TITLE:	Reimbursement of Professional License & Registration For SBBC Architects/Engineers
---------------	---

REQUESTED ACTION:	Approve the authorization and reimbursement of bi-annual state required licensing and registration fees for the professional engineering and architectural staff who perform the District's functions per Florida Statute 481 for Architects and Florida Statute 471 for Engineers.
--------------------------	---

SUMMARY EXPLANATION AND BACKGROUND:	In accordance with School Board policy, District staff who engage in routine professional engineering and architectural tasks are required to possess and maintain a professional license, which must be renewed bi-annually by the State of Florida Department of Business and Professional Regulation. State licenses are a requirement of employment with SBBC and are included in Board approved job descriptions: Director/S-016, Sr. Architect/S-002, Sr. Engineer/S-020, Architect V/SS-028, Facilities Engineer V/SS-041. The Design Services Department employs ten (10) state-registered Architects/Engineers. This process ensures the services of a highly trained technical staff, which will provide the District with the best quality-learning environment and intrinsically contribute to the advancement and support of student achievement.
