Contract period: June 1, 2014 through June 30, 2017									
SUMMARY EXPLANATION AND BACKGROUND: The School Board of Broward County, Florida (SBBC), received twenty-five (25) proposals from motor coach/charter bus companies interested in "pre-qualifying" to provide coach transportation services. Twenty-three (23) companies are being recommended for award to provide extra-curricular transportation services to transport students, staff, chaperones, advisors, etc., to and from athletic and scholastic events, field trips, and grad night. Multiple-day trips had a significant reduction in costs of an average of 40%, as compared to the last RFP issued in 2008, which will provide an estimated savings to the District of \$300,000 for the term of the contract. A complete copy of Exhibit 2, Proposed Agreements, is available online via the Broward County Public Schools eAgenda at: http://eagenda3.broward.k12.fl.us/cgi-bin/WebObjects/eAgenda . These Agreements have been reviewed and approved as to form and legal content by the Office of the General Counsel.
