

BID 21-244H  
ADDITIONAL RECOMMENDATION 4 OF 4  
BOARD MEETING: MARCH 15, 2005

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

ADDITIONAL RECOMMENDATION  
BID 21-244H  
PHOTO ID CARD AND PRINTING SYSTEM SUPPLIES

It is recommended that the contract with Plasco Inc.; be extended on a month-to-month basis until such time as an award recommendation for RFP 25-076N Security Identification Management Solution can be presented to the Board for award; and that the School Board authorize an additional expenditure of \$100,000. Staff is in the process of negotiating an agreement with a proposer who will provide a comprehensive security identification management solution that meets the functional, technical, supportive and administrative requirements of the district. The solution will provide, but not be limited to, goods and services that will aid SBBC in tracking visitors, volunteers and staff to control campus security. Additionally, it will verify clearance of all visitors, print badges with photos of all people allowed to visit district sites, and track and provide reports of all visitors and vendors entering SBBC sites. The items procured under Bid 21-244H will then be procured under RFP 25-076N. The amount of the recommended spending authority is available from funds already included in the District budget. This recommendation will allow the schools, departments and centers to continue purchasing photo ID card and printing system supplies and will provide for an approximate total expenditure of \$600,000.
