a Conversion to another Interest Rate Period. Until converted to another Interest Rate Period as provided herein, such Series 2014A Certificates shall be substantially in the form attached as Exhibit A hereto.

(ii) Except as otherwise provided in connection with the maintenance of a book-entry-only system of registration of the Series 2014A Certificates, the Series 2014A Principal or the Prepayment Price of the Series 2014A Certificates shall be payable at the designated corporate trust office of the Trustee. The Series 2014A Interest shall be payable by check or draft of the Trustee mailed to the Series 2014A Certificate holder at the address of such Series 2014A Certificate holder shown on the registration records maintained by the Trustee as of the Record Date next preceding the Interest Payment Date. Such Series 2014A Interest may be paid by wire transfer within the United States to the registered owners of \$1,000,000 or more in aggregate principal amount of Series 2014A Certificates upon their request in writing received no later than the Record Date prior to any Interest Payment Date. The Trustee may charge a Series 2014A Certificate holder a reasonable fee for the cost of the wire transfer.

(d) So long as there shall be maintained a book-entry-only system with respect to a the Series 2014A Certificates, the following provisions shall apply:

The Series 2014A Certificates shall be held in the name of Cede & Co. as nominee for The Depository Trust Company (“DTC”), which will act initially as securities depository for the Series 2014A Certificates and so long as the Series 2014A Certificates are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, the Series 2014A Certificates shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“DTC Participants”) and other institutions that clear through or maintain a custodial relationship with DTC Participants, either directly or indirectly (“Indirect Participants”). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2014A Certificates (“Beneficial Owners”).

The principal and interest portions of Basic Lease Payments represented by the Series 2014A Certificates shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee, the Corporation or the School Board.

The Series 2014A Certificates shall initially be issued in the form of one fully registered Series 2014A Certificate for each maturity of each interest rate mode (and for each interest rate within a maturity) and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2014A Certificates, through DTC Participants and Indirect Participants.

During the period for which Cede & Co. is registered owner of the Series 2014A Certificates, any notice to be provided to any registered owner will be provided to Cede & Co. DTC shall be responsible for notice to DTC Participants and DTC Participants shall be responsible for notice to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notice to individual purchasers of beneficial interests.

(i) None of the School Board, the Trustee or any of their respective affiliates shall have any responsibility or obligation with respect to:

(A) the accuracy of the records of DTC or any DTC Participant with respect to any beneficial ownership interest in the Series 2014A Certificates;

(B) the delivery to any DTC Participant, any beneficial owner of the Series 2014A Certificates or any other Person, other than DTC, of any notice with respect to the Series 2014A Certificates; or

(C) the payment to any DTC Participant, any beneficial owner of the Series 2014A Certificates or any other Person, other than DTC, of any amount with respect to the principal or interest portions of Basic Lease Payments represented by the Series 2014A Certificates.

(ii) So long as the Series 2014A Certificates are issued pursuant to this subsection (d), the School Board and the Trustee may treat DTC as, and deem DTC to be, the absolute owner of the Series 2014A Certificates for all purposes whatsoever, including without limitation:

(A) the payment of the principal and interest portions of Basic Lease Payments represented by the Series 2014A Certificates;

(B) giving notices of prepayment, tender and other matters with respect to the Series 2014A Certificates;

(C) registering transfer with respect to the Series 2014A Certificates;
and

(D) the selection of Series 2014A Certificates for prepayment.

The School Board has entered into a Blanket Issuer Letter of Representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the School Board. In the event of such termination, the School Board shall select another securities depository. If the School Board does not replace DTC, the Trustee will

register and deliver to the Beneficial Owners replacement Series 2014A Certificates in the form of fully registered Series 2014A Certificates, in accordance with instructions from Cede & Co.

Series 2014A Certificates will be issued directly to owners of the Series 2014A Certificates other than DTC, or its nominee, upon the occurrence of the following events (subject, however, to operation of the two sentences following clause (3) below):

(1) DTC determines not to continue to act as securities depository for the Series 2014A Certificates; or

(2) the School Board has advised DTC of its determination that DTC is incapable of discharging its duties; or

(3) the School Board has determined that it is in the best interest of the Series 2014A Certificate holders not to continue the book-entry system of transfer or that interests of the Beneficial Owners of the Series 2014A Certificates might be adversely affected if the book-entry system of transfer is continued.

Upon occurrence of the event described in (1) or (2) above the School Board shall attempt to locate another qualified Securities Depository. If the School Board fails to locate another qualified Securities Depository to replace DTC, the Trustee shall authenticate and deliver Series 2014A Certificates in certificated form. In the event the School Board makes the determination noted in (2) or (3) above, and has made provisions to notify the Beneficial Owners of the Series 2014A Certificates of the availability of Series 2014A Certificates by mailing an appropriate notice to DTC, the School Board shall cause the Trustee to authenticate and deliver Series 2014A Certificates in certificated form, to DTC's Participants (as requested by DTC) in appropriate amounts.

(E) During the Applicable Period, Series 2014A Principal, Prepayment Price and Series 2014A Interest shall be paid as provided in Appendix I and the Series 2014A Certificates.

SECTION 202. INTEREST RATE PROVISIONS

The interest portion of Basic Lease Payments represented by Series 2014A Certificates which are ARS shall be calculated as provided in Section 204 hereof.

(a) General. Except as provided in Section 202(f) with respect to Provider Certificates, and except as otherwise provided in Appendix I with respect to the Applicable Period, the interest rate and Interest Rate Period for the calculation of the Series 2014A Interest represented by the Series 2014A Certificates may be adjusted as set forth in this Section 202.

Series 2014A Interest shall at no time be calculated at an interest rate in excess of the Maximum Rate, except that, as provided in Section 202(f), the Series 2014A Interest paid by the School Board with respect to Provider Certificates pursuant to any Liquidity Facility or agreement providing for a Liquidity Facility shall not exceed the Maximum Provider Rate.

(i) *Payment of Interest.* Except as provided in Section 202(f) with respect to Provider Certificates, the interest portion of Basic Lease Payments represented by each Series 2014A Certificate shall be paid on each applicable Interest Payment Date therefor.

(ii) *Interest Accrual.* Except during a Long-Term Rate Period or an ARS Interest Rate Period, the Series 2014A Interest shall accrue on the basis of the actual number of days elapsed during the applicable Interest Rate Period and a year of 365 days (366 days in a leap year). Series 2014A Interest represented by Long-Term Rate Certificates shall accrue on the basis of a 360 day year based on twelve 30 day months.

Series 2014A Interest shall be paid on each applicable Interest Payment Date. Series 2014A Interest shall accrue from and including the applicable Interest Accrual Date immediately preceding the date of authentication thereof or, if such date of authentication is an Interest Accrual Date to which Series 2014A Interest has been paid in full or duly provided for, from such date of authentication or, if it is the first payment of Series 2014A Interest with respect to such Series 2014A Certificate, the date thereof. Provided, however, if, as shown by the records of the Trustee, the Series 2014A Interest is in default, Series 2014A Interest represented by Series 2014A Certificates issued in exchange for Series 2014A Certificates surrendered for registration of transfer or exchange shall accrue from the date to which Series 2014A Interest represented by the Series 2014A Certificates so surrendered has been paid in full or, if no Series 2014A Interest has been paid with respect to such Series 2014A Certificates, from the date thereof. Provided further, if all Series 2014A Certificates to be remarketed are Provider Certificates, Series 2014A Interest with respect to the Series 2014A Certificates issued in exchange for Provider Certificates surrendered for registration or transfer shall accrue from the date to which Series 2014A Interest has been paid in full with respect to the Provider Certificates so exchanged.

(A) With respect to Daily Rate Certificates, Series 2014A Interest shall be payable on each applicable Interest Payment Date for the period commencing on the Interest Accrual Date preceding the prior Interest Payment Date and ending on the last day of such month.

(B) With respect to Weekly Rate Certificates, Series 2014A Interest shall be payable on each applicable Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on and including the day immediately preceding the Interest Payment Date (or, if sooner, the last day of the Weekly Rate Period).

(C) With respect to Short-Term Rate Certificates or Long-Term Rate Certificates, Series 2014A Interest shall be payable on each applicable Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on the day immediately preceding such Interest Payment Date.

(D) With respect to Index Floating Rate Certificates, Series 2014A Interest shall be payable on each applicable Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on and including the day immediately preceding such Interest Payment Date (or, if sooner, the last day of the Index Floating Rate Period).

In any event, Series 2014A Interest shall be payable for the final Interest Rate Period to the date on which the Series 2014A Certificates have been paid in full.

The terms of the Series 2014A Certificates shall be divided into consecutive Interest Rate Periods during which the Series 2014A Interest shall be determined at the Daily Rate, Weekly Rate, Index Floating Rate, Certificate Interest Term Rates, Long-Term Rate and/or Auction Rate.

(iii) *Determinations of Remarketing Agent and Calculation Agent Binding.*

The determination for Series 2014A Certificates of the Daily Rate, Weekly Rate and Long-Term Rate and each Certificate Interest Term and Certificate Interest Term Rate by the Remarketing Agent shall be conclusive and binding upon the School Board, the Trustee, the Tender Agent, the Remarketing Agent, the Liquidity Provider and the holders of the Series 2014A Certificates. The determination for Series 2014A Certificates of an Index Floating Rate by the Calculation Agent shall be conclusive and binding upon the School Board, the Trustee and the holders of the Index Floating Rate Certificates.

(b) Weekly Rate and Weekly Rate Period.

(i) *Determination of Weekly Rate.* During each Weekly Rate Period, the Series 2014A Interest represented by Weekly Rate Certificates shall be calculated at the Weekly Rate, which shall be determined by the Remarketing Agent by 5:00 p.m., New York City time, on Wednesday of each week during the Weekly Rate Period, or if such day is not a Business Day, then on the next succeeding Business Day. The first Weekly Rate for each Weekly Rate Period shall be determined on or prior to the first day of such Weekly Rate Period and shall apply to the period commencing on the first day of such Weekly Rate Period and ending on and including the next succeeding Wednesday; provided, the first Weekly Rate for an initial Weekly Rate Period after a Conversion to a Weekly Rate shall be determined prior to the Conversion Date and shall apply to the period commencing on the Conversion Date and ending on and including the next succeeding Wednesday. Thereafter, each Weekly Rate shall apply to the period commencing on and including Thursday and ending on and including the next succeeding Wednesday, unless such Weekly Rate Period ends on a day other than Wednesday, in which event the last Weekly Rate for such Weekly Rate Period shall apply to the period commencing on and including the Thursday preceding the last day of such Weekly Rate Period and ending on and including the last day of such Weekly Rate Period.

Each Weekly Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Series 2014A Certificates and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if applied to Series 2014A Interest, would enable the Remarketing Agent to sell all of the Weekly Rate Certificates on the effective date of that rate at a price (without regard to accrued interest) equal to the principal portion represented thereby.

If the Remarketing Agent fails to establish a Weekly Rate for any week then the Weekly Rate with respect to Weekly Rate Certificates for such week shall be the same as the immediately preceding Weekly Rate if such Weekly Rate was determined by the Remarketing Agent. If the immediately preceding Weekly Rate was not determined by the Remarketing

Agent, or if the Weekly Rate determined by the Remarketing Agent is held to be invalid or unenforceable by a court of law, then the Weekly Rate for such week, as determined by the Remarketing Agent, shall be equal to 110% of the SIFMA Index, or if such index is no longer available, 85% of the interest rate on 30 day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the day such Weekly Rate would otherwise be determined as provided herein for such Weekly Rate Period.

(ii) *Conversion to Weekly Rate.* Subject to Section 203 hereof, the School Board may, from time to time, by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and the Broker-Dealers (if any), elect that all or a portion of the Series 2014A Interest shall accrue at a Weekly Rate. The direction of the School Board shall specify (A) the proposed effective date of the Conversion to a Weekly Rate, which shall be (1) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long-Term Rate Period, the day immediately following the last day of the then current Long-Term Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) hereof if such Conversion did not occur, (3) in the case of a Conversion from a Short-Term Rate Period, the day immediately following the last day of the Short-Term Rate Period determined in accordance with Section 202(e)(iv), (4) in the case of a Conversion from an ARS Interest Rate Period, an ARS Interest Payment Date, and (5) in the case of a Conversion from an Index Floating Rate Period, the day immediately following the last day of the Index Floating Rate Period; and (B) the Tender Date for the Series 2014A Certificates subject to such Conversion which shall be the proposed effective date of the Conversion to a Weekly Rate and (C) the amount of Series 2014A Principal which will be subject to Conversion to a Weekly Rate Period. In addition, the direction of the School Board shall be accompanied by a form of notice to be mailed to the holders of Series 2014A Certificates subject to such Conversion by the Trustee as provided in Section 202(b)(iii). During each Weekly Rate Period commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the Series 2014A Interest represented by such Weekly Rate Certificates shall accrue at a Weekly Rate.

