TITLE: <b>Declare One Hundred Seventy Nine (179) Portables Located at Several Schools and Administrative Facilities as Surplus</b>			
REQUESTED ACTION: Approve the designation of one hundred seventy nine (179) portables located at several schools and administrative facilities as surplus with the intent to dispose of the portables (which includes demolition).			
SUMMARY EXPLANATION AND BACKGROUND: Section 1013.28 (2) and 274.05, Florida Statutes, directs school districts to dispose of tangible property that is obsolete, or the continued use of which is uneconomical, inefficient, or which serves no useful function.  The one hundred seventy nine (179) portables located at several school and administrative facilities are at least twenty (20) years and older and have been declared unsatisfactory and failed standards, and therefore carry zero student stations. Also, in the current 2009-2014 District's Five-Year Educational Plant Survey, the portables are recommended for demolition. However, before the portables can be demolished, they must be declared surplus to comply with the provisions of Sections 1013.28 (2) and 274.05, Florida Statutes.
