TITLE:

2013-2014 Annual Comprehensive Safety Inspection Reports

REQUESTED ACTION:

Receive the 2013-2014 Annual Comprehensive Safety Inspection Reports.

SUMMARY EXPLANATION AND BACKGROUND:

The Department of Education requires that a state certified fire inspector, along with a Department of Education trained safety and casualty inspector, inspect each facility owned or leased within the District. Exhibits 1 and 2 are the corresponding reports for the all public school sites. Exhibit 3 contains the inspection reports for leased or off-campus sites throughout the District. Exhibit 4 contains the inspection reports for charter schools. The Safety Department conducts joint fire inspections with the local fire departments in Broward County, where schools are located, to maintain compliance with Florida State Statute 1013.12. The fire departments that have participated in our comprehensive inspection program are delineated on Exhibit 5. An instruction sheet describing each column of the inspection report is delineated on Exhibit 6.

Deficiencies cited are noted and corrections are made in the following manner:

1. Emergency items are corrected immediately.
2. Items requiring skilled crafts persons are addressed by Physical Plant Operations by work orders issued through the COMPASS system from the inspection reports.
3. Items that require minor corrections are performed by the serviceperson(s) located at the facility.
4. Items with schools scheduled for replacement or renovation are addressed during the construction.
5. Many of the items that are listed have already been corrected. The inspection report delineates the deficiencies and corrections observed at the time of inspection. Completion of additional corrections will be noted during next year's inspections and cited on the corresponding reports.

The above exhibits are available in the Board members' office on the 14th Floor of the Kathleen C. Wright Administration Center, at the public stand in the lobby of the Kathleen C. Wright Administration Center, and on eAgenda.