(iii) *Notice of Conversion to Weekly Rate.* The Trustee shall give notice by first class mail of a Conversion to a Weekly Rate Period to the holders of the Series 2014A Certificates subject to such Conversion not less than 30 days prior to the proposed effective date of such Weekly Rate Period. Such notice shall state (A) that the calculation of the interest rate on the Series 2014A Interest represented by the Series 2014A Certificates which they hold shall be converted to a Weekly Rate unless the School Board rescinds its election to convert the interest rate to a Weekly Rate as provided in Section 203(b); (B) the proposed effective date of the Weekly Rate Period; (C) that the Series 2014A Certificates subject to such Conversion are subject to mandatory tender for purchase on the proposed Conversion Date and setting forth the Tender Price and the place of delivery for purchase of such Series 2014A Certificates; and (D) the information set forth in Section 307(e).

(c) Daily Rate and Daily Rate Period.

(i) *Determination of Daily Rate.* During each Daily Rate Period, Series 2014A Interest represented by Daily Rate Certificates shall be calculated at the Daily Rate, which shall be determined by the Remarketing Agent on each Business Day for such Business Day.

The Daily Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Series 2014A Certificates and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) on or before 10:30 a.m., New York City time, on a Business Day to be the minimum interest rate which, if applied to all of the Daily Rate Certificates, would enable the Remarketing Agent to sell the Daily Rate Certificates on such Business Day at a price (without regard to accrued interest) equal to the principal portion represented thereby. The Daily Rate for any day which is not a Business Day shall be the same as the Daily Rate for the immediately preceding Business Day.

If for any reason a Daily Rate is not so established for any Business Day by the Remarketing Agent, the Daily Rate for such Business Day shall be the same as the Daily Rate for the immediately preceding day and such rate shall continue until the earlier of (A) the date on which the Remarketing Agent determines a new Daily Rate or (B) the seventh day succeeding the first such day on which such Daily Rate is not determined by the Remarketing Agent. In the event that the Daily Rate shall be held to be invalid or unenforceable by a court of law, or the Remarketing Agent fails to determine a new Daily Rate for a period of seven days as described in clause (B) of the immediately preceding sentence, the interest rate, as determined by the Remarketing Agent, shall be the interest rate per annum equal to 110% of the SIFMA Index, or if such index is no longer available, 85% of the interest rate on 30 day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in *The Wall Street Journal* as reported for each Business Day (and for the immediately preceding Business Day for each day which is not a Business Day) until such Daily Rate is again validly determined by such Remarketing Agent.

(ii) *Conversion to Daily Rate.* Subject to Section 203 hereof, the School Board may, from time to time, by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and the Broker-Dealers (if any), elect that all or a portion of the Series 2014A Interest shall be calculated at a Daily Rate. The direction of the School Board shall specify (A) the proposed effective date of such Conversion to a Daily Rate, which shall be (1) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Weekly Rate Period, any Business Day, (3) in the case of a Conversion from a Long-Term Rate Period, the day immediately following the last day of the then current Long-Term Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) if such Conversion did not occur, (4) in the case of a Conversion from a Short-Term Rate Period, the day immediately following the last day of the Short-Term Rate Period determined in accordance with Section 202(e)(iv), (5) in the case of a Conversion from an ARS Interest Rate Period, an ARS Interest Payment Date, and (6) in the case of a Conversion from an Index

Floating Rate Period, the day immediately following the last day of the Index Floating Rate Period; (B) the Tender Date for the Series 2014A Certificates subject to such Conversion, which shall be the proposed effective date of the Conversion to a Daily Rate and (C) the amount of Series 2014A Principal the interest accruing on which will be converted to calculation at a Daily Rate. In addition, the direction of the School Board shall be accompanied by a form of notice to be mailed by the Trustee to the holders of Series 2014A Certificates subject to such Conversion as provided in Section 202(c)(iii). During each Daily Rate Period commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the Series 2014A Interest represented by the Daily Rate Certificates shall accrue at a Daily Rate.

(iii) *Notice of Conversion to Daily Rate.* The Trustee shall give notice by first class mail of a Conversion to a Daily Rate Period to the holders of the Series 2014A Certificates subject to such Conversion not less than 30 days prior to the proposed effective date of such Daily Rate Period. Such notice shall state (A) that the interest rate shall be converted to a Daily Rate unless the School Board rescinds its election to convert the interest rate to a Daily Rate as provided in Section 203(b); (B) the proposed effective date of the Daily Rate Period; (C) that Series 2014A Certificates subject to such Conversion are subject to mandatory tender for purchase on the proposed effective date and setting forth the Tender Price and the place of delivery for purchase of the Series 2014A Certificates subject to such Conversion and (D) the information set forth in Section 307(e).

(d) Long-Term Rate and Long-Term Rate Period.

(i) *Determination of Long-Term Rate.* During each Long-Term Rate Period, the Series 2014A Interest represented by Long-Term Rate Certificates shall be calculated at a Long-Term Rate. The Long-Term Rate for each Long-Term Rate Period shall be determined by the Remarketing Agent on a Business Day no later than the effective date of such Long-Term Rate Period.

(A) The Long-Term Rate for a Long-Term Rate Period shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Series 2014A Certificates and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if applied to all of the Long-Term Rate Certificates, would enable the Remarketing Agent to sell the Long-Term Rate Certificates for the applicable Long-Term Rate Period on the effective date at a price (without regard to accrued interest) equal to the principal portion represented thereby, provided that in connection with a Conversion to or continuation of a Long-Term Rate pursuant to Section 202(d)(ii) hereof, the Long-Term Rate may be the minimum interest rate which, if applied to the Series 2014A Interest represented by such Long-Term Rate Certificate for the applicable Long-Term Rate Period, would enable the Remarketing Agent to sell all of the Long-Term Rate Certificates on the effective date at a price (without regard to accrued interest) greater than the Series 2014A Principal represented thereby upon consent of the School Board and delivery of a Favorable Opinion.

(B) In the event that for any reason the Remarketing Agent does not establish the Long-Term Rate as required above, then the Series 2014A Interest represented by the Long-Term Rate Certificates shall continue to be calculated at the rate in effect for the immediately prior Long-Term Rate Period for a new Long-Term Rate Period equal in length to the immediately prior Long-Term Rate Period, unless (1) the School Board is able to obtain a Favorable Opinion and a Liquidity Facility meeting the requirements hereof with respect to Weekly Rate Periods is in effect, in which case such Long-Term Rate Certificates shall be converted to Weekly Rate Certificates, or (2) if no Liquidity Facility meeting the requirements hereof with respect to the Weekly Rate Period is available, but the School Board is able to obtain a Favorable Opinion, Series 2014A Interest represented by Long-Term Rate Certificates shall continue to accrue at the rate in effect for the immediately prior Long-Term Rate Period, but for a new Long-Term Rate Period of one year, and such Long-Term Rate Certificates shall continue to be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period.

(C) In the event that any Long-Term Rate Certificate is not remarketed, the Series 2014A Interest represented thereby shall be determined as provided in Section 202(g)(ii) hereof.

(ii) *Conversion to or Continuation of Long-Term Rate.* (A) Subject to Section 203, at any time, the School Board, by written direction to the Trustee, the Tender Agent, the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and the Broker-Dealers (if any), may elect that all or a portion of Series 2014A Interest shall be calculated, or continue to be calculated, at a Long-Term Rate. The direction of the School Board (1) shall specify the proposed effective date of the Long-Term Rate Period, which date shall be (v) a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction, (w) in the case of a Conversion from a Daily Rate Period or Weekly Rate Period, any Business Day, (x) in the case of a Conversion from a Short-Term Rate Period, the day immediately following the last day of the Short-Term Rate Period determined in accordance with Section 202(e)(iv), (y) in the case of a Conversion from an ARS Interest Rate Period, an ARS Interest Payment Date, (z) in the case of a continuation of a Long-Term Rate Period, the day immediately following the last day of the then current Long-Term Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d), and (aa) in the case of a Conversion from an Index Floating Rate Period, the day immediately following the last day of the Index Floating Rate Period, (2) shall specify a Tender Date on or prior to which holders of Series 2014A Certificates subject to such Conversion are required to deliver their Series 2014A Certificates to be purchased; (3) shall specify the amount of Series 2014A Principal the interest accruing on which will be converted to calculation at a Long-Term Rate, and (4) subject to the requirement of a Favorable Opinion as provided in Section 203(c) hereof, may specify Prepayment Prices and periods, and, if the last day of the Long-Term Rate Period shall be the day immediately prior to the Maturity Date, shall provide for the Long-Term Rate Certificates to mature serially in the principal portions scheduled for mandatory sinking fund prepayment in accordance with a schedule set forth by the School Board. On or prior to the effective date specified pursuant to clause (1) above, the School Board shall, by such means as the School Board deems practicable, give notice to the Trustee, the Tender Agent, the Liquidity Provider (if any) and the Remarketing Agent (if any) of the initial Interest Payment Date for such Long-Term Rate Period and the last day of the Long-Term Rate Period (which last day shall be either the day immediately prior to

the Maturity Date, or a day which both immediately precedes a Business Day and is at least 181 days after the effective date thereof).

(B) The direction of the School Board described in Section 202(d)(ii)(A) shall be accompanied by a form of the notice to be mailed by the Trustee to the holders of the Series 2014A Certificates subject to such Conversion as provided in Section 202(d)(iii). During the Long-Term Rate Period, the Series 2014A Interest represented by Long-Term Rate Certificates shall accrue at a Long-Term Rate.

(C) If, by the second Business Day preceding the 29th day prior to the last day of any Long-Term Rate Period, the Trustee has not received notice of the School Board's election that, during the next succeeding Interest Rate Period, the Series 2014A Interest represented by the Long-Term Rate Certificates shall be calculated at a Weekly Rate, a Daily Rate, the Applicable ARS Rate, Index Floating Rate or another Long-Term Rate and/or at Certificate Interest Term Rates, the next succeeding Interest Rate Period for such Long-Term Rate Certificates shall be either (i) the shortest possible Long-Term Rate Period, if the School Board is able to obtain a Favorable Opinion, or (ii) a Long-Term Rate Period of the same duration as the previous Long-Term Rate Period, if the School Board is not able to obtain a Favorable Opinion, until such time as the interest rate shall be adjusted to a Daily Rate, Weekly Rate, Long-Term Rate or Certificate Interest Term Rates, Index Floating Rate and/or the Applicable ARS Rate as provided in this Section 202 or Section 204(k), and such Long-Term Rate Certificates shall be subject to mandatory purchase as provided in Section 307(b) hereof on the first day of such Long-Term Rate Period. The Series 2014A Interest represented by such Long-Term Rate Certificates shall be calculated at a Long-Term Rate determined in accordance with Section 202(d)(i)(A) hereof, provided that if the Remarketing Agent fails to establish the Long-Term Rate as required by Section 202(d)(i)(A) then the Series 2014A Interest represented by such Long-Term Rate Certificates shall be calculated at a Long-Term Rate determined in accordance with Section 202(d)(i)(B) hereof.

(iii) *Notice of Conversion to or Continuation of Long-Term Rate.* The Trustee shall give notice by first class mail of a Conversion to (or the establishment of another) Long-Term Rate Period to the holders of Long-Term Rate Certificates affected thereby not less than 30 days prior to the effective date of the Long-Term Rate Period. Such notice shall state (A) that all or a portion of Series 2014A Interest shall be converted to, or continue to be calculated at, a Long-Term Rate unless (1) the School Board rescinds its election to adjust the interest rate to a Long-Term Rate as provided in Section 203(b) or (2) all Series 2014A Certificates subject to such Conversion or continuation are not remarketed at a Long-Term Rate; (B) the proposed effective date; (C) that the Series 2014A Certificates subject to such Conversion or continuation are subject to mandatory tender for purchase on the proposed effective date of the new Long-Term Rate Period and setting forth the Tender Price and the place of delivery for purchase of the affected Series 2014A Certificates; and (D) the information set forth in Section 307(e).

(iv) *Conversion from Long-Term Rate Period.* The School Board may elect by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any) and the Remarketing Agent (if any), subject to Section 203 hereof, that, on the day immediately following the last day of a Long-Term Rate Period or a day on which the Long-

Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d), some or all of the Series 2014A Interest represented by Long-Term Rate Certificates shall no longer accrue at the current Long-Term Rate and shall instead accrue at a Weekly Rate, a Daily Rate, Certificate Interest Term Rates, the Applicable ARS Rate, an Index Floating Rate and/or a new Long-Term Rate, as specified in such election. In the notice of such election, the School Board shall also specify the effective date of the new Interest Rate Period, which date (1) shall be a Business Day no earlier than the 30th day after the second Business Day following the date of receipt by the Trustee of the notice of election from the School Board or, in the case of adjustment to a new Long-Term Rate Period, the 30th day after the second Business Day following the date of receipt by the Trustee of such notice and (2) shall be the day immediately following the last day of the Long-Term Rate Period currently in effect or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) if such Conversion did not occur. Such Long-Term Rate Certificates shall be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period, in accordance with Section 307(b).

(e) Certificate Interest Term Rates and Short-Term Rate Periods.

