

Executive Summary

Agreement with CE Tours to arrange a Teen College Tour to allow for implementation of the United States Department of Education High School Graduation Initiative Grant.

This agreement is aligned with the USDOE HSGI grant awarded to the District in October, 2010 in the amount of \$4,500,000 to be utilized for five years (2010-2015). The agreement acknowledges that CE Tours is the provider of services to meet the grant parameters for the Teen College Tour. The program provides 4 day / 3 night, 8 college and historical sites tour during Broward County Public Schools' Spring Break (March 24-27, 2014). CE Tours will provide services that will enable at-risk students and their peer mentors to create a college-going culture that will inspire them and their peers to successfully complete high school and go on to post-secondary education.

The grant supports student participation - \$29,645 total, all-inclusive (with the exception of lunch and spending money), 100 students (40-45 from each grant school - Boyd Anderson and Plantation; and 5-10 re-engaged students) four to a room, plus 10 complimentary chaperones.
