

Revisions to Policy 7001 – Building Codes and Plan Approval

Section	Revision	Rationale	Source
Title	Add “and Plan Approval”	Defines the purpose of the Policy with the revision.	Staff
Body	The Superintendent’s Authority to Review and Approve Construction Documents and Authorize Bidding for projects up to \$500,000 or less.	Staff recommends authorizing the Superintendent to review and approve in order to expedite the numerous projects of \$500,000 or less. Legal staff suggested stating the authority clearly.	Staff and Legal
Body	Board delegates its authority to review and approve Construction Documents and Authorize Bidding to the Superintendent for projects up to \$500,000 or less.	Elimination of the processing of Agenda Items and time savings of at least four weeks per project for the more numerous and smaller projects. The Board maintains its authority to award these contracts and approve and authorize bidding for the projects over \$500,000.	Staff