(i) *Determination of Certificate Interest Terms and Certificate Interest Term Rates.* During each Short-Term Rate Period, the Series 2014A Interest represented by Short-Term Rate Certificates shall be calculated during each Certificate Interest Term at the Certificate Interest Term Rate for that Short-Term Rate Certificate. The Certificate Interest Term and the Certificate Interest Term Rate for each Short-Term Rate Certificate need not be the same for any two Short-Term Rate Certificates, even if determined on the same date. Each Certificate Interest Term and Certificate Interest Term Rate shall be determined by the Remarketing Agent no later than 9:00 a.m., New York City time, the first day of each Certificate Interest Term. Except for any Short-Term Rate Certificate purchased by the Liquidity Provider on behalf of the School Board and remaining unsold by the Remarketing Agent at the close of business on the first day of the Certificate Interest Term, each Certificate Interest Term shall be for a period of days within the range or ranges announced by the Remarketing Agent as possible Certificate Interest Terms no later than 9:00 a.m., New York City time, on the first day of each Certificate Interest Term. Each Certificate Interest Term shall be a period of not more than 180 days, determined by the Remarketing Agent in its reasonable judgment to be the period which, together with all other Certificate Interest Terms for all Short-Term Rate Certificates then Outstanding, will result in the lowest overall interest expense on the Short-Term Rate Certificates. Any Short-Term Rate Certificate purchased on behalf of the School Board and remaining unsold by the Remarketing Agent as of the close of business on the first day of the Certificate Interest Term for such Short-Term Rate Certificate shall have a Certificate Interest Term of one day or, if that Certificate Interest Term would not end on a day immediately preceding a Business Day, a Certificate Interest Term ending on the day immediately preceding the next Business Day. Each Certificate Interest Term shall end either on a day which immediately precedes a Business Day or on a day immediately preceding the Maturity Date for such Short-Term Rate Certificates. If for any reason a Certificate Interest Term cannot be determined by the Remarketing Agent, or if the determination of such Certificate Interest Term is held by a court of law to be invalid or unenforceable, then such Certificate Interest Term shall be 30 days, but if the day so determined is not a day immediately preceding a Business Day, that Certificate Interest Term shall end on the first day immediately preceding the Business Day next

succeeding such last day, or if such last day would be after the day immediately preceding the Maturity Date, the Certificate Interest Term shall end on the day immediately preceding such Maturity Date. In determining the number of days in each Certificate Interest Term, the Remarketing Agent shall take into account the following factors: (1) existing short term tax exempt market rates and indices of such short term rates, (2) the existing market supply and demand for short term tax exempt securities, (3) existing yield curves for short term and long term tax exempt securities for obligations of credit quality and other characteristics comparable to the Series 2014A Certificates, (4) general economic conditions, (5) industry, economic and financial conditions that may affect or be relevant to the Series 2014A Certificates, and (6) such other facts, circumstances and conditions pertaining to financial markets as the Remarketing Agent in its sole discretion shall determine to be relevant; provided, however, that the number of days in any Certificate Interest Term shall not exceed the number of days of interest coverage provided under the Liquidity Facility, less five days and no Certificate Interest Term shall end after the date which is five Business Days prior to the expiration date of the Liquidity Facility.

The Certificate Interest Term Rate for each Certificate Interest Term shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the reasonable judgment of such Remarketing Agent, to the Short-Term Rate Certificates and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if applied to the Series 2014A Interest represented by such Short-Term Rate Certificate for such Certificate Interest Term, would enable the Remarketing Agent to sell such Short-Term Rate Certificate on the effective date of such Certificate Interest Term at a price equal to the principal amount thereof.

If for any reason a Certificate Interest Term Rate for any Short-Term Rate Certificate in a Short-Term Rate Period (other than a Provider Certificate) is not established by the Remarketing Agent for any Certificate Interest Term, or the determination of such Certificate Interest Term Rate is held by a court of law to be invalid or unenforceable, then the Certificate Interest Term Rate for such Certificate Interest Term, as determined by the Remarketing Agent, shall be the rate per annum equal to 85% of the interest rate on high grade unsecured commercial paper notes sold through dealers by major corporations as reported in *The Wall Street Journal* as reported on the first day of such Certificate Interest Term and which maturity most nearly equals the Certificate Interest Term for which a Certificate Interest Term Rate is being calculated.

(ii) *Conversion to Certificate Interest Term Rates.* Subject to Section 203 hereof, the School Board may, from time to time, by written direction to the Trustee, the Tender Agent, the Liquidity Provider (if any), the Remarketing Agent (if any), the Rating Agency (if any), the Auction Agent (if any) and the Broker-Dealers (if any), elect that all or a portion of Series 2014A Interest shall accrue at Certificate Interest Term Rates. The direction of the School Board shall specify (A) the proposed effective date of the Short-Term Rate Period (during which such Series 2014A Interest shall accrue at Certificate Interest Term Rates), which shall be (1) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long-Term Rate Period, the day immediately following the last day of such Long-Term Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) if such Conversion did not occur and (3) in the case of a Conversion

from an Index Floating Rate Period, the day immediately following the last day of the Index Floating Rate Period, (B) the Tender Date for the Series 2014A Certificates, which shall be the proposed effective date of the Short-Term Rate Period and (C) the amount of Series 2014A Principal the interest accruing on which will be converted to calculation at Certificate Interest Term Rates. In addition, the direction of the School Board shall be accompanied by a form of the notice to be mailed by the Trustee to the holders of Series 2014A Certificates subject to such Conversion as provided in Section 202(e)(iii). During each Short-Term Rate Period commencing on the date specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the Series 2014A Interest represented by each Short-Term Rate Certificate shall be calculated at a Certificate Interest Term Rate during each Certificate Interest Term for that Short-Term Rate Certificate.

(iii) *Notice of Conversion to Certificate Interest Term Rates.* The Trustee shall give notice by first class mail of a Conversion to a Short-Term Rate Period to the holders of the Series 2014A Certificates subject to such Conversion not less than 30 days prior to the proposed effective date of such Short-Term Rate Period. Such notice shall state (A) that the interest portion of Basic Lease Payments represented by the Series 2014A Certificates subject to Conversion shall be calculated at Certificate Interest Term Rates unless the School Board rescinds its election to convert the interest rate calculation to Certificate Interest Term Rates as provided in Section 203(b); (B) the proposed effective date of the Short-Term Rate Period; (C) that the Series 2014A Certificates subject to Conversion are subject to mandatory tender for purchase on the proposed effective date of the Short-Term Rate Period and setting forth the applicable Tender Price and the place of delivery for purchase of the Series 2014A Certificates subject to such Conversion; and (D) the information set forth in Section 307(e).

(iv) *Conversion from Short-Term Rate Period.* Subject to Sections 203(b) and 203(c) hereof, at any time during a Short-Term Rate Period, the School Board may elect, pursuant to Section 202(b)(ii), 202(c)(ii), 202(d)(ii), 202(i)(ii) or 204(k) that all or a portion of the Series 2014A Interest no longer shall be calculated at Certificate Interest Term Rates and shall be calculated at a Weekly Rate, a Daily Rate, a Long-Term Rate, an Index Floating Rate and/or the Applicable ARS Rate, as specified in such election.

The date on which all Certificate Interest Terms determined for such Short-Term Rate Certificates shall end shall be the last day of the current Short-Term Rate Period with respect thereto and the day next succeeding such date shall be the Maturity Date or the effective date of the Daily Rate Period, Weekly Rate Period, Long-Term Rate Period, Index Floating Rate Period and/or ARS Interest Rate Period elected by the School Board.

(f) Provider Certificates. Notwithstanding anything in the Series 2014A Trust Agreement to the contrary, the Series 2014A Interest represented by Provider Certificates shall be calculated at the rates (and on the basis) applicable from time to time under the applicable Liquidity Facility and such interest portion shall accrue and be payable on the dates as specified in the applicable Liquidity Facility; provided that, in any event, the Series 2014A Interest represented by Provider Certificates shall not exceed the Maximum Provider Rate. Not less than five (5) Business Days prior to each Interest Payment Date for Provider Certificates, the Trustee shall give telephonic notice, confirmed in writing, to the School Board of the estimated Series 2014A Interest due to the Liquidity Provider on such Interest Payment Date and by 1:30 p.m. on

the Business Day preceding each Interest Payment Date for Provider Certificates, the Trustee shall give telephonic notice, confirmed in writing, to the School Board of the Series 2014A Interest due to the Liquidity Provider on such Interest Payment Date.

In the event that Series 2014A Certificates to be remarketed are only partially held as Provider Certificates, the Series 2014A Certificates and Provider Certificates shall be remarketed at a purchase price equal to the principal portion represented by the Series 2014A Certificates and Provider Certificates to be remarketed plus accrued interest from the prior Interest Accrual Date to the remarketing date calculated at the rate for the Series 2014A Certificates that are not Provider Certificates. Promptly upon being notified of any date of remarketing of Provider Certificates, but not later than 11:00 a.m., New York City time, on the remarketing date, the Trustee shall request from the Liquidity Provider the amount of accrued interest represented by Provider Certificates and shall then determine the Differential Interest Amount. The Trustee is directed to (y) pay the Differential Interest Amount to the Liquidity Provider with amounts deposited with the Trustee by the School Board from the Certificate Purchase Fund on the date of remarketing and (z) notify the Tender Agent and the Remarketing Agent of the amount of the interest portion that would have accrued on the same principal portion represented by Series 2014A Certificates, if any, that were not Provider Certificates. Notwithstanding anything in the Series 2014A Trust Agreement to the contrary, in the event that all Series 2014A Certificates being remarketed are Provider Certificates, such Provider Certificates shall be remarketed to the purchasers thereof without accrued interest.

(g) Failed Remarketing; Liquidity Failure. (i) *Daily Rate Certificates, Weekly Rate Certificates or Short-Term Rate Certificates.* In the event that any Daily Rate Certificates, Weekly Rate Certificates or Short-Term Rate Certificates cannot be remarketed by the Remarketing Agent, and a Liquidity Facility is either unavailable or the Liquidity Provider for any reason fails to make payment thereunder, the Series 2014A Interest represented by such Series 2014A Certificates shall accrue at One Month LIBOR Rate plus one-half percent (0.50%) per annum (which rate shall not exceed the Maximum Rate), until such time as the Remarketing Agent is able to remarket such Series 2014A Certificates or a Liquidity Facility is available to pay the Tender Price of such Series 2014A Certificates or such Series 2014A Certificates are converted to a new Interest Rate Period with the Tender Price being paid upon Conversion.

(ii) *Long-Term Rate Certificates; Index Floating Rate Certificates.* In the event that any Long-Term Rate Certificates or, other than in the Applicable Period, any Index Floating Rate Certificates cannot be remarketed, then the Series 2014A Interest represented by such Delayed Remarketing Certificates shall accrue at (A) with respect to a Long-Term Rate Period or Index Floating Rate Period for which a Liquidity Facility is in effect, One Month LIBOR Rate plus one-half percent (0.50%) per annum (which rate shall not exceed the Maximum Rate), and (B) with respect to a Long-Term Rate Period or Index Floating Rate Period for which no Liquidity Facility is in effect, eleven percent (11%) per annum, during the Delayed Remarketing Period.

(h) Special Provisions Relating to Delayed Remarketing Certificates. Notwithstanding anything in the Series 2014A Trust Agreement to the contrary, the following provisions shall apply with respect to Delayed Remarketing Certificates.

On each Business Day during the Delayed Remarketing Period, the Remarketing Agent shall continue to use its best efforts to remarket the Delayed Remarketing Certificates into the Interest Rate Period designated by the Trustee, at the direction of the School Board (or such other Interest Rate Period as the Trustee, at the direction of the School Board, shall thereafter designate to the Remarketing Agent and the prospective holders of such Series 2014A Certificates). Once the Remarketing Agent has advised the Trustee that it reasonably believes that it is able to remarket all of the Delayed Remarketing Certificates into the designated Interest Rate Period, the Trustee, at the direction of the School Board, will give notice by mail to the Holders of the Delayed Remarketing Certificates no later than five (5) Business Days prior to the proposed effective date of the new Interest Rate Period (the "Delayed Remarketing Date"), which notice shall state (A) that the Series 2014A Interest represented by such Delayed Remarketing Certificates will continue to be calculated at a Long-Term Rate or Index Floating Rate or will be adjusted to calculation at a Daily Rate, Weekly Rate, Certificate Interest Term Rate, Index Floating Rate, Long-Term Rate or Applicable ARS Rate unless the remarketing proceeds available on the Delayed Remarketing Date is less than the amount required to purchase all of the Delayed Remarketing Certificates at the Tender Price; (B) the Delayed Remarketing Date and, with respect to Delayed Remarketing Certificates for which the Series 2014A Interest represented thereby shall continue to accrue at a Long-Term Rate or Index Floating Rate, the proposed duration and last day of the Long-Term Rate Period or Index Floating Rate Period, as the case may be; (C) that the Delayed Remarketing Certificates are subject to mandatory tender for purchase on the Delayed Remarketing Date and setting forth the Tender Price and the place of delivery for purchase of the Delayed Remarketing Certificates; (D) the information set forth in Section 307(f); and (E) that if sufficient funds are not available to pay the Tender Price of all Delayed Remarketing Certificates on the Delayed Remarketing Date, then the Series 2014A Interest on all such Delayed Remarketing Certificates shall accrue at the rate set forth in Section 202(g)(ii) hereof until all such Series 2014A Certificates are purchased as required in accordance with this Series 2014A Supplemental Trust Agreement, and all tendered Delayed Remarketing Certificates shall be returned to their respective Holders. The Trustee shall send a copy of any notice sent to Delayed Remarketing Certificate holders pursuant to the preceding sentence to the Tender Agent, the Liquidity Provider (if any), the Remarketing Agent (if any), the Rating Agency (if any), the Auction Agent (if any), and the Broker-Dealers (if any).

