

EXECUTIVE SUMMARY

Continuation of the Partnership Agreements with The School Board and Barry University, Florida Atlantic University, and Florida International University (hereafter called The Universities).

The Agreements provide graduate level social work interns with field placement experience in Broward County Public Schools. It also provides operating guidelines for the internship placement of The Universities' School of Social Work graduate students within the District. The graduate student interns will expand the provision of the social work, family counseling, and therapeutic services to students and their families while performing a minimum of 640 hours of service per intern, under the supervision of School Social Workers. Through this partnership, the District receives the equivalent of at least six (6) full-time social workers.

There is no financial impact to the District.

The last Agreements were signed 3/20/2013, F-3.
