SUMMARY EXPLANATION	AND BACKGROUND:					
The School Board of Broward County, Florida, received two bids for Bid 15-013B – Disposable Fiber Compartment Trays for						
Cafeterias. These are five compartment trays that are environmentally friendly and biodegradable, and are composed of a						
minimum of 70% rec	ycled pre-consumer fib	ers utilized by	students and staff. Containers that	hold food are placed on the		
minimum of 70% recycled pre-consumer fibers utilized by students and staff. Containers that hold food are placed on the compartment trays so students and staff can carry all of their food containers to an eating area at one time. Supply Management						
& Logistics released an opportunity for vendors to submit descriptive literature and samples of disposable trays that met the						
District's specifications. Samples that met the specifications would be included in Bid 15-013B as an approved brand. Food and						
Nutrition Services eva	luated and tested sample	s and determine	d that only one brand met the require	ed specifications.