The Delayed Remarketing Certificates are subject to prepayment in accordance with Section 303(h) hereof. The Trustee shall give notice of any such prepayment to the Delayed Remarketing Certificate holders at least five (5) Business Days prior to the Prepayment Date and otherwise in accordance with Section 314 of the Master Trust Agreement.

(iii) During the Delayed Remarketing Period, the Series 2014A Interest represented by Delayed Remarketing Certificates shall be paid to the Holders thereof (A) on each Interest Payment Date applicable to the prior Interest Rate Period occurring during the Delayed Remarketing Period and (B) on the last day of the Delayed Remarketing Period. In the case of clause (A), payment of the Series 2014A Interest represented by Delayed Remarketing Certificates shall be made by the Trustee from the Series 2004 Lease Payment Account pursuant to the Series 2004D Trust Agreement. In the case of clause (B), payment of the Series 2014A Interest represented by Delayed Remarketing Certificates shall be payable solely from the proceeds of remarketing and without duplication of any payment made pursuant to clause (A).

(i) Index Floating Rate and Index Floating Rate Period.

(i) *Determination of Index Floating Rate.* During each Index Floating Rate Period, the Series 2014A Interest represented by Index Floating Rate Certificates shall be calculated at the Index Floating Rate. The Spread, if any, for each Index Floating Rate Period, other than the Applicable Period, shall be the rate of interest per annum determined prior to the commencement of the Index Floating Rate Period by the Remarketing Agent (based on an examination of tax-exempt obligations comparable, in the reasonable judgment of such Remarketing Agent, to the Index Floating Rate Certificates and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if applied to the Series 2014A Interest represented by such Index Floating Rate Certificate for such Index Floating Rate Period, would enable the Remarketing Agent to sell such Index Floating Rate Certificate on the effective date of such Index Floating Rate Period at a price equal to the principal amount thereof. The Spread for the Applicable Period shall equal the Applicable Spread.

No later than 5:00 p.m., New York time, on each Index Floating Rate Determination Date the Calculation Agent shall determine the Index Floating Rate for the next succeeding Index Floating Rate Reset Date and no later than 5:00 p.m., New York time, on the Business Day prior to each Interest Payment Date during the Index Floating Rate Period, the Calculation Agent shall determine for such Interest Payment Date the Series 2014A Interest accrued on the Index Floating Rate Certificates from the last Interest Payment Date on which Series 2014A Interest was paid. The first Index Floating Rate for each Index Floating Rate Period shall be determined on or prior to the first day of such Index Floating Rate Period and shall apply to the period commencing on the first day of such Index Floating Rate Period and ending on and including the next succeeding Index Floating Rate Determination Date; provided, that the first Index Floating Rate for an initial Index Floating Rate Period after a Conversion to an Index Floating Rate shall be determined prior to the Conversion Date and shall apply to the period commencing on the Conversion Date and ending on and including the next succeeding Index Floating Rate Determination Date. Thereafter, each Index Floating Rate shall apply to the period commencing on and including Index Floating Rate Reset Date and ending on and including the next succeeding Index Floating Rate Determination Date, unless such Index Floating Rate Period ends on a day other than Index Floating Rate Determination Date, in which event the last Index Floating Rate for such Index Floating Rate Period shall apply to the period commencing on and including the Index Floating Rate Reset Date preceding the last day of such Index Floating Rate Period and ending on and including the last day of such Index Floating Rate Period. If for any reason the Index Floating Rate shall not be established, the Series 2014A Interest shall be calculated at the Index Floating Rate last in effect, until such time as a new Index Floating Rate shall be established pursuant to the terms hereof; provided, however, at such time as the new Index Floating Rate is determined, the amount of interest that should have accrued during the Index Floating Rate Period for which an Index Floating Rate was not determined will, at such time, be determined and netted from such prior assumed Index Floating Rate and such amount shall be applied on the next succeeding Interest Payment Date. The Index Floating Rate shall be rounded upward to the fifth decimal place. Upon determining the Index Floating Rate for a given week, the Calculation Agent shall notify the School Board of such rate by electronic mail (e-mail) or by telephone or in such other manner as may be appropriate on the Index Floating Rate

Determination Date, which notice, if provided by telephone, shall be promptly confirmed in writing.

(ii) *Conversion to Index Floating Rate or Continuation of Index Floating Rate.* Subject to Section 203 hereof, the School Board may, from time to time, by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and the Broker-Dealers (if any), elect that all or a portion of the Series 2014A Interest shall accrue at an Index Floating Rate or continue to accrue at an Index Floating Rate. The direction of the School Board shall specify (A) the proposed effective date of the Conversion to an Index Floating Rate, which shall be (1) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long-Term Rate Period, the day immediately following the last day of the then current Long-Term Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) hereof if such Conversion did not occur, (3) in the case of a Conversion from a Short-Term Rate Period, the day immediately following the last day of the Short-Term Rate Period determined in accordance with Section 202(e)(iv), (4) in the case of a Conversion from an ARS Interest Rate Period, an ARS Interest Payment Date, and (5) (z) in the case of a new Floating Index Rate Period, the day immediately following the last day of the then current Floating Index Rate Period, and (B) the Tender Date for the Series 2014A Certificates subject to such Conversion which shall be the proposed effective date of the Conversion to an Index Floating Rate and (C) the amount of Series 2014A Principal which will be subject to Conversion to an Index Floating Rate Period and (D) the end of such Index Floating Rate Period. In addition, the direction of the School Board shall be accompanied by a form of notice to be mailed to the holders of Series 2014A Certificates subject to such Conversion by the Trustee as provided in Section 202(b)(iii). During each Index Floating Rate Period commencing on a date so specified and ending on the day immediately preceding the last day of such Index Floating Rate Period, the Series 2014A Interest represented by such Index Floating Rate Certificates shall accrue at an Index Floating Rate.

(iii) *Notice of Conversion to Index Floating Rate or Continuation of Index Floating Rate.* The Trustee shall give notice by first class mail of a Conversion to (or the establishment of another) Index Floating Rate Period to the holders of the Series 2014A Certificates subject thereto not less than 30 days prior to the proposed effective date of such Index Floating Rate Period. Such notice shall state (A) that the calculation of the interest rate on the Series 2014A Interest represented by the Series 2014A Certificates which they hold shall be converted to, or continue to be calculated at, an Index Floating Rate unless (1) the School Board rescinds its election to convert the interest rate to an Index Floating Rate as provided in Section 203(i); or (2) all Series 2014A Certificates subject to such Conversion or continuation are not remarketed at an Index Floating Rate; (B) the proposed effective date of the Index Floating Rate Period and the end of such Index Floating Rate Period; (C) that the Series 2014A Certificates subject to such Conversion or continuation are subject to mandatory tender for purchase on the proposed effective date of the new Index Floating Rate Period and setting forth the Tender Price and the place of delivery for purchase of such Series 2014A Certificates; and (D) the information set forth in Section 307(e).

(iv) *Conversion from Index Floating Rate Period.* The School Board may elect by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any) and the Remarketing Agent (if any), subject to Section 203 hereof, that, on the day immediately following the last day of an Index Floating Rate Period, some or all of the Series 2014A Interest represented by Index Floating Rate Certificates shall no longer accrue at the current Index Floating Rate and shall instead accrue at a Weekly Rate, a Daily Rate, Certificate Interest Term Rates, the Applicable ARS Rate, a Long-Term Rate and/or a new Index Floating Rate, as specified in such election. In the notice of such election, the School Board shall also specify the effective date of the new Interest Rate Period, which date (1) shall be a Business Day no earlier than the 30th day after the second Business Day following the date of receipt by the Trustee of the notice of election from the School Board or, in the case of adjustment to a new Index Floating Rate Period, the 30th day after the second Business Day following the date of receipt by the Trustee of such notice and (2) shall be the day immediately following the last day of the Index Floating Rate Period currently in effect. Such Index Floating Rate Certificates shall be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period, in accordance with Section 307(b).

(v) In the event that any Index Floating Rate Certificate is not remarketed, the Series 2014A Interest represented thereby shall be determined as provided in Section 202(g)(ii) hereof.

SECTION 203. CONVERSION OF INTEREST RATE PERIODS. At the direction of the School Board, from time to time, some or all of the Series 2014A Certificates maturing on July 1, 2029, may be converted from an Interest Rate Period to one or more other Interest Rate Periods as provided in Section 202(b)(ii), 202(c)(ii), 202(d)(ii), 202(e)(ii), 202(i)(ii) or 204(k).

(a) Notice Upon Converting Interest Rate Period. If the School Board elects to convert the calculation of the Series 2014A Interest as provided in Section 202(b)(ii), 202(c)(ii), 202(d)(ii), 202(e)(ii), 202(i)(ii) or 204(k), respectively, the written direction furnished by the School Board to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and the Broker-Dealers (if any) as required by those Sections shall be made by registered or certified mail, or by telecopy confirmed by registered or certified mail. That direction shall specify whether the Series 2014A Interest is to be calculated at the Weekly Rate, Daily Rate, Long-Term Rate, Certificate Interest Term Rates, Floating Index Rate and/or Applicable ARS Rate and shall be accompanied by a copy of the notice required to be given by the Trustee pursuant to Section 202(b)(iii), 202(c)(iii), 202(d)(iii), 202(e)(iii), 202(i)(iii) or 204(l), as the case may be.

(b) Rescission of Election. Notwithstanding anything in Section 202 or 204(k) or this Section 203, in connection with any Conversion of the Interest Rate Period for the Series 2014A Certificates, the School Board shall have the right to deliver to the Trustee, the Remarketing Agent (if any), the Tender Agent (if any), the Liquidity Provider (if any), the Auction Agent (if any) and the Broker-Dealers (if any) on or prior to 10:00 a.m., New York City time, on the second Business Day preceding the effective date of any such Conversion a notice to the effect that the School Board elects to rescind its election to make such Conversion. If the School Board rescinds its election to make such Conversion, then Series 2014A Interest shall continue to

accrue in accordance with the Interest Rate Period in effect immediately prior to such proposed Conversion commencing on the date which would have been the effective date of the Conversion. In any event, if notice of a Conversion has been mailed to the holders of Series 2014A Certificates as provided in Section 202 or 204(l) and the School Board rescinds its election to make such Conversion, then the Series 2014A Certificates (except ARS) which would have been subject to such Conversion shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the Conversion as provided in Section 307(b).

(c) Certain Additional Conditions. No Conversion from one Interest Rate Period to another shall take effect under this Series 2014A Supplemental Trust Agreement unless each of the following conditions, to the extent applicable, shall have been satisfied.

(i) The School Board shall have obtained and provided to the Trustee the written consent of the Liquidity Provider, if the Liquidity Facility is to remain in effect following the Conversion.

(ii) With respect to a new Interest Rate Period, there shall be in effect a Liquidity Facility if and as required under Section 501.

(iii) The Trustee shall have received a Favorable Opinion with respect to such Conversion dated the effective date of such Conversion.

(iv) In the case of any Conversion with respect to which there shall be no Liquidity Facility in effect to provide funds for the purchase of Series 2014A Certificates on the Conversion Date, the remarketing proceeds available on the Conversion Date shall not be less than the amount required to purchase all of the Series 2014A Certificates subject to such Conversion at the Tender Price, not including any premium.

(v) *[Reserved]*

(vi) In the case of any Conversion to an ARS Interest Rate Period, prior to the Conversion Date the School Board shall have appointed an Auction Agent and one or more Broker-Dealers and there shall have been executed and delivered an Auction Agent Agreement and a Broker-Dealer Agreement for each Broker-Dealer.

(vii) In the case of any Conversion of the Series 2014A Interest to any Interest Rate Period during which the continuing disclosure requirements of the Rule would apply, prior to the Conversion Date the School Board shall have entered into a written undertaking, satisfactory in form and substance to the Remarketing Agent, whereby the School Board agrees to comply with the continuing disclosure requirements of the Rule, if and as then applicable.

(viii) The School Board shall have given notice of the proposed Conversion to each Rating Agency then maintaining a rating on the Series 2014A Certificates at the School Board's request, at least 30 days prior to the proposed Conversion Date.

(d) Failure to Meet Conditions. In the event that any condition to the Conversion of Series 2014A Certificates (other than ARS) shall not have been satisfied as provided in this Section 203 or otherwise under the Series 2014A Trust Agreement, then the Interest Rate Period shall not be converted and the Series 2014A Interest shall continue to accrue at the Weekly Rate, Daily Rate, Long-Term Rate (unless (1) the School Board is able to obtain a Favorable Opinion, and a Liquidity Facility meeting the requirements hereof with respect to Weekly Rate Periods is in effect, in which case the Series 2014A Certificates subject to such Conversion shall be converted to Weekly Rate Certificates, or (2) if no such Liquidity Facility is then in effect but the School Board is able to obtain a Favorable Opinion, in which case the Series 2014A Certificates subject to such Conversion shall be converted to the shortest possible Long-Term Rate Period), Index Floating Rate and/or Certificate Interest Term Rates, as the case may be, as in effect immediately prior to such proposed Conversion, and the Series 2014A Certificates subject to such Conversion shall continue to be subject to mandatory tender for purchase on the date which would have been the Conversion Date as provided in Section 307(b). In the event of a failed remarketing of any Series 2014A Certificates (other than ARS) at the Weekly Rate, Daily Rate, Long-Term Rate, Index Floating Rate and/or Certificate Interest Term Rates prescribed in the preceding sentence, then the Series 2014A Interest represented by such Series 2014A Certificates shall be determined as provided in Section 202(g) hereof. In the event of a failed Conversion from an ARS Interest Rate Period, the Series 2014A Interest represented by ARS shall be calculated at the ARS Maximum Rate for the Auction Period, which shall be a seven-day Auction Period, commencing on the date which would have been the Conversion Date and such ARS will not be subject to mandatory tender for purchase on the date which would have been the Conversion Date.

