BOARD MEETING: MARCH 15, 2005

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

ADDITIONAL RECOMMENDATION  
BID 21-041H  
PHOTO ID CARD AND PRINTING SYSTEM

It is recommended that the contract with Plasco Inc.; be extended on a month-to-month basis until such time as an award recommendation for RFP 25-076N Security Identification Management Solution can be presented to the Board for award. Staff is in the process of negotiating an agreement with a proposer who will provide a comprehensive security identification management solution that meets the functional, technical, supportive and administrative requirements of the district. The solution will provide, but not be limited to, goods and services that will aid SBBC in tracking visitors, volunteers and staff to control campus security. Additionally, it will verify clearance of all visitors, print badges with photos of all people allowed to visit district sites, and track and provide reports of all visitors and vendors entering SBBC sites. The items procured under Bid 21-041H will then be procured under RFP 25-076N. This recommendation is not a request for an additional expenditure. This recommendation will allow the schools, departments and centers to continue purchasing photo ID card and printing systems.
