

CALCULATION OF COSTS
Professional License & Registration
Architects and Engineers

*Current Calculations are based on a staff of 10:

Registration Fee per Architect/Engineer	\$ 200 x 10 = \$ 2,000.
Cost of Continuing Education Hours (minimum 10 hrs) per Architect/Engineer:	\$1,000 x 10 = <u>\$10,000.</u>
TOTAL	\$12,000.

*This is a living document, therefore amounts would be adjusted as costs of courses or fees increase, as well as to allow for the increase or decrease in staff (if staff increases, cost would increase; if staff decreases, cost would decrease).