SECTION 204. ARS INTEREST RATE PROVISIONS. The Series 2014A Interest represented by ARS shall accrue from the applicable Conversion Date or the most recent ARS Interest Payment Date to which the Series 2014A Interest represented thereby has been paid or duly provided for, as the case may be.

(a) The Trustee shall determine the aggregate amount of Series 2014A Interest payable in accordance with subsection (d) below with respect to ARS on each ARS Interest Payment Date.

(b) The Series 2014A Interest represented by ARS shall be computed on the basis of a 360-day year for the actual number of days elapsed. The Applicable ARS Rate for each ARS Interest Period after the first ARS Interest Period shall be the Auction Rate; provided that, in the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Auction Period (except as contemplated otherwise herein pursuant to (x), (y) and (z) below), the new Auction Period shall be the same as the preceding Auction Period and the Auction Rate for the new Auction Period shall be the same as the Auction Rate for the preceding Auction Period for a period of up to 35 days, after which time the Auction Rate will be the ARS Maximum Rate.

Notwithstanding the foregoing,

(x) if the ownership of ARS is no longer maintained in book entry form by a Securities Depository, Auctions shall cease and the Applicable ARS Rate for any ARS Interest

Period commencing after the delivery of certificates representing ARS pursuant to Section 201(d) shall equal the ARS Maximum Rate; or

(y) if an ARS Payment Default shall have occurred, the Applicable ARS Rate for the ARS Interest Period commencing on or immediately after such ARS Payment Default and for each ARS Interest Period thereafter, to and including the ARS Interest Period, if any, during which, or commencing less than two Business Days after, such ARS Payment Default is cured in accordance with this Series 2014A Supplemental Trust Agreement, shall equal the Non-Payment Rate on the first day of each such ARS Interest Period, provided that if an Auction occurred on the Business Day immediately preceding any such ARS Interest Period, the Applicable ARS Rate for such ARS Interest Period shall be the Non-Payment Rate; or

(z) for any Auction Period during which there is no duly appointed Auction Agent, or during which there is no duly appointed Broker-Dealer, the Auction Period shall remain the same and the Auction Rate for the new Auction Period shall be 125% of the Index if the Index is ascertainable on such date (by the Auction Agent, if there is at the time an Auction Agent, or the Trustee, if at the time there is no Auction Agent) or, if there is a failure to make such calculation or if the Index is not ascertainable on such date, the Auction Rate for the new Auction Period shall be 125% of the Index for the preceding Auction Period; and for the next succeeding Auction Period and thereafter the Auction Rate will be the ARS Maximum Rate.

(c) Medium of Payment. Unless otherwise requested by the Securities Depository, payments of Series 2014A Principal represented by ARS, at maturity or upon prepayment, and payments of Series 2014A Interest represented by ARS made by wire transfer, shall be made by the Trustee in immediately available funds, provided, however, that such method of payment may be modified by written agreement among the Trustee, the Securities Depository and the Auction Agent.

(d) Computation of Interest Distributable on ARS. The amount of Series 2014A Interest distributable to ARS Beneficial Owners, in respect of each \$25,000 in principal amount thereof for any ARS Interest Period or part thereof, shall equal (i) the Applicable ARS Rate for such ARS Interest Period or part thereof, multiplied by (ii) the principal portion of \$25,000, multiplied by (iii) the actual number of days in such ARS Interest Period or part thereof divided by (iv) 360, and rounding the resultant figure to the nearest cent (a half cent being rounded upward).

(e) ARS Defaulted Interest.

(i) The Trustee shall determine not later than 2:00 p.m., New York City time, on each ARS Interest Payment Date, whether an ARS Payment Default has occurred. If an ARS Payment Default has occurred, the Trustee shall, not later than 2:30 p.m. New York City time on such Business Day, send a Notice of ARS Payment Default to the Auction Agent and each Broker-Dealer by telecopy or similar means and, if such ARS Payment Default is cured, the Trustee shall immediately send a Notice of Cure of ARS Payment Default to the Auction Agent and each Broker-Dealer by telecopy or similar means.

(ii) ARS Defaulted Interest shall forthwith cease to be payable to an ARS Beneficial Owner on the relevant Record Date by virtue of having been such ARS Beneficial Owner and such ARS Defaulted Interest shall be payable to the Person in whose name the ARS are registered at the close of business on a Special Record Date fixed therefor by the Trustee, which shall not be more than 15 days and not less than ten days prior to the date of the proposed payment of ARS Defaulted Interest. The Trustee shall promptly notify the School Board of the Special Record Date and at the School Board's expense mail to each ARS Beneficial Owner of which it has knowledge, not less than ten days before the Special Record Date, notice of the date of the proposed payment of such ARS Defaulted Interest.

(f) Calculation of All-Hold Rate. The Auction Agent shall calculate the All-Hold Rate on each Auction Date. If the ownership of the ARS is no longer maintained in book-entry form by the Securities Depository, the Auction Agent shall announce the ARS Maximum Rate on the Business Day immediately preceding each ARS Interest Payment Date after the delivery of certificates representing such ARS pursuant to Section 201(d). If an ARS Payment Default shall have occurred, the Trustee shall announce the Non-Payment Rate on the first day of (i) each ARS Interest Period commencing on or after the date of the occurrence and during the continuance of such ARS Payment Default and (ii) any ARS Interest Period commencing less than two Business Days after the cure of any ARS Payment Default. The determination by the Auction Agent of the All-Hold Rate shall (in the absence of manifest error) be final and binding upon all ARS Beneficial Owners and all other parties. The Auction Agent shall promptly advise the Trustee of the All-Hold Rate.

(g) Notification of Rates, Amounts and Payment Dates.

(i) So long as the ownership of ARS is maintained in book-entry form by the Securities Depository, the Trustee shall advise the Securities Depository (i) of each Record Date for the ARS at least two Business Days prior thereto and (ii) of each succeeding ARS Interest Payment Date on each ARS Interest Payment Date.

(ii) On the Business Day preceding each ARS Interest Payment Date with respect to the ARS, the Trustee shall advise the School Board and the Securities Depository, so long as the ownership of the ARS is maintained in book-entry form by the Securities Depository, of the amount of Series 2014A Interest distributable in respect of each \$25,000 in Series 2014A Principal represented by ARS for any ARS Interest Period or part thereof, calculated in accordance with Section 204(d).

(iii) If any day scheduled to be an ARS Interest Payment Date shall be changed after the Trustee shall have given notice, the Trustee shall, not later than 9:15 a.m., New York City time, on the Business Day next preceding the earlier of the new ARS Interest Payment Date or the old ARS Interest Payment Date, by such means as the Trustee deems practicable, give notice of such change to the Auction Agent, so long as no ARS Payment Default has occurred and is continuing and the ownership of ARS is maintained in book-entry form by the Securities Depository.

(h) Adjustment with Respect to ARS Provisions. Notwithstanding any other provision of this Series 2014A Supplemental Trust Agreement relating to ARS, including

without limitation the mandatory tender provisions and the definitions of terms used in this Section 204 (including without limitation the definitions of Applicable ARS Rate, All-Hold Rate, ARS Maximum Rate and Non-Payment Rate), the ARS provisions may be amended at the written request of the School Board, (i) upon obtaining an Opinion of Counsel that the same does not materially adversely affect the rights of the ARS Beneficial Owners or (ii) by obtaining the consent of a majority of the ARS Beneficial Owners and, in each case, delivering a Favorable Opinion. In the case of clause (ii) above, the Trustee shall mail notice of such amendment to the ARS Beneficial Owners of which it has knowledge, and if, on the first Auction Date occurring at least 20 days after the date on which the Trustee mailed such notice, Sufficient Clearing Bids have been received or all of the ARS are subject to Submitted Hold Orders, the proposed amendment shall be deemed to have been consented to by the ARS Beneficial Owners. As an additional condition precedent to any such amendment pursuant to the provisions of this Section 204(h) and without duplication of any other requirement herein, there shall be delivered to the Corporation, the School Board and the Trustee an opinion of Special Tax Counsel to the effect that such amendment will not adversely affect the validity of the ARS or the exclusion of the interest portion of Basic Lease Payments represented by any of the ARS from gross income for federal income tax purposes. Written notice of each such amendment shall be delivered by the School Board to the Trustee, the Auction Agent, and each Broker-Dealer.

(i) Changes in Auction Period.

(i) The Auction Period for the ARS with respect to each ARS Interest Rate Period, if any, shall be either a seven-day period or a 35-day period commencing generally on a Monday, generally on a Tuesday, generally on a Wednesday, generally on a Thursday or generally on a Friday, in each case as announced by the School Board in its notice of the proposed Conversion to such subsequent ARS Interest Rate Period as provided in Section 204(k).

(ii) During any ARS Interest Rate Period, the School Board may from time to time on any ARS Interest Payment Date change the length of the Auction Period with respect to all of the ARS among daily, seven-days, 35-days and a Flexible Auction Period in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate at which the Series 2014A Interest represented by ARS is calculated. The School Board shall initiate the change in the length of the Auction Period by giving written notice to the Trustee, the Auction Agent, the Broker-Dealers and the Securities Depository that the Auction Period shall change if the conditions described herein are satisfied and the proposed effective date of the change, at least three Business Days prior to the Auction Date for such Auction Period.

(iii) Any such changed Auction Period shall be for a period of one day, seven-days, 35-days or a Flexible Auction Period and shall apply for all of the ARS.

(iv) No change in the length or the day of commencement of the Auction Period for ARS shall be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given and the Auction immediately preceding the proposed change.

(v) The change in length of the Auction Period for ARS shall take effect only if Sufficient Clearing Bids exist at the Auction on the Auction Date for the first such Auction Period. For purposes of the Auction for such first Auction Period only, except to the extent any Existing Owner submits an Order with respect to such ARS, each Existing Holder shall be deemed to have submitted Sell Orders with respect to all of its ARS if the change is to a longer Auction Period and a Hold Order if the change is to a shorter Auction Period. If the condition referred to in the first sentence of this clause (v) is not met, the Auction Rate for the next Auction Period shall be the ARS Maximum Rate, and the Auction Period shall be the Auction Period already in effect.

(j) Changes in Auction Date. During any ARS Interest Rate Period, the School Board may specify an earlier Auction Date for any Business Day earlier (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of “**Auction Date**” in order to conform with then current market practice with respect to similar instruments or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate at which Series 2014A Interest represented by ARS is calculated. The School Board shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least 45 days prior to the proposed changed Auction Date to the Trustee, the Corporation, each Broker-Dealer, the Auction Agent and the Securities Depository, which will, in turn, notify the Holders. No change in the day of commencement of the Auction Period for ARS shall be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given and the Auction immediately preceding the proposed change. In the event the Auction Agent is instructed to specify an earlier Auction Date, the days of the week on which an Auction Period begins and ends, the day of the week on which a Flexible Auction Period ends and the Interest Payment Date relating to a Flexible Auction Period shall be adjusted accordingly.

(k) Conversion to Applicable ARS Rate. Subject to Section 203 hereof, the School Board may, from time to time, by written direction to the Trustee, the Tender Agent (if any), the Liquidity Provider (if any), the Remarketing Agent (if any), the Auction Agent (if any) and each Broker-Dealer (if any), elect that all or a portion of the Series 2014A Interest shall be calculated at the Applicable ARS Rate. The direction of the School Board shall specify

(i) the proposed effective date of the Conversion to the Applicable ARS Rate, which shall be

(A) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of such direction,

(B) in the case of a Conversion from a Daily Rate or a Weekly Rate, any Business Day,

(C) in the case of a Conversion from a Long-Term Rate Period, the day immediately following the last day of the then-current Long Term Interest Rate Period or a day on which the Long-Term Rate Certificates would otherwise be subject to optional prepayment pursuant to Section 303(d) if such Conversion did not occur, and

(D) in the case of a Conversion from a Short-Term Rate Period, the day immediately following the last day of the Short-Term Rate Period,

(E) in the case of a Conversion from an Index Floating Rate Period, the day immediately following the last day of the then-current Index Floating Rate Period,

(ii) the Tender Date for the Series 2014A Certificates to be purchased, which shall be the proposed effective date of the Conversion to the Applicable ARS Rate,

(iii) the amount of Series 2014A Principal for which the Series 2014A Interest will be converted to calculation to the Applicable ARS Rate, and

(iv) the initial Auction Period for the Series 2014A Certificates converted to ARS.

In addition, the direction of the School Board shall be accompanied by a form of notice to be mailed to the holders of Series 2014A Certificates by the Trustee as provided in Section 204(l). During each ARS Interest Rate Period commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the interest rate at which the Series 2014A Interest represented by ARS shall be calculated shall be the Applicable ARS Rate.

