Project Description	The School Board of Broward County, Florida is initiating a New agreement with Walgreen Co., which provides clinical experiences necessary to meet the Florida Department of Education mandated student performance standards. This agreement also addresses the requirements of regulatory agencies for students to qualify for certification/licensure examinations upon program completion. This new agreement would provide these opportunities through March 2017.
Evaluation Plan	Clinical surveys will be initiated once this agreement is fully executed by both parties and students have completed a clinical rotation.