Upon the election of the School Board to convert all or a portion of the Series 2014A Certificates to the Applicable ARS Rate, the School Board may elect to create one or more subseries within ARS, which may auction on different dates and have different Auction Periods.

(l) Notice of Conversion to Applicable ARS Rate. The Trustee shall give notice by first-class mail of an adjustment to an ARS Interest Rate Period to the holders of the affected Series 2014A Certificates not less than 30 days prior to the proposed effective date of such ARS Interest Rate Period. Such notice shall state (i) that the calculation of Series 2014A Interest shall be adjusted to the Applicable ARS Rate unless the School Board rescinds its election to adjust such Series 2014A Interest to the Applicable ARS Rate as provided in Section 203(b); (ii) the proposed effective date of the ARS Interest Rate Period; (iii) that the affected Series 2014A Certificates are subject to mandatory tender for purchase on the proposed effective date and setting forth the Tender Price and the place of delivery for purchase of such Series 2014A Certificates; and (iv) the information set forth in Section 307(e).

SECTION 205. PROVISIONS RELATING TO AUCTIONS. None of the School Board, the Corporation, the Trustee or the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder, nor shall any of the School Board, the Corporation, the Trustee, the Broker-Dealers or the Auction Agent be responsible for failure by any Securities Depository to effect any transfer or to provide the Auction Agent with current information regarding registration of transfers. None of the School Board, the Corporation, the Trustee, the Broker-Dealers or the Auction Agent shall have any liability in the event that there are not Sufficient Clearing Bids from time to time pursuant to the Auction Procedures.

SECTION 206. AGREEMENT OF HOLDERS. By purchasing ARS, whether in an Auction or otherwise, each prospective purchaser of ARS and its Broker-Dealer will be deemed to have agreed to the provisions for the replacement of the Auction Agent and each Broker-Dealer as provided in this Series 2014A Supplemental Trust Agreement, and relevant agreements among the School Board, the Trustee, the Auction Agent and the Broker-Dealers, as appropriate.

SECTION 207. ISSUANCE OF SERIES 2014A CERTIFICATES. The Series 2014A Certificates shall be issued upon delivery to the Trustee of the documents referred to in Section 304 of the Master Trust Agreement and the payment of the purchase price therefor.

ARTICLE III

PREPAYMENTS; TENDERS

SECTION 301. EXTRAORDINARY PREPAYMENT OF SERIES 2014A CERTIFICATES. The Series 2014A Principal shall be subject to mandatory prepayment in the event the Series 2004 Lease terminates prior to payment in full of all of the Basic Lease Payments due thereunder, to the extent the Trustee has moneys available for such purpose pursuant to the Series 2014A Trust Agreement and the Series 2004 Lease, to the extent and subject to the limitations provided in the Master Lease.

SECTION 302. MANDATORY SINKING FUND PREPAYMENT. Series 2014A Certificates are subject to mandatory prepayment prior to maturity in part from payments of the Series 2014A Principal as set forth in the Series 2004 Lease, through the operation of a sinking fund on each July 1 in the years and in the amounts set forth below at a Prepayment Price of par plus the interest accrued to the Prepayment Date; provided, however, while a Letter of Credit is in effect, mandatory prepayments shall be paid first from a draw on the Letter of Credit.

* Final Maturity

With respect to ARS, mandatory sinking fund prepayments scheduled to occur during an Auction Period shall be made on the ARS Interest Payment Date immediately succeeding the Auction Period during which such scheduled sinking fund prepayment would otherwise have occurred; provided, however, if this Series 2014A Supplemental Trust Agreement is modified to

provide for an Auction Period of 180 days or more, mandatory sinking fund prepayments scheduled to occur during such Auction Period of 180 days or more shall occur on the scheduled sinking fund Prepayment Date. The Trustee shall provide notice to the Auction Agent and the Broker-Dealers of mandatory sinking fund prepayments which occur with respect to ARS.

Any Series 2014A Certificate subject to mandatory prepayment as provided herein may be purchased by the School Board (if the Certificate holder is willing to sell) prior to the forty-fifth (45th) day preceding the respective Prepayment Date at a price (including any brokerage and other charges) not exceeding the principal portion represented thereby, plus accrued interest to the date of purchase. At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such applicable Prepayment Date, the School Board may receive a credit against its mandatory prepayment obligation for the applicable Series 2014A Certificates which prior to such date have been (i) purchased by the School Board and presented to the Trustee for cancellation or (ii) prepaid (otherwise than through the operation of the sinking fund) and canceled by the Trustee and not theretofore applied as a credit against any sinking fund prepayment obligation. Each Series 2014A Certificate so purchased, delivered or previously prepaid and cancelled shall be credited by the Trustee at 100% of the principal portion represented thereby against the obligation of the School Board on such sinking fund prepayment date. Any excess over such obligation shall be credited against applicable future sinking fund prepayment obligations, or deposits with respect thereto, in chronological order, and the principal portion represented by such Series 2014A Certificates to be prepaid by operation of the mandatory sinking fund shall be accordingly reduced.

Notwithstanding any provision in the Series 2014A Trust Agreement or the Series 2014A Certificates to the contrary, this Series 2014A Supplemental Trust Agreement and the Series 2014A Certificates may be amended as of a Conversion Date upon the request of the School Board and provision of a Favorable Opinion to the Trustee, without the consent of any of holders of the Series 2014A Certificates, to revise the sinking fund prepayment provisions in connection with a Conversion of the Series 2014A Certificates to a Long-Term Rate (including to enable the issuance of serial Series 2014A Certificates rather than or in addition to term Series 2014A Certificates) and a concurrent revision to the schedules of Basic Lease Payments set forth in the Series 2004 Lease.

SECTION 303. OPTIONAL PREPAYMENT OF SERIES 2014A **CERTIFICATES.**

(a) General. Series 2014A Certificates shall be subject to prepayment if the School Board elects to prepay the principal portion of Basic Lease Payments due under the Series 2004 Lease at the times, and in the amounts provided below. While a Letter of Credit is in effect, optional prepayments shall be paid first from a draw on the Letter of Credit.

(b) Daily Rate Certificates and Weekly Rate Certificates. Daily Rate Certificates and Weekly Rate Certificates are subject to optional prepayment prior to their stated maturity upon request of the School Board in whole or in part on any Business Day in such amounts and of such maturities (treating sinking fund prepayment dates as maturities for such purpose) as the School Board may direct at a price equal to the Series 2014A Principal represented thereby,

without premium, plus the Series 2014A Interest represented thereby accrued to the prepayment date.

(c) Short Term Rate Certificates. (e) Conditional Notice of Prepayment. Notwithstanding anything in Section 314 of the Master Trust Agreement to the contrary, prior to notice being given to the Owners of affected Series 2014A Certificates of any optional prepayment of Series 2014A Certificates under this Section 303, either (i) there shall be deposited with the Trustee an amount sufficient to pay the principal portion of the Basic Lease Payments represented by Series 2014A Certificates subject to prepayment, plus accrued interest to the prepayment date, plus any premium applicable to such prepayment, or (ii) such notice shall state that the prepayment is conditioned on the receipt of moneys for such prepayment by the Trustee on or prior to the Prepayment Date. In the event that a conditional notice of prepayment is given and such moneys are not timely received, the prepayment for which such notice was given shall not be undertaken. Amounts deposited pursuant to this paragraph shall be kept by the Trustee in a trust account separate and segregated from all other moneys deposited under the Series 2014A Trust Agreement and shall be held uninvested unless invested at the direction of an Authorized Officer only in Government Obligations that mature on or before the Prepayment Date.

(f) Provider Certificates. Provider Certificates are subject to prepayment prior to maturity (i) at the option of the School Board as a whole or in part in such amounts and of such maturities (treating sinking fund prepayment dates as maturities for such purpose) as the School Board may direct on any date at the principal portion represented thereby, without premium, plus the accrued interest portion of Basic Lease Payments represented thereby to the prepayment date and (ii) otherwise as provided in the Liquidity Facility or other reimbursement or similar agreement entered into between the School Board and the Liquidity Provider.

(i) Index Floating Rate Certificates. Index Floating Rate Certificates are subject to optional prepayment prior to their stated maturity upon request of the School Board in whole or in part on the last day of any Index Floating Rate Period with respect to each Index Floating Rate Certificate in such amounts and of such maturities (treating sinking fund prepayment dates as maturities for such purpose) as the School Board may direct at a price equal to the Series 2014A Principal represented thereby, without premium, plus the Series 2014A Interest represented thereby accrued to the Prepayment Date.

SECTION 304. PURCHASE IN LIEU OF PREPAYMENT. If all or a portion of the Series 2014A Certificates are called for prepayment pursuant to Section 303 hereof and a conditional notice of redemption is sent pursuant to Section 303(e) hereof, the Series 2014A Certificates called for prepayment may, in lieu of such prepayment, be purchased by the Trustee, at the written direction of the School Board to the Trustee, given not less than 10 days prior to the scheduled optional Prepayment Date, in which case the Special Purchase Series 2014A Certificates shall be subject to mandatory tender in accordance with Section 307(d) hereof. The Trustee shall give immediate notice of such direction to the Auction Agent, the Broker-Dealers, the Tender Agent, if any, the Remarketing Agent, if any, and the Liquidity Provider, if any; provided, however, that no notice (other than the notice of optional prepayment) of a Special Purchase Date shall be given to Series 2014A Certificate holders. Such purchase shall be made on the date the Special Purchase Series 2014A Certificates are otherwise scheduled to be prepaid at the Special Purchase Price.

SECTION 305. SELECTION OF SERIES 2014A CERTIFICATES TO BE PREPAID OR PURCHASED.

(a) If less than all of the Series 2014A Certificates shall be called for prepayment pursuant to Section 301 or Section 303, Provider Certificates shall be prepaid prior to any other Series 2014A Certificates and the particular Series 2014A Certificates or portions of Series 2014A Certificates to be prepaid shall be in such order of maturity as shall correspond to the due dates of the principal portions of Basic Lease Payments due under the Series 2004 Lease designated by the School Board in connection with its prepayment of the principal portion of Basic Lease Payments represented by such Series 2014A Certificates or portions thereof. If the Series 2014A Certificates are subject to more than one Interest Rate Period at the time of such prepayment, the School Board may designate the particular Series 2014A Certificates to be prepaid by the Interest Rate Period to which they are subject. If less than all of the Series 2014A Certificates of like maturity shall be called for prepayment, the Trustee shall assign to each Outstanding Series 2014A Certificate to be prepaid a distinctive number for each unit of Series 2014A Principal represented by such Series 2014A Certificate equal to the applicable minimum Authorized Denomination and shall select the particular Series 2014A Certificates or portions thereof to be prepaid using such method of selection as it shall, in its discretion, deem fair and appropriate; provided, however, the portion of Series 2014A Certificates to be prepaid and the

Series 2014A Principal represented by such Series 2014A Certificates to be retained by the Holder thereof shall be in the amount of an Authorized Denomination for the Interest Rate Period to which such Series 2014A Certificates are then subject. Any new Series 2014A Certificate issued pursuant to this paragraph shall be issued in the same Interest Rate Period as the surrendered Series 2014A Certificate and in any Authorized Denomination applicable to such Interest Rate Period equal to the unrepaid principal portion represented by the Series 2014A Certificate surrendered.

(b) If less than all of the Series 2014A Certificates shall be subject to mandatory tender pursuant to Section 307(b)(i), the School Board may designate the particular Series 2014A Certificates to be subject to such mandatory tender by the Interest Rate Period to which they are subject and the Trustee shall select the particular Series 2014A Certificates subject to such Interest Period to be subject to such mandatory tender using such method of selection as it shall, in its discretion, deem fair and appropriate; provided, however, the portion of Series 2014A Certificates to be tendered shall be in Authorized Denominations for the Interest Rate Period to which such Series 2014A Certificates will be subject after Conversion and the Series 2014A Principal represented by such Series 2014A Certificates to be retained by a Holder thereof shall be in the amount of Authorized Denominations for the Interest Rate Period to which such Series 2014A Certificates are then subject.

SECTION 306. OPTIONAL TENDER OF DAILY RATE CERTIFICATES AND WEEKLY RATE CERTIFICATES.

(a) During Weekly Rate Period. Except as otherwise provided in the next succeeding paragraph, Weekly Rate Certificates (other than Provider Certificates) shall be purchased in an Authorized Denomination (provided that the amount of any such Weekly Rate Certificate not to be purchased shall also be in an Authorized Denomination) from its Certificate holder at the option of such Certificate holder on any Business Day at a purchase price equal to the Tender Price, payable in immediately available funds, upon delivery to the Tender Agent at its designated principal office for delivery of Series 2014A Certificates, to the Trustee at its principal office and to the Remarketing Agent of an irrevocable written notice which states the principal portion represented by such Weekly Rate Certificate, the Series 2014A Principal to be purchased and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day after the date of the delivery of such notice to the Tender Agent. Any notice delivered to the Tender Agent after 4:00 p.m., New York City time, shall be deemed to have been received on the next succeeding Business Day. During any Weekly Rate Period for which a book-entry-only system is in effect, any Weekly Rate Certificate or portion thereof (provided that the principal portion represented by such Weekly Rate Certificate to be purchased and the principal portion represented thereby to be retained shall each be an Authorized Denomination) shall be purchased on the date specified in

the notice referred to below at the Tender Price. The irrevocable written notice, executed by the Participant, shall be delivered on any Business Day by the Participant for such Weekly Rate Certificate to the Tender Agent at its designated principal office for the delivery of such Series 2014A Certificates, to the Trustee at its principal office and to the Remarketing Agent. That notice shall state the principal portion represented by such Weekly Rate Certificate (or interest therein), the principal portion represented thereby to be purchased and the date on which the same shall be purchased, which date shall be a Business Day at least seven days after the date of delivery of such notice to the Trustee. Upon confirmation by the Securities Depository to the Trustee that such Participant has an ownership interest in the Weekly Rate Certificates at least equal to the principal portion represented by the Weekly Rate Certificates specified in such irrevocable written notice, payment of the Tender Price of such Weekly Rate Certificate shall be made by 3:00 p.m., New York City time, or as soon as practicably possible thereafter, upon the receipt by the Trustee of the Tender Price as set forth in Section 309(b) on the Business Day specified in the notice upon the transfer on the registration books of the Securities Depository of the beneficial ownership interest in such Weekly Rate Certificate tendered for purchase to the account of the Tender Agent, or a Participant acting on behalf of such Tender Agent, at or prior to 10:00 a.m., New York City time, on the date specified in such notice.

For payment of such purchase price on the date specified in such notice, such Daily Rate Certificates must be delivered, at or prior to 12:00 noon, New York City time, on such Business Day, to the Tender Agent at its designated principal office for delivery of Series 2014A Certificates, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Daily Rate Certificate holder thereof or its duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange.

During any Daily Rate Period for which a book entry only system is in effect, any Daily Rate Certificate or portion thereof (provided that the principal portion represented by such Daily Rate Certificate to be purchased and the principal portion to be retained shall each be an Authorized Denomination) shall be purchased on the date specified in the notice referred to below at the Tender Price. The irrevocable written notice, executed by the Participant, shall be delivered on any Business Day by the Participant for such Daily Rate Certificate to the Tender Agent at its principal office for the delivery of such Series 2014A Certificates, to the Trustee at its designated office and to the Remarketing Agent by 11:00 a.m., New York City time. (c) Irrevocable Notice Deemed to be Tender of Series 2014A Certificate. The giving of notice by a holder of Daily Rate or Weekly Rate Certificates as provided in this Section 306 shall constitute the irrevocable tender for purchase of each Series 2014A Certificate with respect to which such notice is given regardless of whether that Series 2014A Certificate is delivered to the Tender Agent for purchase on the relevant Tender Date.

The Tender Agent may refuse to accept delivery of any Series 2014A Certificate for which a proper instrument of transfer has not been provided. However, such refusal shall not affect the validity of the purchase of such Series 2014A Certificate as described in this Series 2014A Supplemental Trust Agreement.

(d) **In the event of an Immediate Termination Event or Suspension, there will be no mandatory tender of the Series 2014A Certificates and the obligation of the Liquidity Provider to purchase the Series 2014A Certificates pursuant to the Liquidity Facility will cease without notice. SECTION 307. MANDATORY TENDER OF SERIES 2014A CERTIFICATES.

(a) On the Day Next Succeeding Last Day of Each Certificate Interest Term. On the first day following the last day of each applicable Certificate Interest Term for a Short-Term Rate Certificate, unless such day is the first day of a new Interest Rate Period (in which case such Short-Term Rate Certificate shall be subject to mandatory purchase pursuant to Section 307(b)), such Series 2014A Certificate shall be subject to mandatory tender for purchase at the Tender Price, payable by wire transfer in immediately available funds, if such Short-Term Rate Certificate is delivered to the Tender Agent on or prior to 12:00 noon, New York City time, on the Tender Date, or if delivered after 12:00 noon, New York City time, on the next succeeding Business Day. Series 2014A Interest represented by such Short-Term Rate Certificate shall cease to accrue on the last day of each Certificate Interest Term. The Tender Price shall be payable only upon surrender of such Short-Term Rate Certificate to the Tender Agent at its principal office for delivery of Series 2014A Certificates, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Series 2014A Certificate holder or its duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange.

(b) On First Day of Each Interest Rate Period. The Series 2014A Certificates shall be subject to mandatory tender for purchase on (i) a Conversion Date for such Series 2014A Certificate, and (ii) for Short-Term Rate Certificates, Index Floating Rate Certificates or Long-Term Rate Certificates, on the first day of each Interest Rate Period with respect to such Series 2014A Certificates (or on the day which would have been the first day of an Interest Rate Period with respect to such Series 2014A Certificates had one of the events specified in Section 203(b), 203(c) or 203(d) hereof not occurred which resulted in the calculation of the Series 2014A Interest represented by such Series 2014A Certificates not being adjusted, except for a failed Conversion from an ARS Interest Rate Period), at the Tender Price, payable in immediately available funds. For payment of the Tender Price on the Tender Date, a Series 2014A Certificate must be delivered at or prior to 10:00 a.m., New York City time, on the Tender Date. If delivered after that time, the Tender Price shall be paid on the next succeeding Business Day.

(c) Upon Termination, Replacement or Expiration of Liquidity Facility; Mandatory Standby Tender . *While a Letter of Credit is in effect, this Section 307(c) shall be replaced with Section 704(e) with respect to Series 2014A Certificates supported by the Letter of Credit.* If at any time the Trustee gives notice, in accordance with Section 501(c) hereof, that the Tender Price on any Series 2014A Certificates tendered for purchase shall, on the date specified in such notice, cease to be subject to purchase pursuant to the Liquidity Facility then in effect as a result of (i) the termination (except for an Immediate Termination Event), replacement or expiration of the term, as extended, of that Liquidity Facility, including but not limited to termination at the option of the School Board in accordance with the terms of such Liquidity Facility, or (ii) the occurrence of a Mandatory Standby Tender, then, on the substitution date in the case of any such replacement or on the fifth Business Day preceding any such termination or expiration (but in the case of a Mandatory Standby Tender, in no event later than the 20th day after the receipt by the Trustee of notice from the Liquidity Provider directing the Mandatory Standby Tender) of such Liquidity Facility, including any termination as a result of a Mandatory Standby Tender, each such Series 2014A Certificate shall be purchased or deemed purchased at the Tender Price.

For payment of the Tender Price on the Tender Date, a Series 2014A Certificate must be delivered at or prior to 10:00 a.m., New York City time, on the Tender Date. Payment of the Tender Price of any such Series 2014A Certificate shall be made in immediately available funds by 3:00 p.m., New York City time, on the Tender Date upon delivery of such Series 2014A Certificate to the Tender Agent at its principal office for delivery of Series 2014A Certificates, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Series 2014A Certificate holder with the signature of such holder guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange, at or prior to 12:00 noon, New York City time, on the Tender Date specified in Section 501(c). If, as a result of any such Mandatory Standby Tender, expiration, termination with notice, or replacement of such a Liquidity Facility, any Series 2014A Certificate is no longer subject to purchase pursuant to a Liquidity Facility, the Tender Agent (upon receipt from the holder thereof in exchange for payment of the Tender Price thereof) shall present such Series 2014A Certificate to the Trustee for notation of such fact thereon.

(d) Upon Purchase in Lieu of Prepayment. The Series 2014A Certificates Outstanding shall be subject to mandatory tender for purchase if in accordance with Section 304 hereof the School Board gives written direction to the Trustee not less than ten (10) days prior to

a scheduled optional Prepayment Date to purchase the Series 2014A Certificates rather than prepay them on such date. Such purchase shall be made on the date the Special Purchase Series 2014A Certificates are otherwise scheduled to be prepaid at the Special Purchase Price.

(e) Notice. In connection with any mandatory tender for purchase of Series 2014A Certificates in accordance with Section 307(b) hereof, the Trustee shall give the notice required by this Section 307(e) as a part of the notice given pursuant to Section 202(b)(iii), 202(c)(iii), 202(d)(iii), 202(e)(iii), 202(i)(iii) or 204(l), as the case may be. In connection with any mandatory tender for purchase of Series 2014A Certificates in accordance with Section 307(c) or Section 704(f) hereof, the Trustee shall give the notice required by this Section 307(e) as a part of the notice given pursuant to Section 501(c). Each notice shall state that (i) the Tender Price of any Series 2014A Certificate subject to mandatory tender for purchase shall be payable only upon surrender of that Series 2014A Certificate to the Tender Agent at its principal office for delivery of Series 2014A Certificates, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Series 2014A Certificate holder or its duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange; (ii) provided that moneys sufficient to effect such purchase shall have been provided through the remarketing of such Series 2014A Certificates by the Remarketing Agent or through the Liquidity Facility, all Series 2014A Certificates subject to mandatory tender for purchase shall be purchased on the mandatory Tender Date; and (iii) if any holder of a Series 2014A Certificate subject to mandatory tender for purchase does not surrender that Series 2014A Certificate to the Tender Agent for purchase on the mandatory Tender Date, then that Series 2014A Certificate shall be deemed to be an Undelivered Certificate, that no interest shall accrue on that Series 2014A Certificate on and after the mandatory Tender Date and that the holder shall have no rights under this Series 2014A Supplemental Trust Agreement other than to receive payment of the Tender Price. In addition, in the case of a mandatory tender for purchase pursuant to Section 307(c) hereof, such notice shall also state that the Liquidity Facility will expire, terminate or be replaced and that Series 2014A Certificates which had been secured by such Liquidity Facility will no longer be payable from the Liquidity Facility then in effect and that any rating applicable to such Series 2014A Certificates may be reduced or withdrawn.

In connection with a mandatory tender pursuant to Section 307(d), the Trustee is not required to give notice to Owners other than the notice of optional prepayment required in accordance with the Series 2014A Trust Agreement; provided, however, in the event that all Series 2014A Certificates shall be held in a book-entry-only system, the Trustee shall give notice of such mandatory tender to the Securities Depository.

(f) Inadequate Funds for Purchase. If sufficient funds are not available for the purchase of all Series 2014A Certificate tendered or deemed tendered and required to be purchased on any Tender Date, all tendered Series 2014A Certificates shall be returned to their respective Holders and the Series 2014A Interest on all such Series 2014A Certificates tendered or deemed tendered shall accrue at the rate set forth in Section 202(g) hereof, until all such Series 2014A Certificates are purchased as required in accordance with this Series 2014A Supplemental Trust Agreement. Notwithstanding any other provision of this Series 2014A Supplemental Trust Agreement, such failed purchase and return shall not constitute an Event of Default. Thereafter,

the Trustee shall continue to take all such action available to it to obtain remarketing proceeds from the Remarketing Agent and sufficient other funds from the Liquidity Provider (if any).

(g) **In no event shall the School Board be obligated to provide funds for the payment of the Tender Price of the Series 2014A Certificates.**

SECTION 308. UNDELIVERED SERIES 2014A CERTIFICATES. The Tender Agent may refuse to accept delivery of any Series 2014A Certificate for which a proper instrument of transfer has not been provided. However, such refusal shall not affect the validity of the purchase of such Series 2014A Certificate as described in this Series 2014A Supplemental Trust Agreement. If any holder of a Series 2014A Certificate who has given notice of tender of purchase pursuant to Section 306 hereof or any holder of a Series 2014A Certificate subject to mandatory tender for purchase pursuant to Section 307 hereof, shall fail to deliver that Series 2014A Certificate to the Tender Agent at the place and on the Tender Date and at the time specified, or shall fail to deliver such Series 2014A Certificate properly endorsed, that Series 2014A Certificate shall constitute an Undelivered Certificate. If funds in the amount of the purchase price of the Undelivered Certificate are available for payment to the holder thereof on the Tender Date and at the time specified, then from and after the Tender Date and time of that required delivery (A) the Undelivered Certificate shall be deemed to be purchased and shall no longer be deemed to be Outstanding under the Series 2014A Trust Agreement; (B) the Series 2014A Interest shall no longer accrue for an Undelivered Certificate; and (C) funds in the amount of the Tender Price of the Undelivered Certificate shall be held uninvested by the Trustee for the benefit of the holder thereof (provided that the holder shall have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of the Undelivered Certificate to the Tender Agent or Trustee, as the case may be, at its principal office for delivery of Series 2014A Certificates.

SECTION 309. NOTICE OF SERIES 2014A CERTIFICATES DELIVERED FOR PURCHASE; PURCHASE OF SERIES 2014A CERTIFICATES; DEPOSIT OF TENDER PRICE.

(a) **Determination by Tender Agent; Notice of Tender.** For purposes of Section 306 and 307 hereof, the Tender Agent or the Trustee, as the case may be, shall determine timely and proper delivery of Series 2014A Certificates pursuant to this Series 2014A Supplemental Trust Agreement and the proper endorsement of Series 2014A Certificates delivered. That determination shall be binding on the holders of those Series 2014A Certificates, the School Board, the Liquidity Provider, and the Remarketing Agent, absent manifest error.

The Tender Agent shall give notice by telephone or telecopy, promptly confirmed by a written notice, to the Trustee, the School Board, the Remarketing Agent and the Liquidity Provider specifying the Series 2014A Principal as to which it receives notice of tender for purchase in accordance with Section 306 hereof.

(b) **Purchase of Series 2014A Certificates; Sources and Deposits of Tender Price .** Series 2014A Certificates required to be purchased in accordance with Sections 306 and 307 hereof shall be purchased from the holders thereof, on the Tender Date and at the Tender Price.

Funds for the payment of the Tender Price shall be received by the Tender Agent from the following sources and used in the order of priority indicated:

(i) proceeds of the sale of Series 2014A Certificates remarketed pursuant to Section 310 and the Remarketing Agreement and furnished to the Tender Agent or the Trustee, as the case may be, by the Remarketing Agent for deposit into the Remarketing Account of the Certificate Purchase Fund; and

(ii) money furnished by the Liquidity Provider to the Tender Agent or the Trustee, as the case may be, for deposit into the Liquidity Facility Purchase Account of the Certificate Purchase Fund from Requests on the Liquidity Facility, if any (provided that moneys from Requests on the Liquidity Facility shall not be used to purchase Provider Certificates).

(iii) In the event that a portion of the Series 2014A Interest represented by the Series 2014A Certificates accrues in an Interest Rate Period not covered by a Liquidity Facility while a portion of the Series 2014A Interest represented by the Series 2014A Certificates accrues in an Interest Rate Period covered by a Liquidity Facility, the Tender Price of the Series 2014A Certificates not covered by such Liquidity Facility shall not be paid with draws on such Liquidity Facility. In such event, separate subaccounts of the Certificate Purchase Fund established pursuant to Section 401(c) hereof shall be created for each particular Interest Rate Period to which the Series 2014A Certificates are subject.

In no event shall the School Board be obligated to provide funds for the payment of the Tender Price of the Series 2014A Certificates.

Money held in the Certificate Purchase Fund shall be held uninvested by the Tender Agent.

(c) Undelivered Series 2014A Certificates; Tender Price. If a Series 2014A Certificate purchased as provided in this Section 309 is not presented to the Tender Agent or the Trustee, as the case may be, the Tender Agent or the Trustee, as the case may be, shall segregate and hold uninvested the money for the Tender Price of such Tender Certificate in trust for the benefit of the former holder of such Series 2014A Certificate, who shall, except as provided in the following sentences of this paragraph, thereafter be restricted exclusively to such money for the satisfaction of any claim for the Tender Price. Any money which the Tender Agent or the Trustee, as the case may be, segregates and holds in trust for the payment of the Tender Price of any Series 2014A Certificate which remains unclaimed for five years after the date of purchase shall be paid to the School Board. After the payment of such unclaimed money to the School Board, the former holder of such Series 2014A Certificate shall look only to the School Board for the payment thereof. The School Board shall not be liable for any interest on unclaimed money and shall not be regarded as a trustee of such money.

tendered for purchase sold by the Remarketing Agent and the name, address and taxpayer identification number of each such purchaser, the principal amount of Series 2014A Certificates to be purchased and the denominations in which such Series 2014A Certificates are to be delivered. Upon receipt from the Remarketing Agent of such information, the Tender Agent shall prepare Series 2014A Certificates in accordance with such information received from the Remarketing Agent for registration of transfer and redelivery to the Remarketing Agent. Promptly upon receipt of such notice from the Remarketing Agent, the Tender Agent shall notify the Liquidity Provider and the School Board as to the projected Funding Amount, if any.

The term “Funding Amount” is hereby defined to mean an amount equal to the difference between (1) the total purchase price of those Series 2014A Certificates with respect to which a notice was received pursuant to Section 306 and those Series 2014A Certificates to be purchased pursuant to Section 307, and (2) the purchase price of those Series 2014A Certificates to be purchased pursuant to Section 309 that are remarketed by the Remarketing Agent and for which funds have been transferred by the Remarketing Agent to the Tender Agent.

(e) The Tender Agent shall deposit into the Remarketing Account any amounts received in immediately available funds on any Purchase Date from the Remarketing Agent against receipt of Series 2014A Certificates by the Remarketing Agent and on account of Series 2014A Certificates remarketed.

A Liquidity Facility, in an amount equal to the sum of outstanding Series 2014A Principal and Series 2014A Interest calculated at the Maximum Rate for 35 days, or such other amount as may be approved by each Rating Agency, and having an initial term of at least 364 days shall be maintained by the School Board with respect to Weekly Rate, Daily Rate and Short-Term Rate Certificates. If Series 2014A Certificates are converted to any Interest Rate Period other than a Daily Rate Period or a Weekly Rate Period, and a Liquidity Facility is required to be in place pursuant to this Section 501, each rating agency then rating the Series 2014A Certificates must approve the number of days of interest coverage to be included in the Liquidity Facility. Notwithstanding the foregoing, no Liquidity Facility shall be required in any Interest Rate Period during which Series 2014A Certificates receive a rating from each Rating Agency then rating the Series 2014A Certificates at the request of the School Board, in the highest short-term category without regard to gradations within such category which rating is not based on a Liquidity Facility. The suspension of a Liquidity Facility shall not be deemed a failure to provide a Liquidity Facility.

(b) Requests to Pay Tender Price. If there is not a sufficient amount of money available to pay the Tender Price pursuant to Section 309(b)(i) hereof on a Tender Date on which Series 2014A Certificates are required to be purchased pursuant to Section 306 or 307, the Tender Agent shall make a Request or Requests under the Liquidity Facility in accordance with its terms, at the times and in the manner required by the Liquidity Facility to receive immediately

available funds on the Tender Date sufficient to pay the balance of the Tender Price. The Tender Agent agrees to deposit the proceeds of such Requests in the Liquidity Facility Purchase Account pursuant to Section 309(b)(ii) hereof pending application of that money to the payment of the Tender Price. In determining the amount of the Tender Price then due, the Tender Agent shall not take into consideration any Provider Certificates. No Requests shall be made under a Liquidity Facility to pay the Tender Price of Provider Certificates or Certificates owned by, for the account of or on behalf of the School Board or the Corporation. Provider Certificates may not be tendered for purchase at the option of the Liquidity Provider.

The Tender Agent, by accepting its appointment as such, agrees without further direction, to make Requests under each Liquidity Facility then in effect, if any, for the purchase of Series 2014A Certificates in accordance with the terms and conditions set forth in this Series 2014A Supplemental Trust Agreement and the Liquidity Facility at the times, in the manner and for the purposes set forth herein and therein.

(c) Notice of Termination, Event of Default or Other Change in Liquidity Facility . The Trustee shall give notice by mail to the Remarketing Agent and the holders of Series 2014A Certificates secured by a Liquidity Facility (i) on or before the 20th day preceding the termination, replacement or expiration of such Liquidity Facility (except in the case of a termination resulting from an event referred to in the following paragraph) in accordance with its terms, or (ii) in the case of any Mandatory Standby Tender under such Liquidity Facility, as soon as reasonably possible, but no later than the Business Day following the receipt by the Trustee of notice of the Mandatory Standby Tender. The notice shall be accompanied by directions for the purchase of Series 2014A Certificates pursuant to Section 307(c) hereof. The notice shall (A) state the date of such termination, replacement or expiration and the date of the proposed substitution of an Alternate Liquidity Facility (if any), (B) state that the Series 2014A Certificates will be purchased pursuant to Section 307(c) hereof (1) on the fifth Business Day preceding such termination or expiration, including any termination as a result of a Mandatory Standby Tender (but in the case of a Mandatory Standby Tender, in no event later than the 20th day after the receipt by the Trustee of notice from the Liquidity Provider directing the Mandatory Standby Tender) or (2) on the substitution date in the case of replacement of the Liquidity Facility, and (C) any other information required in the notice to the holders of such Series 2014A Certificates by Section 307(e) hereof.

If there should occur any Immediate Termination Event or Suspension, then the Trustee shall as soon as practicably possible thereafter notify the holders of all Series 2014A Certificates secured by such Liquidity Facility then outstanding that: (i) the Liquidity Facility has been terminated or suspended, as the case may be; (ii) the Tender Agent will no longer be able to purchase Series 2014A Certificates with moneys available under the Liquidity Facility; and (iii) the Liquidity Provider is under no obligation to purchase Series 2014A Certificates or to otherwise advance moneys to fund the purchase of Series 2014A Certificates.

(d) Surrender of Liquidity Facility. If an Alternate Liquidity Facility is delivered to the Tender Agent pursuant to Section 502 hereof with the documents required by Section 502, then the Tender Agent shall accept the Alternate Liquidity Facility and surrender the Liquidity Facility previously held for cancellation, provided that no Liquidity Facility shall be surrendered until after the date on which Series 2014A Certificates required to be purchased pursuant to

Section 307(c) have been purchased in accordance with Section 307(c). If a Liquidity Facility automatically terminates, the Tender Agent shall surrender such Liquidity Facility to the issuer thereof for cancellation in accordance with the terms of the Liquidity Facility. On the substitution date in the case of a replacement of the Liquidity Facility, the Trustee shall if necessary draw against the Liquidity Facility being replaced and shall not surrender such Liquidity Facility until all draws thereon have been honored. Upon the defeasance of all Series 2014A Certificates secured by such Liquidity Facility pursuant to this Series 2014A Supplemental Trust Agreement and at such time as all Series 2014A Certificates secured by such Liquidity Facility are no longer subject to tender for purchase, the Tender Agent shall surrender the Liquidity Facility, if any, to the Liquidity Provider for cancellation in accordance with the terms of that Liquidity Facility. The Tender Agent shall comply with the procedures set forth in each Liquidity Facility relating to the termination thereof and shall deliver any certificates reducing the stated amount of the Liquidity Facility in accordance with the provisions thereof.

(e) Notices from School Board and Trustee.

(i) *Notices from School Board.* The School Board shall give notice to the Trustee, the Remarketing Agent and the Tender Agent promptly upon the appointment of a successor to any of the Liquidity Provider, the Remarketing Agent or the Tender Agent.

(f) Any provision in this Series 2014A Supplemental Trust Agreement requiring notice to or from a Liquidity Provider or the consent thereof prior to any action by the Trustee or the School Board shall have no force or effect with respect to such Liquidity Provider (i) following (A) the termination or expiration of such Liquidity Facility, and (B) the repayment of all amounts owed to such Liquidity Provider pursuant to the credit or reimbursement agreement pursuant to which such Liquidity Facility was issued and its cancellation or (ii) following the failure or refusal of such Liquidity Provider to honor a properly presented and conforming draw under such Liquidity Facility, except with respect to all rights accruing to the Liquidity Provider with respect to unreimbursed draws on the Liquidity Facility.

(ii) In lieu of the Opinion of Counsel required by clause (A) of subparagraph (i) above, there may be delivered an Opinion of Counsel reasonably satisfactory to the School Board, the Remarketing Agent, and the Tender Agent to the effect that either (A) at all times during the term of the Alternate Liquidity Facility, the Series 2014A Certificates secured by such Alternate Liquidity Facility will be offered, sold and held by holders in transactions not constituting a public offering of such Series 2014A Certificates or the Alternate Liquidity Facility under the Securities Act, and accordingly no registration under the Securities Act, nor qualification of the Series 2014A Trust Agreement under the Trust Indenture Act, will be required in connection with the issuance and delivery of the Alternate Liquidity Facility or the remarketing of such Series 2014A Certificates with the benefits thereof, or (B) the offering and sale of such Series 2014A Certificates, to the extent evidencing the Alternate Liquidity Facility, has been registered under the Securities Act and any indenture required to be qualified with respect thereto under the Trust Indenture Act has been so qualified. (b) Delivery of Alternate Liquidity Facility at Option of School Board. At the sole discretion of the School Board, the School Board may at any time provide for delivery of an Alternate Liquidity Facility. On or prior to the date of the delivery of the Alternate Liquidity Facility to the Tender Agent, the School Board shall furnish to the Tender Agent (A) if the Alternate Liquidity Facility is issued by a Liquidity Provider other than a domestic commercial bank, an Opinion of Counsel satisfactory to the Tender Agent and the Remarketing Agent that no registration of the Alternate Liquidity Facility is required under the Securities Act, and no qualification of the Series 2014A Trust Agreement is required under the Trust Indenture Act, or that all applicable registration or qualification requirements have been fulfilled and (B) an Opinion of Counsel satisfactory to the Tender Agent and the Remarketing Agent to the effect that such Alternate Liquidity Facility is a valid and enforceable obligation of the issuer thereof. In lieu of the Opinion of Counsel required by clause (A) of above, there may be delivered an Opinion of Counsel reasonably satisfactory to the School Board, the Remarketing Agent and the

Tender Agent to the effect that either (x) at all times during the term of the Alternate Liquidity Facility, the Series 2014A Certificates secured by such Alternate Liquidity Facility will be offered, sold and held by holders in transactions not constituting a public offering of such Series 2014A Certificates or the Alternate Liquidity Facility under the Securities Act, and accordingly no registration under the Securities Act, nor qualification of the Series 2014A Trust Agreement under the Trust Indenture Act, will be required in connection with the issuance and delivery of the Alternate Liquidity Facility or the remarketing of such Series 2014A Certificates with the benefits thereof, or (y) the offering and sale of such Series 2014A Certificates, to the extent evidencing the Alternate Liquidity Facility, has been registered under the Securities Act and any indenture required to be qualified with respect thereto under the Trust Indenture Act has been so qualified. If the opinion described in clause (x) of this paragraph is given, such Series 2014A Certificates and any transfer records relating to such Series 2014A Certificates shall be noted indicating the restrictions on sale and transferability described in such clause (x).
